### Notice of Lodging of Consent Decree Pursuant to the Clean Water Act

In accordance with Departmental policy, 28 CFR 50.7, notice is hereby given that a proposed consent decree in *United States v. Yellowstone Pipe Line Company and Conoco Pipe Line Company*, Civil Action No. 96-47-M-CCL, was lodged on March 30, 1999, with the United States District Court for the District of Montana. The proposed consent decree would settle a civil action that the United States brought on behalf of the United States Environmental Protection Agency under Sections 309(d) and 311(b) of the Federal Water Pollution Control Act (also known as the "Clean Water Act"), 33 U.S.C. 1319(d), 1321(b), against Yellowstone Pipe Line Company ("Yellowstone") and Conoco Pipe Line Company ("Conoco") (collectively, "defendants") seeking civil penalties and injunctive relief to redress defendants' alleged violations of Sections 301(a) and 311(b)(3) of the Clean Water Act, 33 U.S.C. 1311(a), 1321(b)(3), in connection with a discharge of a reportable quantity of oil into or upon the navigable waters of the United States and adjoining shorelines. The discharge, from the Yellowstone Pipeline owned by Yellowstone and operated by Conoco, occurred during the winter of 1993-94 into Camas Creek, into the creek sediments, onto adjoining wetlands and into the soil surrounding

the pipeline, all within the boundaries of the Flathead Indian Reservation in Sanders County, Montana.

Under the terms of the proposed consent decree, the defendants will be required to (1) pay a civil penalty of \$165,000, and (2) perform a supplemental environmental project at a cost of approximately \$130,000, consisting of a selective fish passageway to be constructed in the Lower Jocko River. The fish passageway will be designed to enhance the population of a threatened species, the bull trout, while preserving one of the few remaining genetically pure populations of westslope cutthroat trout, in the same ecosystem where the Camas Creek oil spill occurred.

The Department of Justice will receive, for a period of thirty (30) days from the date of this publication, comments relating to the proposed consent decree. Comments should be addressed to the Assistant Attorney General of the Environment and Natural Resources Division, Department of Justice, Washington, D.C. 20530, and should refer to *United States v. Yellowstone Pipe Line Company and Conoco Pipe Line Company*, DOJ Ref. No. 90-5-1-4205.

The proposed consent decree may be examined at the office of the United States Attorney for the District of Montana, Federal Building, 201 E. Broadway, Suite 210, Missoula, Montana 59807; the Region VIII Office of the Environmental Protection Agency, 999 Eighteenth Street, Suite 500, Denver, Colorado 80202; and at the Consent Decree Library, 1120 G Street, N.W., 3rd Floor, Washington, D.C. 20005, (202) 624-0892. A copy of the proposed consent decree may be obtained in person or by mail from the Consent Decree Library, 1120 G Street, N.W., 3rd Floor, Washington, D.C. 20005. In requesting a copy, please refer to the referenced case and enclose a check in the amount of \$10.00 (25 cents per page reproduction costs) payable to the Consent Decree Library.

### Privacy Act of 1974; Privacy Act Systems of Records

Pursuant to the Privacy Act of 1974 (5 U.S.C. 552a) and Office of Management and Budget Circular No. A-130,

Department components have reviewed their Privacy Act systems of records to identify any minor changes that will clarify and/or more accurately describe their systems of records. As a result, the Executive Office for Immigration Review (EOIR); the Immigration and Naturalization Service (INS); and the Justice Management Division (JMD) are reporting "System Location" changes.

The EOIR and INS have revised their appendices of principal office addresses, Justice/EOIR-999 and Justice/INS-999. In addition, the JMD proposes "System Location" changes for the "Department of Justice Payroll System, Justice/JMD-003" Specifically, paragraph c. has been added to the "System Location" of the Department of Justice Payroll System. Paragraph c. indicates that post conversion historical records may also be located on a server at the Justice Data Center in Rockville, Maryland, and may include any post conversion payroll data for which a determination is made that such data no longer requires storage in a current status. Any comments may be addressed to Mary Cahill, Management Planning Staff, Justice Management Division, Department of Justice, Washington, DC 20530 (Suite 1400, National Place Building).

