DEPARTMENT OF JUSTICE**Notice of Lodging of Consent Decree Pursuant to the Clean Air Act**

In accordance with Departmental policy, 28 CFR § 50.7, notice is hereby given that a proposed consent decree in *United States v. Galatin Steel Company*, Civil Action No. 99-30 was lodged on February 25, 1999, with the United

States District Court for the Eastern District of Kentucky. The United States filed this action pursuant to Section 113(b) of the Clean Air Act, 42 U.S.C. 7413(b) for civil penalties and injunctive relief.

Gallatin Steel (Gallatin) was issued a synthetic minor source permit by the Kentucky Division of Air Quality (KDAQ) in 1993. The complaint alleged that Gallatin exceeded its minor source permit limit for nitrogen oxides (NO_x) and carbon monoxide (CO) from its electric arc furnaces (EAFs); violated NO_x emissions limits at its reheat furnace; constructed emissions units of regulated pollutants without a permit; started up the EAFs without operating its emission control equipment in violation of its permit; and circumvented the Clean Air Act's requirements to assure Prevention of Significant Deterioration (PSD) of air quality in violation of Section 165 of the Clean Air Act, 42 U.S.C. 7475, and 401 KAR 51:017, Section 8(1).

The consent decree provides that Gallatin will pay a civil penalty of \$450,000 and will perform a Supplemental Environmental Projects (SEP) designed to reduce NO_x and CO at the Gallatin facility. The cost to Gallatin for the SEP will be not less than \$750,000. The consent decree does not provide for injunctive relief because Gallatin received and is in compliance with a PSD permit issued from KDAQ.

The Department of Justice will receive, for a period of 30 days from the date of this publication, comments relating to the proposed consent decree. Comments should be addressed to the Attorney General for the Environment and Natural Resources Division, Department of Justice, Washington, D.C. 20530, and should refer to: *United States v. Gallatin Steel Company* DOJ Ref. #90-5-2-1-2115.

The proposed consent decree may be examined at the Office of the United States Attorney, Eastern District of Kentucky, 110 West Vine, Lexington, Kentucky 40596 and at the Consent Decree Library, 1120 G Street, N.W., 3rd Floor, Washington, D.C. 20005, (202) 624-0892.
