

Opinion No. 18 issued November 12, 1997, in Docket No. RP97-149-002.

Questar states that on May 28, 1999, it received a \$56,936 refund from GRI, representing an overcollection of the 1998 GRI Tier 1 funding target level set for Questar by GRI. Questar states that on June 11, 1999, in compliance with Opinion No. 418, it sent the GRI Tier 1 refund, pro rata, to it eligible firm shippers who received nondiscounted transportation service during 1998. Questar further states the GRI refund was exclusive of interest.

Questar further states that a copy of the refund report has been served upon its affected transportation customers who received a refund and the Public Service Commission of Utah and the Wyoming Public Service Commission.

Any person desiring to be heard or to protest said filing should file a motion to intervene or a protest with the Federal Energy Regulatory Commission, 888 First Street, NE, Washington, DC 20426, in accordance with sections 385.214 or 385.211 of the Commission's Rules and Regulations. All such motions or protests must be filed on or before July 7, 1999. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceedings. Any person wishing to become a party must file a motion to intervene. Copies of this filing are on file with the Commission and are available for public inspection in the Public Reference Room. This filing may be viewed on the web at <http://www.ferc.fed.us/online/rims.htm> (call 202-208-2222 for assistance).

[Docket No. EG99-171-000, et al.]

Woodstock Hills, LLC, et al.; Electric Rate and Corporate Regulation Filings

June 28, 1999.

Take notice that the following filings have been made with the Commission:

1. Woodstock Hills LLC

[Docket No. EG99-171-000]

Take notice that on June 18, 1999, Woodstock Hills LLC (Woodstock), 475 E. 4th Street, Cottonwood, Minnesota 56229, tendered for filing with the Federal Energy Regulatory Commission an application for determination of exempt wholesale generator status pursuant to Part 365 of the Commission's Regulations. Also take notice that on June 21, 1999, Woodstock tendered for filing in the above referenced proceeding a signed copy of the Certificate of Mailing.

Woodstock will own and operate an approximate 10.2 megawatt windpowered electric generation facility (Facility) in Woodstock, Minnesota. Woodstock will sell the electric output of the Facility exclusively at wholesale. The Facility will be located in proximity to the transmission facilities of Northern States Power Company, and the Facility will include only those interconnecting transmission facilities necessary to effect sales of electric energy at wholesale.

Comment date: July 8, 1999, in accordance with Standard Paragraph E at the end of this notice. The Commission will limit its consideration of comments to those that concern the adequacy or accuracy of the application.

2. HL Power Company Limited Partnership

[Docket No. EC99-89-000]

Take notice that on June 22, 1999, HL Power Company Limited Partnership

(HLP), a California limited partnership, tendered for filing an application, pursuant to 18 CFR part 33, seeking authority under Section 203 of the Federal Power Act for the Sale of (i) a 60 KV electric transmission line used to deliver electric energy from the Honey Lake small power production facility, located in Lassen County, California, to a substation known as the Milwood Substation and (ii) the Milwood Substation, which includes various items of interconnection equipment and the parcel of real property upon which such equipment is located, all of which was constructed and is currently owned by HLP to Lassen County Municipal Utility District.

HLP has requested expedited consideration of the application in light of the fact that no changes in the rates charged by HLP will occur and that there will be no impact on the relevant competitive markets.

Comment date: July 22, 1999, in accordance with Standard Paragraph E at the end of this notice.

3. West Texas Renewables Limited Partnership

[Docket No. EG99-172-000]

Take notice that on June 18, 1999, West Texas Renewables Limited Partnership, a limited partnership formed under the laws of the State of Delaware, filed with the Federal Energy Regulatory Commission (the Commission) an application for determination of exempt wholesale generator status. West Texas Renewables Limited Partnership will be engaged directly and exclusively in the business of owning and operating a 6.6 MW wind generation facility (the Project) located in Howard County, Texas which will be an eligibility facility within the meaning of section 32(a)(2) of the Public Utility Holding Company Act of 1935, as amended. All of the electricity produced by the Project will be sold at wholesale to the Texas Utilities Electric Company, a Texas corporation (TU Electric) pursuant to a long-term contract.

Comment date: July 8, 1999, in accordance with Standard Paragraph E at the end of this notice. The Commission will limit its consideration of comments to those that concern the adequacy or accuracy of the application.

4. Public Service Company of New Mexico

[Docket Nos. ER96-1551-005, OA96-202-000 and OA96-202-002]
