[CGD01-99-009]

RIN 2115-AE46

Special Local Regulation: Fireworks Displays Within the First Coast Guard District

AGENCY: Coast Guard, DOT.

ACTION: Final rule.

SUMMARY: The Coast Guard is revising the special local regulation for annual fireworks displays in the First Coast Guard District. The final rule includes additional fireworks displays and arranges the events by month, date and location in an easy-to-read Table. This regulation is necessary to control vessel traffic within the immediate vicinity of the fireworks launch sites and to ensure the safety of life and property during each event.

DATES: This Final Rule becomes effective on June 28, 1999.

ADDRESSES: Documents as indicated in this preamble are available for inspection or copying at Office of Search and Rescue, First Coast Guard District, 408 Atlantic Avenue, Boston, MA 02110.

FOR FURTHER INFORMATION CONTACT: Petty Officer William M. Anderson, Office of Search and Rescue, First Coast Guard District, (617) 223-8460.

SUPPLEMENTARY INFORMATION:**Regulatory History**

On April 15, 1999, the Coast Guard published a notice of proposed rulemaking (NPRM) entitled *Fireworks Displays Within the First Coast Guard District* in the **Federal Register** (64 FR 18587). The Coast Guard received no comments on the NPRM rulemaking. A public hearing was not requested and none was held.

Background and Purpose

Each year, organizations in the First District sponsor fireworks displays in the same general location and time period. The table in 33 CFR 100.114 contains information that has been provided to the Coast Guard by the event sponsors. The event table description provides dates and location for events that take place annually. Each event uses a barge or on-shore site as the fireworks launch platform. The special local regulations control vessel movement within a 500-yard radius around the launch platforms to ensure the safety of persons and property. Coast

Guard personnel on-scene may allow persons within the 500-yard radius should conditions permit. The Coast Guard may publish notices in the **Federal Register**, if an event sponsor reports a change to the listed event venue or date.

In keeping with the requirements of 5 U.S.C. 553(d)(3), the Coast Guard finds that good cause exists for making this regulation effective less than 30 days after publication in the **Federal Register**. It is imperative this regulation is in effect for events celebrated on the Fourth of July, which has the most display occurrences of the year. Any delay encountered in making this rule effective would be contrary to the public interest, as the rule is needed to ensure the safety of the boating public during these events.

Discussion of Changes

No comments were received in response to the NPRM. Due to an administrative oversight, one event from the preceding Special Local Regulation was not included in the NPRM, but should have been. The Hempstead New York Salute to Veterans Fireworks Display has been added to this final rule as event number 7.16 in the table. Also, the Coast Guard has deleted events, added new events and updated all event descriptions, as reported by the sponsor of the event.

Regulatory Evaluation

This final rule is not a significant regulatory action under section 3(f) of Executive Order 12866 and does not require an assessment of potential costs and benefits under section 6(a)(3) of that Order. The Office of Management and Budget has not reviewed this rule under that Order. This final rule is not significant under the regulatory policies and procedures of the Department of Transportation (DOT) (44 FR 11040, February 26, 1979). The Coast Guard expects the economic impact of this rule to be minimal by reason of the late evening start times of each event, the short duration of each event, the advance notice provided to the marine community, and the location and small size of each regulated area. A full Regulatory assessment, under paragraph 10e of the regulatory policies and procedures of DOT, has been determined unnecessary.

Small Entities

Under the Regulatory Flexibility Act (5 U.S.C. 601 *et seq.*), the Coast Guard considered whether this rule, will have a significant economic impact on a substantial number of small entities. "Small entities" include small

businesses, not-for-profit organizations that are independently owned and operated and are not dominant in their fields, and governmental jurisdictions with populations of less than 50,000.

For the reasons stated in *Regulatory Evaluation*, the Coast Guard certifies under 5 U.S.C. 605(b) that this rule, will not have a significant economic impact on a substantial number of small entities. If, however, you think that your business or organization qualifies as a small entity and that this rule will have a significant economic impact on your business or organization, please submit a comment (see **ADDRESSES**) explaining why you think it qualifies and in what way and to what degree this rule will economically affect your organization or business.

Assistance for Small Entities

Under section 213(a) of the Small Business Regulatory Enforcement Fairness Act of 1996 (Pub. L. 104-121), the Coast Guard wants to assist small entities in understanding this rule so that they can better evaluate its effects on them. If your small business or organization is affected by this rule and you have questions concerning its provisions or options for compliance, please call Petty Officer William M. Anderson, telephone 617-223-8460.

