DEPARTMENT OF EDUCATION

34 CFR Part 694

Office of Postsecondary Education; Gaining Early Awareness and Readiness for Undergraduate Programs; Negotiated Rulemaking Committee

AGENCY: Office of Postsecondary Education, Department of Education.

ACTION: Notice of negotiated rulemaking on GEAR UP.

SUMMARY: We announce our intention to establish a negotiated rulemaking committee to draft proposed regulations to implement chapter 2 of subpart 2 of part A of title IV of the Higher Education Act of 1965 (HEA), "Gaining Early Awareness and Readiness for Undergraduate Programs" (GEAR UP). The committee will be balanced and representative of the significantly affected interests. We request nominations for participants from anyone who believes that his or her organization or group should participate in the negotiated rulemaking process for the development of the GEAR UP proposed regulations.

DATES: We will consider all nominations for membership on the committee received by Friday, July 9, 1999.

ADDRESSES: Please send your nomination to Philip Schulz, U.S. Department of Education, 400 Maryland Avenue, SW, Room 4020, ROB-3, Washington D.C. 20202-5243, or fax to Philip Schulz at (202) 260-5872. You may also email your nominations to: philip_schulz@ed.gov.

Individuals with disabilities may obtain this document in an alternate format (e.g., Braille, large print, audiotape, or computer diskette) on request to the contact person listed in the preceding paragraph.

SUPPLEMENTARY INFORMATION: Section 492 of the Higher Education Act of 1965, as amended (HEA) requires that, before publishing any proposed regulations to implement programs under Title IV of the HEA, the Secretary obtain public involvement in the development of the proposed regulations. After obtaining advice and recommendations, the Secretary must conduct a negotiated rulemaking process to develop the proposed regulations.

On March 2, 1999, we published in the **Federal Register** (64 FR 10184) final regulations (applicable only to the fiscal year 1999 competition) to implement GEAR UP. Section 437(d) of the General Education Provisions Act exempts from the rulemaking requirements in the Administrative Procedure Act regulations governing the first grant competition under a new or substantially revised program authority (20 U.S.C. 1232(d)(1)). In order to make awards on a timely basis, we published the regulations for the fiscal year 1999 competition in final under the authority of section 437(d). Further, we determined that, to make grants under the competition before the funds expired, the use of negotiated rulemaking for the fiscal year 1999 competition would be impracticable and contrary to the public interest under section 492(b)(2) of the HEA.

We will develop the regulations that will apply to subsequent competitions for GEAR UP funding by following the negotiated rulemaking procedures in section 492 of the HEA. We intend to select participants for the negotiated

rulemaking process from nominees of the organizations or groups that represent the interests significantly affected by the proposed regulations. To the extent possible, we will select from the nominations individuals reflecting the diversity in the industry, representing both large and small participants, as well as individuals serving local areas and national markets, in accordance with section 492(b)(1) of the HEA.

Structure of Committees

The ultimate goal of negotiated rulemaking is to reach a consensus on the proposed regulations through discussion and negotiation among interested and affected parties, including the Department of Education. With this in mind, we will conduct these negotiations within a structure that is designed to meet this goal fairly and efficiently. We expect to keep the committee to somewhere between 15-18 members. We believe this is an appropriate number to allow significantly affected parties to be represented, without making the committee so large as to be unmanageable and potentially unsuccessful. We therefore encourage organizations and groups to work together to nominate someone that would represent a coalition of organizations or groups. The meetings will be open to the public.

If no adverse comments are received, no further activity is contemplated. If EPA receives adverse comments, the direct final rule will be withdrawn and all public comments received will be addressed in a subsequent final rule based on this proposed rule. Approval and Promulgation of State Implementation Plans; California State Implementation Plan Revision, Modoc County Air Pollution Control District, Siskiyou County Air Pollution Control District, Tehama County Air Pollution Control District, and Tuolumne County Air Pollution Control District

AGENCY: Environmental Protection Agency (EPA).

ACTION: Proposed rule.

SUMMARY: EPA is approving revisions to the California State Implementation Plan (SIP). This action is an administrative change which revises the definitions in Modoc County Air Pollution Control District (MCAPCD), Siskiyou County Air Pollution Control District (SCAPCD), Tehama County Air Pollution Control District (TCAPCD), and Tuolumne County Air Pollution Control District (TUCAPCD).

The intended effect of approving this action is to incorporate changes to the definitions for clarity and consistency and to update the Exempt Compound list in TCAPCD definition's rule to be consistent with the revised federal and state VOC definitions. EPA is proposing approval of these revisions to be incorporated into the California SIP for the attainment of the national ambient air quality standards (NAAQS) under title I of the Clean Air Act (CAA or the Act). In the Final Rules section of this **Federal Register**, the EPA is approving the state's SIP submittal as a direct final rule without prior proposal because the Agency views this as a noncontroversial revision and anticipates no adverse comments. A detailed rationale for this approval is set forth in the direct final rule. If no adverse comments are

received, no further activity is contemplated. If EPA receives adverse comments, the direct final rule will be withdrawn and all public comments received will be addressed in a subsequent final rule based on this proposed rule. The EPA will not institute a second comment period. Any parties interested in commenting should do so at this time.

DATES: Written comments must be received by July 30, 1999.

ADDRESSES: Comments should be addressed to: Andrew Steckel, Chief, Rulemaking Office (AIR-4), Air Division, U.S. Environmental Protection Agency, Region IX, 75 Hawthorne Street, San Francisco, CA 94105-3901.
