

The likely respondents include applicants for nonmember mortgagee certification and certified nonmember mortgagees.

#### B. Burden Estimate

The Finance Board estimates the total annual average number of applicants at five, with one response per applicant. The estimate for the average hours per application is ten hours. The estimate for the annual hour burden for applicants is 50 hours (5 applicants  $\times$  1 response per applicant  $\times$  approximately 10 hours).

The Finance Board estimates the total annual average number of certified nonmember mortgagees at 43, with 1 response per mortgagee. The estimate for the average hours per certified nonmember mortgagee response is 0.5 hours. The estimate for the annual hour burden for certified nonmember mortgagees is 21.5 hours (43 certified nonmember mortgagees  $\times$  1 response per mortgagee  $\times$  approximately 0.5 hours).

The Finance Board estimates that the total annual hour burden for all respondents is 71.5 hours (5 applicants  $\times$  1 response per applicant  $\times$  approximately 10 hours + 43 certified nonmember mortgagees  $\times$  1 response per mortgagee  $\times$  approximately 0.5 hours).

#### C. Comment Request

The Finance Board requests written comments on the following: (1) Whether the collection of information is necessary for the proper performance of Finance Board functions, including whether the information has practical utility; (2) the accuracy of the Finance Board's estimates of the burdens of the collection of information; (3) ways to enhance the quality, utility, and clarity of the information collected; and (4) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology.

#### DEPARTMENT OF HEALTH AND HUMAN SERVICES

##### Centers for Disease Control and Prevention

[Program Announcement 99153]

##### Cooperative Agreements To Develop National Strategies To Promote Disease Prevention and Health Promotion; Notice of Availability of Funds

#### A. Purpose

The Centers for Disease Control and Prevention (CDC) announces the availability of fiscal year (FY) 1999 funds for a cooperative agreement program to develop national health promotion and disease prevention

strategies to assist health care organizations, state and local health departments, businesses, and other nonprofit organizations whose mission is to promote prevention, improve health care quality and improve the public's health. This program addresses all priority areas of the "Healthy People 2000".

## B. Eligible Applicants

Applications will be accepted from national, nonprofit organizations who provide documented proof of meeting the following criteria in the "Eligibility" section of the application:

1. Be an established tax-exempt organization (i.e., a non-governmental, tax exempt corporation or association whose net earnings in no way accrue to the benefit of private shareholders or individuals). Tax-exempt status may be confirmed by providing a copy of the relevant pages from the Internal Revenue Service's (IRS) most recent list of 501(c)(3) tax exempt organizations or a copy of the current IRS Determination Letter. Proof of tax exempt status must be provided with the application.
2. Have a specific charge from its Articles of Incorporation or Bylaws or a resolution from its governing body or board to operate nationally within the United States and its territories.
3. Have at least three years documented experience in operating and centrally administering a coordinated program for its membership focusing on health and health related issues in the business community.

**Note:** Pub. L. 104-65 states that an organization described in section 501(c)(4) of the Internal Revenue Code of 1986 that engages in lobbying activities is not eligible to receive Federal funds constituting an award, grant, cooperative agreement, contract, loan, or any other form.

## C. Availability of Funds

Approximately \$200,000 to \$500,000 is available in FY 1999 for approximately 1-3 awards. It is expected that the average award will range from approximately \$100,000 to \$300,000 per award. It is expected that awards will begin on or about September 30, 1999, for a 12 month budget period within a project period of up to 5 years. Funding estimates may change.

Continuation awards within an approved project period will be made on the basis of satisfactory progress as evidenced by the successful completion of required activities and reports, and by the availability of funds.

## D. Program Requirements

In conducting activities to achieve the purposes of this program, the recipient

will be responsible for the activities under 1. Recipient Activities, and CDC will be responsible for the activities under 2. CDC Activities.