The Small Business and Agriculture Regulatory enforcement Ombudsman and 10 Regional Fairness Boards were established to receive comments from small businesses about Federal agency enforcement actions. The Ombudsman will annually evaluate the enforcement activities and rate each agency's responsiveness to small business. If you wish to comment on the enforcement actions of the Coast Guard, call 1-888-REG-FAIR (1-888-734-3247).

Unfunded Mandates

Under section 201 of the Unfunded Mandates Reform Act (UMRA) (2 U.S.C. 1531), the Coast Guard assessed the effects of this rule on State, local, and tribal governments, in the aggregate, and the private sector. The Coast Guard determined that this regulatory action requires no written statement under section 202 of the UMRA (2 U.S.C. 1532) because it will not result in the expenditure of \$100,000,000 in any one year by State, local, or tribal governments, in the aggregate, or the private sector.

Collection of Information

This proposal contains no collection of information requirements under the Paperwork Reduction Act (44 U.S.C. 3501 *et seq.*).

Federalism

The Coast Guard has analyzed this rule under the principles and criteria contained in Executive Order 12612 and has determined that this rule does not have sufficient federalism implications to warrant the preparation of a Federalism Assessment.

Environment

The Coast Guard has considered the environmental impacts of this rule and concluded that under figure 2-1, paragraph 34(h), COMDTINST 16475.1C, this rule is categorically excluded from further environmental documentation.

Other Executive Orders on the Regulatory Process

In addition to the statutes and Executive Orders already addressed in this preamble, the Coast Guard considered the following executive orders in developing this rule and reached the following conclusions.

E.O. 12630, Governmental Actions and Interference with Constitutionally Protected Property Rights. This rule will not effect a taking of private property or otherwise have taking implications under this Order.

E.O. 12875, Enhancing the Intergovernmental Partnership. This rule will not impose, on any State, Local, or tribal government, a mandate that is not required by statute and that is not funded by the Federal government.

E.O. 12988, Civil Justice Reform. This rule meets applicable standards in sections 3(a) and 3(b)(2) of this Order to minimize litigation, eliminate ambiguity, and reduce burden.

E.O. 13045, Protection of Children From Environmental Health Risks and Safety Risks. This rule is not an economically significant rule and does not concern an environmental risk to safety disproportionately affecting children.

List of Subjects in 33 CFR Part 100

Marine safety, Navigation (water), Records and recordkeeping requirements, Waterways.

Final Regulation

For reasons set out in the preamble, the Coast Guard amends 33 CFR part 100 as follows:

PART 100—[AMENDED]

1. The authority citation for part 100 continues to read as follows:

Authority: 33 U.S.C. 1233 through 1236; 49 CFR 1.46 and 33 CFR 100.35.

2. Revise § 100.114 to read as follows:

§ 100.114 Fireworks displays within the First Coast Guard District.

(a) *Regulated area.* That area of navigable waters within a 500-year radius of the launch platform for each fireworks display listed in the following table.

(b) *Special local regulations.*

(1) No person or vessel may enter, transit, or remain within the regulated area during the effective period of regulation unless authorized by the Coast Guard patrol commander.

(2) Vessels encountering emergencies which require transit through the regulated area should contact the Coast Guard patrol commander on VHF Channel 16. In the event of an emergency, the Coast Guard patrol commander may authorize a vessel to transit through the regulated area with a Coast Guard designated escort.

(3) All persons and vessels shall comply with the instructions of the Coast Guard on-scene patrol commander. On-scene patrol personnel may include commissioned, warrant, and petty officers of the U.S. Coast Guard. Upon hearing five or more short blasts from a U.S. Coast Guard vessel, the operator of a vessel shall proceed as directed. Members of the Coast Guard Auxiliary may also be present to inform vessel operators of this regulation and other applicable laws.

(c) *Effective dates.* This rule is in effect from one hour before the scheduled start of the event until thirty minutes after the last firework is exploded for each event listed in the Table. For those events listed without a specific time or date, an annual **Federal Register** document will be published indicating event dates and times.

Dated: June 18, 1999.

Robert F. Duncan,

*Captain, U.S. Coast Guard, Acting
Commander, First Coast Guard District.*
