

What Does This Notice Do?

This notice clarifies the deadline to submit an application for suspension of deportation or special rule cancellation of removal and supporting documentation to complete a NACARA motion to reopen. Initially, the Department established a February 8, 1999, deadline for eligible aliens to submit the application for suspension of deportation or special rule cancellation of removal and all the accompanying documentation in support of the NACARA motion to reopen. See 63 FR 31890, 31895 (June 11, 1998). In the final NACARA motion to reopen rule, the Department extended the deadline to complete a NACARA motion to reopen to 150 days after the rule implementing section 203 of NACARA becomes effective. See 64 FR 13663 (March 22, 1999). The rule implementing section 203 of NACARA was published on May 21, 1999, and the effective date is June 21, 1999. This notice will alert those eligible aliens that the 150-day period to complete the NACARA motion to reopen has started to run.

When Is the Deadline to Complete a NACARA Motion To Reopen?

The final motion to reopen rule requires an applicant to submit his or her application and accompanying documentation no later than 150 days after the rule implementing section 203 of NACARA becomes effective. The rule implementing section 203 of NACARA became effective June 21, 1999. Accordingly, all suspension of deportation and special rule cancellation of removal applications and accompanying documentation needed to complete a properly filed NACARA motion to reopen must be filed by (150 days from the June 21, 1999, effective date of INS Rule No. 1915-98, RIN 1115-AF14).

Dated: July 15, 1999.