### 1. Recipient Activities

- a. Develop and implement national health disease prevention programs and preventive health models for use by the recipient in providing assistance to a broad range of organizations, including private sector health care organizations, State and local health departments, universities, managed care organizations, and businesses.
- b. Collaborate nation-wide with public, private, nonprofit, and academic institutions to promote the goals of prevention.
- c. Conduct process and outcome evaluation on all activities.
- d. Disseminate information concerning effective prevention activities for health care organizations.

### 2. CDC Activities

- a. Provide technical assistance.
- b. Provide up-to-date scientific information concerning prevention activities.

## E. Application Content

Use the information in the Program Requirements, Other Requirements, and Evaluation Criteria sections to develop the application content. Your application will be evaluated on the criteria listed, so it is important to follow them in laying out your program plan.

## F. Submission and Deadline

Submit the original and five copies of PHS-398 (OMB Number 0925-0001) (adhere to the instructions on the Errata Instruction Sheet for PHS 398). Forms are in the application kit. On or before August 16, 1999, submit the application to the Grants Management Specialist identified in the "Where to Obtain Additional Information" section of this announcement.

**Deadline:** Applications shall be considered as meeting the deadline if they are either: (a) Received on or before the deadline date; or (b) Sent on or before the deadline date and received in time for objective review. (Applicants must request a legibly dated U.S. Postal Service postmark or a legibly dated receipt from a commercial carrier. Private metered postmarks shall not be acceptable as proof of time and date of mailing.)

**Late applications:** Applications which do not meet the criteria in (a) or (b) above are considered late applications, will not be considered, and will be returned to the applicant.

## G. Evaluation Criteria

Each application will be evaluated individually against the following criteria:

### 1. Organizational Profile, Background and Need (20 points)

- a. The extent to which the applicant's existing organizational structure, mission, goals, objectives, activities, and functions are consistent with the purpose of this Program Announcement.
- b. The extent to which the applicant clearly describes the need for national preventive health models, demonstrates an understanding of, access to, and the exchange of information, technical assistance and professional consultation to assist health care organizations, State and local health departments, and other organizations whose mission is to promote prevention and improve the public's health.
- c. The ability of the applicant's previous history in working with State and local health departments, national private health care organizations, academia and public health to promote prevention programs and its experience in the management and delivery of resources through various mediums.

### 2. Goals and Objectives (15 points)

- a. The extent to which the applicant's goals are clearly documented and objectives are time-phased, specific, measurable, and achievable.
- b. The quality and specificity of the applicant's proposed plan to establish and maintain existing partnerships.

### 3. Project Management and Staffing (10 points)

- a. The extent to which the project staff are clearly described, appropriately assigned, and have appropriate skills and experiences in prevention programs.
- b. The extent to which the applicant has internal infrastructure and program experience in prevention to carry out objectives.
- c. The extent to which the applicant provides details regarding the level of effort and allocation of time for each staff position.

### 4. Plan of Operation (20 points)

The quality and specificity of the applicant's proposed plan to develop health education models, and the extent to which the proposed activities are realistic and meet the intended purposes of the funding.

### 5. Evaluation Plan (20 points)

The extent to which the applicant provides a detailed description of the methods to be used to evaluate program

effectiveness, including what will be evaluated and analyzed, who will perform the evaluation and the time-frame.

#### 6. Collaboration (15 points)

The extent to which the applicant documents evidence of collaboration and experience with partners.

#### 7. Budget (Not scored)

The extent to which the budget is clearly explained, adequately justified, reasonable, sufficient for the proposed project activities, and consistent with the intended use of the cooperative agreement funds.

### H. Other Requirements

#### Technical Reporting Requirements

Provide CDC with original plus two copies of:

1. An annual progress report.
2. A financial status report, no more than 90 days after the end of the budget period; and
3. A final financial status and performance report, no more than 90 days after the end of the project period.

The following additional requirements are applicable to the program. For a complete description of each see Addendum 1 in the application package.
