Duke Energy Field Services Inc.; Notice of Petition for Declaratory Order

July 20, 1999.

Take notice that, on July 13, 1999, Duke Energy Field Services Inc. (Duke) 370 Seventeenth Street, Suite 900,

Denver, Colorado 80202, filed a petition pursuant to Section 1(b) of the Natural Gas Act (NGA), and Rule 207 of the Commission's Rules of Practice and Procedure (18 CFR 385.207). Duke requests a declaratory order finding that its proposed acquisition of certain facilities currently owned by Texas Eastern Transmission Corporation (Tetco) will not subject Duke to the jurisdiction of the Federal Energy Regulatory Commission under the provisions of the natural Gas Act. All of this is more fully set forth in the application, which is one file with the Commission and open to public inspection. The application may also be viewed on the web at www.ferc.fed.us. Call (202) 208-2222 for assistance.

The name address, and telephone number of the person to whom correspondence and communications concerning this petition should be addressed is: David E. Williams, Senior Attorney, Duke Energy Field Services, Inc. 370 17th Street—Suite 900, Denver, Colorado 80202, (303) 595-3331.

The facilities which Duke hopes to purchase include Tetco's Kenedy Ranch, Humble-Sarita and Bennett Ranch pipelines located in Kenedy, Brooks and Jim Hogg Counties, Texas. Duke states that it will use the facilities for gathering and will arrange for the purchase of production currently attached to the laterals, or in the alternative will enter into gas gathering agreements with no adverse rate impact for producers and shippers currently using the line.

Any person desiring to be heard or make any protest with reference to said application should on or before August 20, 1999, file with the Federal Energy Regulatory Commission, 888 First Street, NE, Washington DC 20426, a motion to intervene or a protest in accordance with the requirements of the Commission's Rules of Practice and Procedure (18 CFR 385.214 or 385.211) and the regulations under the Natural Gas Act (18 CFR 157.10). All protests filed with the Commission will be considered by it in determining the appropriate action to be taken but will not serve to make the Protesters parties to the proceeding. Any person wishing to become a party to a proceeding or to participate as a party in any hearing therein must file a motion to intervene in accordance with the Commission's Rules.

Take further notice that, pursuant to the authority contained in and subject to the jurisdiction conferred upon the Federal Energy Regulatory Commission by Sections 7 and 15 of the Natural Gas Act and the Commission's Rules of Practice and Procedure, a hearing will

be held without further notice before the Commission or its designee on this application if no motion to intervene is filed within the time required, or if the Commission on its own review of the matter finds that a grant of the certificate is required by the public convenience and necessity. If a motion for leave to intervene is timely filed, or if the Commission on its own motion believes that a formal hearing is required, further notice of such hearing will be duly given.

Under the procedure herein provided for, unless otherwise advised, it will be unnecessary for the Duke to appear or be represented at the hearing.

Koch Gateway Pipeline Company; Tariff Filing

July 20, 1999.

Take notice that on July 16, 1999, Koch Gateway Pipeline Company (Koch) tendered for filing as part of its FERC Gas Tariff, Fifth Revised Volume No. 1, the following tariff sheets, to become effective August 1, 1999:

Twenty-eighth Revised Sheet No. 20
Twenty-fifth Revised Sheet No. 21
Twenty-sixth Revised Sheet No. 22
Twenty-eighth Revised Sheet No. 24
First Revised Sheet No. 24A

Koch states that the purpose of this filing is to place the rates into effect related to the Offer of Settlement and Stipulation and Agreement resolving all aspects of Koch's costs of service and rate design in Docket No. RP99-111 which was approved by an Order issued July 14, 1999.

Koch also states that it has served copies of the instant filing upon each affected customer, interested state commissions, and other parties.

Any person desiring to protest this filing should file a protest with the Federal Energy Regulatory Commission, 888 First Street, NE, Washington, DC 20426, in accordance with Section 385.211 of the Commission's Rules and Regulations. All such protests must be filed as provided in Section 154.210 of the Commission's Regulations. [Docket No. CP99-583-000]

Portland Natural Gas Transmission System; Notice of Request Under Blanket Authorization

July 20, 1999.

Take notice that on July 14, 1999, Portland Natural Gas Transmission System (Portland Natural Gas), One Harbour Place, Portsmouth, New Hampshire 03801, filed in Docket No. CP99-583-000 a request pursuant to Sections 157.205 and 157.211 of the Commission's Regulations under the Natural Gas Act (18 CFR 157.205 and 157.211) for authorization to add a delivery point near mile post 0.48 on the Newington lateral, for G-P Gypsum Corporation (G-P Gypsum) in Newington, New Hampshire. Portland Natural Gas makes such request under its blanket certificate issued in Docket No. CP96-249-000 pursuant to Section 7 of the Natural Gas Act, all as more fully set forth in the request on file with the Commission. The filing may be viewed on the web at <http://www.ferc.fed.us/online/rims.htm> (call 202-208-2222 for assistance).

Communications concerning this filing should be addressed to: J. Marc Teixeira, Vice President of Engineering and Operations, Portland Natural Gas Transmission System Operations Co., LLC, 603-427-2410.

Specifically, the proposed facilities will consist of approximately 235 feet of 4-inch pipe and a metering facility, that will extend from the existing tap at the Newington lateral to a meter station to be built by G-P Gypsum, which will house the proposed metering facility. Portland Natural Gas indicates that its tariff does not prohibit the installation of the proposed facilities, and that G-P Gypsum is providing all funding for the facilities required for the proposed delivery point, so there will be no cost to Portland Natural Gas or its existing customers. It is averred that G-P Gypsum, who is presently served by Northern Utilities, Inc., a local distribution company, has constructed for 4,000 Dt of IT service from Portland Natural Gas.
