### Foreign Agricultural Service

#### Agricultural Advisory Committees for Trade

**AGENCY:** Foreign Agricultural Service, USDA.

**ACTION:** Rechartering of the Agricultural Advisory Committees for Trade.

**SUMMARY:** Notice is hereby given that the Secretary of Agriculture, after consultation with the United States Trade Representative, has rechartered the following advisory committees:

- Agricultural Policy Advisory Committee for Trade
- Agricultural Technical Advisory Committee for Trade in Animals and Animal Products
- Agricultural Technical Advisory Committee for Trade in Fruits and Vegetables
- Agricultural Technical Advisory Committee for Trade in Grains, Feed, and Oilseeds
- Agricultural Technical Advisory Committee for Trade in Sweeteners and Sweetener Products
- Agricultural Technical Advisory Committee for Trade in Tobacco, Cotton, and Peanuts

The purpose of these committees is to provide advice to the Secretary of Agriculture and the U.S. Trade Representative with respect to the trade policy of the United States pursuant to Section 135(c) of the Trade Act of 1974 (Pub. L. 93-618) as amended. Meetings of these committees will be open to the public, unless the U.S. Trade Representative determines that the committees will be discussing issues the disclosure of which justify closing such meetings or portions thereof in accordance with Section 552(c) of Title 5 of the United States Code. The renewal of such committees is in the public interest in connection with the duties of the U.S. Department of Agriculture (USDA) imposed by the Trade Act of 1974, as amended.

#### FOR FURTHER INFORMATION CONTACT:

Comments regarding the reestablishment of these committees should be addressed to Paula Scott or Denise Bell, Foreign Agricultural Service (FAS), USDA, Room 5065-S, Washington, DC 20250-1000.

**SUPPLEMENTARY INFORMATION:** Pursuant to the Federal Advisory Committee Act (FACA) (5 U.S.C. Appendix), notice is hereby given that the Secretary of Agriculture and the U.S. Trade Representative are reestablishing the Agricultural Policy Advisory Committee for Trade (APAC) and the Agricultural Technical Advisory Committees for Trade (ATACs). In 1974, Congress established a private sector advisory committee system to ensure that U.S. trade policy and trade negotiation objectives adequately reflect U.S. commercial and economic interests. Congress expanded and enhanced the role of this system in three subsequent trade acts. The private sector advisory system now consists of almost 40 committees, arranged in three tiers; The President's Advisory Committee on Trade and Policy Negotiations (ACTPN); seven policy advisory committees, including the APAC; and more than 30 technical advisory committees including the ATACs. The duties of the APAC are to provide the Secretary of Agriculture and the U.S. Trade Representative with advice concerning negotiating objectives and bargaining positions before entering into a trade agreement, the operation of an agreement once entered into, and other matters arising in connection with the administration of the trade policy of the United States. The duties of the ATACs are to provide advice and information regarding trade issues which affect both domestic and foreign production and trade concerning the respective agricultural commodities, drawing upon the technical competence and experience of its members. Each committee is required to meet at the conclusion of negotiations for each trade agreement entered into under the Act to provide a report on such agreement to the President, to Congress, and to the U.S. Trade Representative. The APAC is comprised of approximately 50 members. The members elect a chairperson from the membership of the committee. The Assistant to the Administrator, FAS, and the Assistant U.S. Trade Representative,

Intergovernmental Affairs and Public Liaison, Office of the U.S. Trade Representative, are the Committee's Joint Executive Secretaries. Each of the ATACs is comprised of approximately 25 members. The members of each committee elect a chairperson from the membership of the committee. A full-time federal officer or employee of FAS shall serve as the Executive Secretary of each Technical Advisory Committee. Each committee is chartered for a period of 2 years, at which time all appointments expire. Reappointments are made at the discretion of the Secretary of Agriculture and the U.S. Trade Representative.

Issued at Washington, DC, this 31st day of March, 1999.

Dated: March 31, 1999.
