[Docket No. JFMIP-SR-99-7]

### Joint Financial Management Improvement Program (JFMIP)—Federal Financial Management System Requirements (FFMSR)

**AGENCY:** Joint Financial Management Improvement Program (JFMIP).

**ACTION:** Notice of document availability.

**SUMMARY:** The JFMIP is seeking public comment on an exposure draft titled, "Seized Property and Forfeited Assets System Requirements" dated June 2, 1999. The draft is being issued to update a May 1993 document. The draft incorporates: (1) Statutory and regulatory changes; (2) technological changes; and (3) JFMIP documentation changes. The document is designed to provide financial managers with Governmentwide mandatory requirements for financial systems in order to process and record financial events effectively and efficiently, and to provide complete, timely, reliable, and consistent information for decision makers and the public.

**DATES:** Comments are due by August 13, 1999.

**ADDRESSES:** Copies of the exposure draft have been mailed to agency senior financial officials and are available on the JFMIP website: <http://www.financenet.gov/financenet/fed/jfmip/jfmipexp.htm>.

Comments should be addressed to JFMIP, 441 G Street NW, Room 3111, Washington, DC 20548.

**FOR FURTHER INFORMATION CONTACT:** Doris Chew, 202-512-9216 or via Internet: [chewd.jfmip@gao.gov](mailto:chewd.jfmip@gao.gov).

**SUPPLEMENTARY INFORMATION:** The Federal Financial Management Improvement Act (FFMIA) of 1996 mandated that agencies implement and maintain systems that comply substantially with Federal financial management systems requirements, applicable Federal accounting standards, and the U.S. Government Standard General Ledger at the transaction level. The FFMIA statute codified the JFMIP financial systems requirements documents as a key benchmark that agency systems must meet in order to be substantially in compliance with systems requirements provisions under FFMIA. To support the requirements outlined in the FFMIA, we are updating requirements documents that are obsolete and publishing additional requirements documents.

Comments received will be reviewed and the exposure draft will be revised as necessary. Publication of the final requirements will be mailed to agency senior financial officials and will be available on the JFMIP website.

[Program Announcement 99145]

### Hepatitis Education for Inmates and Correctional Staff; Notice of Availability of Funds

#### A. Purpose

The Centers for Disease Control and Prevention (CDC) announces the availability of fiscal year (FY) 1999 funds for a cooperative agreement with one or more national voluntary organizations involved with correctional facilities to develop and distribute materials to educate inmates and correctional staff about the risks of transmission and acquisition of viral hepatitis, as well as prevention, counseling, testing, and treatment of viral hepatitis, with an emphasis on hepatitis A, B, and C prevention and counseling. This program addresses the "Healthy People 2000" priority area of Immunization and Infectious Diseases.

The purpose of the program is to provide assistance for the development of educational materials that address the prevention, testing, counseling, and

treatment of viral hepatitis (focus on the prevention of hepatitis A, B, and C virus infection including hepatitis B vaccination) in correctional settings in the United States. Specifically, applications are solicited for projects aimed at developing and distributing educational materials on viral hepatitis to inmates, and correctional staff.

#### B. Eligible Applicants

Applications may be provided only to organizations currently providing health education materials to correctional populations and health related training materials to staff of correctional institutions at a national or regional level.

Since the purpose of the program is to provide assistance for the development of educational materials that address the prevention, testing, counseling, and treatment of viral hepatitis in correctional settings in the United States, only applications from organizations that develop and distribute educational materials on viral hepatitis to inmates and correctional staff are solicited.

**Note:** Public Law 104-65 states that an organization described in section 501(c)(4) of the Internal Revenue Code of 1986 that engages in lobbying activities is not eligible to receive Federal funds constituting an award, grant, cooperative agreement, contract, loan, or any other form.

#### C. Availability of Funds

Approximately \$100,000 is available in FY 1999 to fund up to 3 awards. It is expected that the average award will be \$35,000, ranging from \$25,000 to \$40,000. It is expected that the award(s) will begin on or about September 30, 1999, and will be made for a 12-month budget period within a project period of up to three years. Funding estimates may change.

Continuation awards within an approved project period will be made on the basis of satisfactory progress as evidenced by required reports and the availability of funds.

#### Funding Preference

A preference will be given to applicants with access to inmates and corrections staff at local, state, and/or federal (public and private) corrections programs with a demonstrated high concentration of inmates and corrections staff at high risk for viral hepatitis infection.