Dated: March 26, 1999.

**AUTHORITY FOR MAINTENANCE OF THE SYSTEM:** Budget and Accounting Act of 1950, as amended, 31 U.S.C. 66, 66a, and 20(a).

**PURPOSE(S):** This system of records is maintained to enable the Department to administer the payroll and payroll-related functions, and any other related financial matters, in accordance with applicable laws and regulations and the requirements of the General Accounting Office (GAO) and the Office of Personnel Management (OPM). It enables the Department to prepare and document payment to all Department employees entitled to be paid and to effect all authorized deductions from gross pay; to coordinate pay, leave and allowance operations with personnel functions and other related activities; meet internal and external reporting requirements; support investigations of fraud, the collection of debts, and litigation activities.

##### **ROUTINE USES OF RECORDS MAINTAINED IN THE SYSTEM, INCLUDING CATEGORIES OF USERS AND THE PURPOSES OF SUCH USES:**

Pursuant to Subsection (b)(3) of the Privacy Act, the Department of Justice (DOJ) may disclose relevant and necessary data as follows:

In accordance with an interagency agreement (as provided for in Office of

Management and Budget (OMB) implementing regulations (40 FR 28948)), the DOJ may disclose to the U.S. Department of Agriculture (USDA), National Finance Center (NFC), in order to effect all financial transactions on behalf of the DOJ related to employee pay.

Specifically, the NFC may effect employee pay or deposit funds on behalf of DOJ employees, and/or it may withhold, collect or offset funds from employee salaries as required by law or as necessary to correct overpayment or amounts due. For example, the NFC will routinely make the necessary disclosures to Treasury for the issuance of checks; to Federal, State, and local authorities and the Social Security Administration for tax withholdings; and, according to employee directions, to the appropriate financial institutions, charitable organizations, unions, health carriers, or other appropriate entities to effect such pay distributions as savings bonds, charitable contributions, allotments, alimony, child support, union dues, and health and life insurance. In addition, the NFC will use the data to perform related administrative activities such as to certify payroll vouchers chargeable to DOJ funds; and either to perform or participate in routine audit/oversight operations of USDA/DOJ management and/or of GAO, OMB, and OPM; and to meet related reporting requirements.

In addition, based on such data as the DOJ has input to the NFC data base for these purposes, the DOJ may subsequently make a paper request, or an electronic request to the NFC data base, for information which will allow the DOJ to disclose relevant information as follows; or, where appropriate or necessary, DOJ may authorize the NFC to make the disclosure:

To Federal, State, or local housing authorities to enable these authorities to determine eligibility for low cost housing.

To heirs, executors and legal representatives of beneficiaries for estate settlement purposes.

To State and local courts of competent jurisdiction for the enforcement of child support, alimony, or both, pursuant to 41 U.S.C. 659.

To individuals, organizations, or agencies to enable such person, organization, or agency to determine the identity or location of a current or former Federal employee to collect debts owed, where collection of such debts are authorized (either by statute, implementing regulation, or order issued pursuant thereto) and the

individual, organization, or agency, has provided sufficient evidence as will reasonably validate such claims, e.g., where a spouse or creditor seeking to obtain a garnishment of wages for such purposes as alimony and/or child support has provided a court order to substantiate the indebtedness. Information relevant to the request for such garnishment may include informing the individual, organization, or agency of the unavailability of funds where, for example, a currently active garnishment precludes the implementation of a further garnishment.

To the Office of Child Support Enforcement (OCSE), Administration for Children and Families, Department of Health and Human Services, any information specifically required by statute or implementing regulation or otherwise determined to be necessary and proper for OCSE's use (as outlined more specifically in relevant OCSE published systems of records) in locating individuals owing child support obligations, and in establishing and collecting child support obligations from such individuals, including enforcement action. Information disclosed may include: name, address, date of birth, date of hire, duty station, and social security number of the employee; the wages paid to the employee during the previous quarter; and the appropriate address and Federal Employer Identification Number of the Department of Justice.

