All documents (original and eight copies) should be filed with: David P. Boergers, Secretary, Federal Energy

k. NIMO and Beebe Island (a wholly-owned subsidiary of NIMO) are the co-licensees for the Beebe Island Project. The subject transfers are being sought in connection with NIMO's asset sales agreement with Erie for the sale of NIMO's non-nuclear generating assets pursuant to the electric industry restructuring policies of New York State. See NIMO and Erie's "Amended Joint Application for Approval of Transfer of Licenses and Exemptions, Partial Transfer of Licenses, and Substitution of Applicants" for Project Nos. 0013, *et al.*, filed April 14, 1999, which reflects the divestiture sale and which is the subject of separate public notice. Transfer #1 would eliminate Beebe Island as a co-licensee for the Beebe Island Project, which is a prerequisite to Transfer #2 conveying the project properties and license from NIMO to Erie, which in turn is a necessary element in NIMO's divestiture sale to Erie.
