[Docket No. CP98-702-001]

Natural Gas Pipeline Company of America; Amended Application

July 8, 1999.

Take notice that on July 2, 1999, Natural Gas Pipeline Company of America (Natural), 747 E. 22nd Street, Lombard, IL 60148, filed an amendment to its application in Docket No. CP98-702-000 pursuant to Subpart A of part 157 of the Commission's Regulations. Natural is amending its original application to provide additional information.

On July 29, 1998, Natural filed under Section 7(b) to abandon by sale to MidCon Texas Pipeline Operator (an intrastate pipeline affiliate), the Sejita Lateral located in Duval and Jim Wells Counties, Texas. On February 1, 1999, the Commission issued an order approving Natural's abandonment of the Sejita Lateral by transfer to MidCon.¹ However, the Order found that MidCon's ownership and operation of the lateral would be subject to the Commission's jurisdiction. On March 3, 1999, Natural filed an Application for Rehearing and Request for Reconsideration.

In this filing Natural withdraws its request for rehearing and supplements its earlier abandonment application. Natural states that it has signed a letter of intent with PG&E Texas Pipeline, L.P., which contemplates the interconnection of the Sejita Lateral with another intrastate pipeline company and the processing of the lateral's volumes at a third party plant. Under this arrangement, all of the volumes currently flowing in the lateral would be diverted for processing and equivalent volumes would be redelivered on behalf of MidCon and its shippers to an existing interconnection with the other intrastate pipeline and Natural. Natural believes that this arrangement provides sufficient basis for a determination by the Commission that the Sejita Lateral will be non-jurisdictional after transfer to MidCon.

and request such as an order in this filing.

This proposal to amend is on file with the Commission and open to public inspection. This filing may be viewed on the web at <http://www.ferc.us/online/rims.htm>. Call 202-208-2222 for assistance. The contact person for Natural is Jansen C. Pollock (630) 691-3536.

Any person desiring to be heard or to make any protest with reference to said application should on or before July 29, 1999, file with the Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC 20426, a motion to intervene or a protest in accordance with the requirements of the Commission's Rules of Practice and Procedure (18 CFR 385.214 and 385.211) and the regulations under the Natural Gas Act (18 CFR 157.20). All protests filed with the Commission will be considered by it in determining the appropriate action to be taken but will not serve to make the protestants parties to the proceeding. Any person wishing to become a party to a proceeding or to participate as a party in any hearing therein must file a motion to intervene in accordance with the Commission's Rules.

Take further notice that, pursuant to the authority contained in and subject to the jurisdiction conferred upon the Federal Energy Regulatory Commission by Sections 7 and 15 of the Natural Gas Act and the Commission's Rules of Practice and Procedure, a hearing will be held without further notice before the Commission or its designee on this application if no motion to intervene is filed within the time required herein, and if the Commission on its own review of the matter finds that a grant of certificate is required by the public convenience and necessity. If a motion for leave to intervene is timely filed, or if the Commission on its own believes that a formal hearing is required, further notice of such hearing will be duly given.

Under the procedure herein provided for, unless otherwise advised, it will be unnecessary for Natural to appear or be represented at the hearing.

David P. Boergers,
Secretary.