To the appropriate Federal, State, or local agencies, e.g., to State unemployment agencies and/or the Department of Labor, to assist these agencies in performing their lawful responsibilities in connection with administering unemployment, workers' compensation, or other benefit programs; and similarly, to such agencies to obtain information that may assist the Department of Justice in performing its lawful responsibilities as they relate to such benefit programs.

To labor organizations recognized under 5 U.S.C., Chapter 71, the home addresses or designated mailing addresses of bargaining unit members.

In the event that a record(s), either on its face or in conjunction with other information, indicates a violation or a potential violation of law, whether civil, criminal or regulatory in nature, to the agency charged with enforcing or implementing such law.

To the Internal Revenue Service (IRS) to obtain taxpayer mailing addresses for the purpose of locating such taxpayer to collect or compromise a Federal claim against the taxpayer.

To a person or organization with whom the head of the agency has contracted for collection services to recover indebtedness owed to the United States. Addresses of taxpayers obtained from the IRS will also be disclosed, but only where necessary to locate such taxpayer to collect or compromise a Federal claim.

To a Federal, State, local, or foreign agency or to an individual or organization if there is reason to believe that such agency, individual, or organization possesses information relating to the debt, the identity or location of the debtor, the debtor's ability to pay, or relating to any other matter which is relevant and necessary to the settlement, effective litigation and enforced collection of the debt, or relating to the civil action trial or hearing, and the disclosure is reasonably necessary to elicit such information or to obtain the cooperation of a witness or an agency.

To employers to effect salary or administrative offsets to satisfy a debt owed the United States by that person; or when other collection efforts have failed, to the IRS to effect an offset against an income tax refund otherwise due.

To the news media and the public pursuant to 28 CFR 50.2 unless it is determined that release of the specific information in the context of a particular case would constitute an unwarranted invasion of personal privacy.

To a Member of Congress or staff acting upon the Member's behalf when the Member or staff requests the information on behalf of and at the request of the individual who is the subject of the record.

To the National Archives and Records Administration and the General Services Administration for use in records management inspections conducted under the authority of 44 U.S.C. 2904 and 2906.

In a proceeding before a court or adjudicative body before which the Department is authorized to appear when any of the following is a party to litigation or has an interest in litigation and such records are determined by the Department to be arguably relevant to the litigation: The Department, or any of the Department's components or their subdivisions; any Department employee in his/her official capacity, or in his/her individual capacity where the Department of Justice agrees to represent the employee; or the United States where the Department determines that the litigation is likely to affect it or any of the Department's components or their subdivisions.

Consistent with the foregoing routine use provisions, the Department may disclose records from this system of records for use in a computer matching program (as defined in the Privacy Act, 5 U.S.C. 552a(8)). In accordance with the requirements of the Privacy Act, the public will be given advance notice in the **Federal Register** of the Department's participation in any such computer matching program(s).

In addition to the above routine use disclosures under subsection (b)(3) of the Privacy Act, the DOJ may retrieve from the NFC data base information which will enable the DOJ to make relevant and necessary disclosures pursuant to any of the other relevant and appropriate Privacy Act disclosure provisions.

Finally, 31 U.S.C. 3711 requires that the notice required by section 552(e)(4) of title 5 must indicate that information in the system may be disclosed to a consumer reporting agency pursuant to subsection (b)(12). Such notice is provided as follows:

*Notice of Disclosure to Consumer Reporting Agencies Under Subsection (b)(12) of the Privacy Act:* Records relating to the identity of debtors and the history of claims may be disseminated to consumer reporting agencies to encourage payment of the past-due debt. Such disclosures will be made only when a claim is overdue and only after due process steps have been taken to notify the debtor and give him or her a chance to meet the terms of the debt.

(Any disclosures that may be made for debt collection purposes, whether made pursuant to subsection (b)(3) or (b)(12), would be made only when all the relevant due process or procedural steps established by the relevant statutes and implementing regulations have been taken.)
