National Oil and Hazardous Substances Pollution Contingency Plan National Priorities List Update

AGENCY: Environmental Protection Agency.

ACTION: Notice of partial deletion of the Treasure Island Naval Station—Hunters Point Annex Site from the National Priorities List (NPL).

SUMMARY: The Environmental Protection Agency (EPA), Region 9, announces the deletion of operable unit (OU) No. 1, also known as Parcel A, of Treasure Island Naval Station—Hunters Point Annex, also known as Hunters Point Naval Shipyard (HPS), Superfund Site (EPA ID # CA1170090087) from the NPL. The NPL constitutes Appendix B of 40 CFR part 300 which is the National Oil and Hazardous Substance Pollution Contingency Plan (NCP), which EPA promulgated pursuant to section 105 of the Comprehensive Environmental Response, Compensation, and Liability Act (CERCLA). EPA and the State of California have determined that all appropriate responses under CERCLA have been implemented on Parcel A of HPS, and that no further cleanup is appropriate for Parcel A of HPS. Moreover, EPA and the State of California have determined that the remedial actions conducted on Parcel A to date remain protective of public health, welfare, and the environment.

This partial deletion is in accordance with 40 CFR 300.425(e) and the Notice of Policy Change: Partial Deletion of Sites Listed on the National Priorities List, 60 FR 55466 (November 1, 1995). The other parcels of HPS, Parcels B, C, D, E, and F, are still undergoing remedial actions, and are not to be removed from the NPL.

EFFECTIVE DATE: April 5, 1999.

ADDRESSES: Information Repositories: Information on this Site is available for viewing at the following locations:

SUPPLEMENTARY INFORMATION: The site to be partially deleted from the NPL is: Parcel A, of Treasure Island Naval Station—Hunters Point Annex, San Francisco, California. After performing a Preliminary Assessment and Site Inspection (PA/SI) and a Remedial Investigation (RI) of Parcel A the Navy determined that Parcel A posed no significant threat to public health or the environment. Therefore, the Navy, which owns HPS, issued a “no action” Record of Decision (ROD) for Parcel A of HPS in November of 1995. The U.S. EPA concurred with this ROD.

The Navy has implemented all appropriate response actions required under CERCLA on Parcel A. Since the ROD for Parcel A specified “no action,” a five year review is not necessary for this parcel. The other parcels of HPS, Parcels B, C, D, E, and F, are still undergoing remedial actions, and are not to be removed from the NPL.

A Notice of Intent for Partial Deletion for this Site was published on December 15, 1998 in the **Federal Register** (63 FR 69032-69034). The closing date for comments on the Notice of Intent for

Partial Deletion was January 14, 1999. EPA received only one comment letter. This letter, from the San Francisco Redevelopment Agency, expressed support for the partial deletion of Parcel A. This letter is available for review in the HPS site file at the U.S. EPA, Region 9, Superfund Records Center, 4th floor, 95 Hawthorne St., San Francisco, CA 94105, 415-536-2000 and also in the repositories listed above.

EPA identifies sites which appear to present a significant risk to public health, welfare, or the environment, and it maintains the National Priorities List containing those sites. Remedial Actions at sites on the NPL may be funded by the Hazardous Substance Response Trust Fund (Fund). Any site or portion of a site deleted from the NPL remains eligible for remedial actions in the unlikely event that conditions at the site warrant such action. Section 300.425(e)(3) of the NCP states that Fund-financed actions may be taken at sites deleted from the NPL.

GENERAL SERVICES ADMINISTRATION 41 CFR Chapter 301 [FTR Amendment 79—1998 Edition] RIN 3090–AG95 Federal Travel Regulation; Maximum Per Diem Rates in Michigan, New Jersey, New York, South Carolina, and West Virginia AGENCY: Office of Governmentwide Policy, GSA. ACTION: Final rule. SUMMARY: This final rule amends the Federal Travel Regulation (FTR) Amendment 75, as corrected, published in the Federal Register on Wednesday, February 10, 1999 (64 FR 6550), to add per diem localities in the States of Michigan, New Jersey, New York, and West Virginia, respectively, and to increase the maximum lodging amount in Charleston, South Carolina. DATES: This final rule is effective April 5, 1999, and applies for travel performed on or after April 5, 1999. FOR FURTHER INFORMATION CONTACT: Jim Harte, Office of Governmentwide Policy, Travel and Transportation Management Policy Division, telephone 202–501–1538. SUPPLEMENTARY INFORMATION: A. Background The General Services Administration (GSA), after an analysis of additional data, has determined that current lodging allowances for Frankenmuth, Michigan; Tom's River, New Jersey; Syracuse, New York; Charleston, South Carolina; and Shepherdstown, West Virginia, do not adequately reflect the cost of lodging in those areas. To provide adequate per diem reimbursement for Federal employee travel to Frankenmuth (Saginaw County), Michigan, the maximum lodging allowance is \$64 and the meals and incidental expenses (M&IE) rate is \$34, resulting in a maximum per diem rate of \$98. For Federal employee travel to Tom's River (Ocean County), New Jersey, seasonal rates are: for the period June 1–September 30, the maximum lodging allowance is \$69 and the M&IE rate is \$38, resulting in a maximum per diem rate of \$107, and for the period October 1–May 31, the maximum lodging allowance is \$50 and the M&IE rate is \$38, resulting in a maximum per diem rate of \$88. The maximum lodging allowance for Syracuse (Onondaga County), New York, is \$70 and the M&IE rate is \$34, resulting in a maximum per diem rate of \$104. The maximum lodging allowance for Charleston (Charleston County), South Carolina, is changed to \$95 and the M&IE rate remains at \$42, resulting in a maximum per diem rate of \$137. The maximum lodging allowance for Shepherdstown (Jefferson County), West Virginia, is \$65 and the M&IE rate is \$38, resulting in a maximum per diem rate of \$103. B. Executive Order 12866 GSA has determined that this final rule is not a significant regulatory action for the purposes of Executive Order 12866 of September 30, 1993. C. Regulatory Flexibility Act This final rule is not required to be published in the Federal Register for notice and comment; therefore, the Regulatory Flexibility Act does not apply. D. Paperwork Reduction Act The Paperwork Reduction Act does not apply because the final rule does not impose recordkeeping or information collection requirements, or the collection of information from offerors, contractors, or members of the public which require the approval of the Office of Management and Budget under 44 U.S.C. 501 <i>et seq.</i> E. Small Business Regulatory Enforcement Act This final rule is also exempt from congressional review prescribed under 5 U.S.C. 801 since it relates solely to agency management and personnel.
