[Docket No. GT99-53-000]

Southern Natural Gas Company; Refund Report

June 30, 1999.

Take notice that on June 25, 1999 Southern Natural Gas Company (Southern) tendered for filing a Refund Report reflecting its refund of certain amounts to its eligible firm shippers. These amounts represent a flow-through of refunds received from the Gas Research Institute (GRI).

The report states that Southern refunded \$2,694,294 to its eligible shippers on June 11, 1999, which represents the amount received from GRI as required by the Commission's Order dated February 22, 1995.

Any person desiring to be heard or to protest said filing should file a motion to intervene or a protest with the Federal Energy Regulatory Commission, 888 First Street, N.E., Washington, D.C. 20426, in accordance with Sections 385.214 or 385.211 of the Commission's Rules and Regulations. All such motions or protests must be filed on or before July 8, 1999. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceedings. Any person wishing to become a party must file a motion to intervene. Copies of this filing are on file with the Commission and are available for public inspection in the Public Reference Room. This filing may be viewed on the web at <http://www.ferc.fed.us/online/rims.htm> (call 202-208-2222 for assistance).

Steuben Gas Storage Company; Request for Waiver

June 30, 1999.

Take notice that on June 4, 1999, Steuben Gas Storage Company (Steuben) tendered for filing a request to waive the interactive web site requirements set forth in Commission Order Nos. 587-G and 587-I. Steuben states that its three firm customers are all Part 157 customers, and have not expressed interest in carrying out transactions through the Internet. In the alternative, Steuben requests an extension of time to implement the interactive web site requirements until a Part 284 customer requests that Steuben offer transactions via its web site.

Steuben states that copies of its filing have been served upon each person designated on the official service list compiled by the Secretary of the Commission.

Any person desiring to protest this filing should file a protest with the Federal Energy Regulatory Commission, 888 First Street, N.E., Washington, D.C. 20426, in accordance with Section 385.211 of the Commission's Rules and Regulations. All such protests must be filed on or before July 8, 1999. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceedings. Viking Gas Transmission Company; Filing

June 30, 1999.

Take notice that on June 1, 1999, Viking Gas Transmission Company (Viking) filed for an extension of

implementation dates for computer-related capacity release GISB standards.

Viking requests the Commission to grant Viking an extension of time to June 1, 2000, to implement the computer-related capacity release GISB standards. Viking says it needs additional time to test and to implement its capacity release computer components. Viking further requests temporary waiver until June 1, 2000, to comply with all other computer-related GISB standards.

Any person desiring to protest said filing should file a protest with the Federal Energy Regulatory Commission, 888 First Street, NE, Washington, DC 20426, in accordance with Section 385.211 of the Commission's Rules and Regulations. - g. Filed Pursuant to: Federal Power Act 16 U.S.C. 791(a)-825(r).
- h. Applicant Contact: Ms. Patricia Altaffer-Pina, Aces Wild Farm, 59 Parsonage Road, Plympton, Massachusetts 02367, (781) 585-3243.
- i. FERC Contact: Michael Spencer, Michael.Spencer@FERC.fed.us, (202) 219-2846.
- j. Deadline for filing motions to intervene and protest: 60 days from the issuance date of this notice.

All documents (original and eight copies) should be filed with: David P. Boergers, Secretary, Federal Energy Regulatory Commission, 888 First Street, NE, Washington, DC 20426.

The Commission's Rules and Practice and Procedure require all intervenors filing documents with the Commission to serve a copy of that document on each person whose name appears on the official service list for the project. Further, if an intervenor files comments or documents with the Commission relating to the merits of an issue that may affect the responsibilities of a particular resource agency, they must also serve a copy of the document on that resource agency.

k. Description of Project: The proposed project would consist of the following: (1) an existing 10-foot-high, 150-foot-long rockfill dam; (2) a pond with a surface area of 7 acres and a gross storage of 1.9 million cubic feet; (3) an 18-inch-diameter, 12-foot-long penstock; (4) a powerhouse containing two generating units with a combined capacity of 5,000 kW and an estimated average annual generation of 26 GWh; (5) a concrete pad tailrace from the powerhouse to the Winnetuxet River; and (6) a 400-foot-long transmission line. The dam is owned by the Town of Plympton, at address P.O. Box 97 Plympton, MA 02367.

l. Locations of the application: A copy of the application is available for inspection and reproduction at the Commission's Public Reference and Files Maintenance Branch, located at 888 First Street, N.E., Room 2A, Washington, D.C. 20426, or by calling (202) 219-1371. The application may be viewed on the web at <http://www.ferc.fed.us/online/rims.htm> (call (202) 208-2222 for assistance). A copy is also available for inspection and reproduction at the address in the item h above.

Preliminary Permit—Anyone desiring to file a competing application for preliminary permit for a proposed project must submit the competing application itself, or a notice of intent to file such an application, to the Commission on or before the specified comment date for the particular application (see 18 CFR 4.36). Submission of a timely notice of intent allows an interested person to file the competing preliminary permit application no later than 30 days after the specified comment date for the particular application. A competing preliminary permit application must conform with 18 CFR 4.30(b) and 4.36.

Preliminary Permit—Any qualified development applicant desiring to file a competing development application must submit to the Commission, on or before a specified comment date for the particular application, either a competing development application or a notice of intent to file such an

application. Submission of a timely notice of intent to file a development application allows an interested person to file the competing application no later than 120 days after the specified comment date for the particular application. A competing license application must conform with 18 CFR 4.30(b) and 4.36.

Notice of intent—A notice of intent must specify the exact name, business address, and telephone number of the prospective applicant, and must include an unequivocal statement of intent to submit, if such an application may be filed, either a preliminary permit application or a development application (specify which type of application). A notice of intent must be served on the applicant(s) named in this public notice.

Proposed Scope of Studies under Permit—A preliminary permit, if issued, does not authorize construction. The term of the proposed preliminary permit would be 36 months. The work proposed under the preliminary permit would include economic analysis, preparation of preliminary engineering plans, and a study of environmental impacts. Based on the results of these studies, the Applicant would decide whether to proceed with the preparation of a development application to construct and operate the project.

Comments, Protests, or Motions to Intervene—Anyone may submit comments, a protest, or a motion to intervene in accordance with the requirements of Rules of Practice and Procedure, 18 CFR 385.210, 211, 214. In determining the appropriate action to take, the Commission will consider all protests or other comments filed, but only those who file a motion to intervene in accordance with the Commission's Rules may become a party to the proceeding. Any comments, protests, or motions to intervene must be received on or before the specified comment date for the particular application.

Filing and Service of Responsive Documents—Any filings must bear in all capital letters the title "COMMENTS", "NOTICE OF INTENT TO FILE COMPETING APPLICATION", "COMPETING APPLICATION", "PROTEST", "MOTION TO INTERVENE", as applicable, and the Project Number of the particular application to which the filing refers. Any of the above-named documents must be filed by providing the original and the number of copies provided by the Commission's regulations to: The Secretary, Federal Energy Regulatory Commission, 888 First Street, N.E., Washington, D.C. 20426.
