SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-41361; File No. SR-Phlx-99-08]

Self-Regulatory Organizations; Notice of Filing and Immediate Effectiveness of Proposed Rule Change by the Philadelphia Stock Exchange, Inc., Establishing a \$200 Registration Fee and a \$200 Annual fee for Off-Floor Traders for which the Exchange is the Designated Examining Authority

May 3, 1999.

Pursuant to section 19(b)(1) of the Securities Exchange Act of 1934 ("Act"),¹ and Rule 19b-4 thereunder,² notice is hereby given that on April 22, 1999, the Philadelphia Stock Exchange, Inc. ("Phlx" or "Exchange"), filed with the Securities and Exchange Commission ("SEC" or "Commission") the proposed rule change as described in Items I, II, and III below, which Items have been prepared by the Exchange. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to amend its schedule of dues, fees, and charges to require all current and future off-floor traders to pay an initial \$200 registration fee and an annual fee of \$200 for all off-floor traders registered as of April 1 of each year. The fees would apply to all associated persons of member organizations for which the Exchange is the designated examining authority ("DEA"), but who are not themselves Exchange members, who engage in proprietary trading of equities and options, including, but not limited to, persons who execute such trades or make trading decisions with respect to such trades. The proposed rule would apply to those persons who are not Exchange members registered in a trading capacity on the floor of the Exchange.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these

statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

Currently, persons who are associated with member organizations for which the Exchange is the DEA, but who are not themselves Exchange members, who engage in proprietary trading of equities and options from off the floor of the Exchange, are required under Rule 604 to register with the Exchange by filing a Form U-4 and a fingerprint card.³ Separately, the Exchange has filed a proposed rule change to impose a Series 7 testing requirement on such traders.⁴ At this time, the Exchange proposes that such traders pay an initial registration fee of \$200. This initial registration fee applies to persons currently trading from off the floor and to persons who register to trade from off the floor in the future. The payment of the \$200 initial registration fee will be a prerequisite to engaging in trading from off the floor of the Exchange. Secondly, all such persons who are registered with the Exchange as of April 1 of each year will be assessed an annual fee of \$200.

The fees are proposed in recognition of the increased costs of administration that the Exchange has been and will be incurring. Specifically, the Exchange anticipates increased administration costs to be incurred in conducting background checks on the individuals to whom the rule applies; processing of forms; fingerprint charges; requests for disciplinary history of all current and future off-floor traders to the Central Registration Depository; and conducting on-site examinations of the main and branch offices of the various member firms with which off-floor traders associate.

2. Statutory Basis

The Exchange believes the proposed rule change is consistent with section 6 of the Act,⁵ in general, and with section 6(b)(4),⁶ in particular, in that it provides for the equitable allocation of reasonable

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any inappropriate burden on competition.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

No written comments were either solicited or received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing rule change has become effective pursuant to Section 19(b)(3)(A) of the Act⁷ and subparagraph (f) of Rule 19b-4 thereunder⁸ because it establishes or changes a due, fee, or other charge. At any time within 60 days of the filing of the proposed rule change, the Commission may summarily abrogate such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

IV. Solicitation of Comments
