PLACE: Nassif Building, Room 2230, Department of Transportation, 400 Seventh Street, SW, Washington, DC 20590.

STATUS: Open to public with attendance limited to space available.

PURPOSE: The purpose of the forum is to have an exchange of ideas and to start a dialogue that will better enable the Department to analyze its rules. We do not want comments on specific rules or proposals, although it would be appropriate to use an existing rule to illustrate a point.

The forum will address various issues such as problems with data, valuation of costs and benefits, and the basis of assumptions in DOT's analysis. AGENCY: Federal Aviation Administration (FAA), DOT.

ACTION: Notice of publication.

SUMMARY: This notice constitutes the required quarterly publication of an index of the Administrator's decisions and orders in civil penalty cases. This publication represents the quarter ending on March 31, 1999. This publication ensures that the agency is in compliance with statutory indexing requirements.

notice issued on July 11, 1990, and published in the **Federal Register** (55 FR 29148; July 17, 1990), the FAA announced the public availability of several indexes and summaries that provide identifying information about the decisions and orders issued by the Administrator under the FAA's civil penalty assessment authority and the rules of practice governing hearings and appeals of civil penalty actions. 14 CFR part 13, subpart G.

The FAA maintains an index of the Administrator's decisions and orders in civil penalty actions organized by order number and containing identifying information about each decision or order. The FAA also maintains a cumulative subject-matter index and digests organized by order number.

The indexes are published on a quarterly basis (*i.e.*, January, April, July, and October.) This publication represents the quarter ending on March 31, 1999.

The FAA first published these indexes and digests for all decisions and orders issued by the Administrator through September 30, 1990. 55 FR 35984; October 31, 1990. The FAA announced in that notice that only the subject-matter index would be published cumulatively and that the order number index would be non-cumulative.
