*Estimated Annual Burden:* 450 hours.

(Please note that this information collection received emergency approval from OMB on July 19, 1999. Emergency consideration was requested due to the time constraints associated with the normal clearance process, which conflicted with OIG's mission of combating fraud waste and abuse of SSA programs. Notice of the emergency request was published in the **Federal Register** on June 21, 1999. SSA plans to conduct eligibility reviews of beneficiaries residing in foreign countries on a scheduled basis and is therefore continuing to seek normal clearance of this collection.)

BILLING CODE 4710-21-P

United States Department of State

Washington, D.C. 20520

JUN 30 1999

Dear Mr. Speaker:

Pursuant to section 36(c) of the Arms Export Control Act, I am transmitting, herewith, certification of a proposed Technical Assistance Agreement for the export of defense articles or defense services sold commercially under a contract in the amount \$50,000,000 or more.

The transaction contained in the attached certification involves the export for manufacture in the United Kingdom, technical information and defense services supporting the Joint United States/United Kingdom, Tracer/Future Scout Combat Support Armored Vehicle Program with a Directed Missile Countermeasure Device as a solution to guided missile threats.

The United States Government is prepared to license the export of these items having taken into account political, military, economic, human rights, and arms control considerations.

More detailed information is contained in the formal certification which, though unclassified, contains business information submitted to the Department of State by the applicant, publication of which could cause competitive harm to the United States firm concerned.

Sincerely,

A handwritten signature in cursive script that reads "Barbara Larkin".
