

to file the competing application no later than 120 days after the specified comment date for the particular application. A competing license application must conform with 18 CFR 4.30(b) and 4.36.

**Notice of intent**—A notice of intent must specify the exact name, business address, and telephone number of the prospective applicant, and must include an unequivocal statement of intent to submit, if such an application may be filed, either a preliminary permit application or a development application (specify which type of application). A notice of intent must be served on the applicant(s) named in this public notice.

**Proposed Scope of Studies under Permit**—A preliminary permit, if issued, does not authorize construction. The term of the proposed preliminary permit would be 36 months. The work proposed under the preliminary permit would include economic analysis, preparation of preliminary engineering plans, and a study of environmental impacts. Based on the results of these studies, the Applicant would decide whether to proceed with the preparation of a development application to construct and operate the project.

**Comments, Protests, or Motions to Intervene**—Anyone may submit comments, a protest, or a motion to intervene in accordance with the requirements of Rules of Practice and Procedure, 18 CFR 385.210, .211, .214. In determining the appropriate action to take, the Commission will consider all protests or other comments filed, but only those who file a motion to intervene in accordance with the Commission's Rules may become a party to the proceeding. Any comments, protests, or motions to intervene must be received on or before the specified comment date for the particular application.

**Filing and Service of Responsive Documents**—Any filings must bear in all capital letters the title "COMMENTS", "NOTICE OF INTENT TO FILE COMPETING APPLICATION", "COMPETING APPLICATION", "PROTEST", "MOTION TO INTERVENE", as applicable, and the Project Number of the particular application to which the filing refers. Any of the above-named documents must be filed by providing the original and the number of copies provided by the Commission's regulations to: The Secretary, Federal Energy Regulatory Commission, 888 First Street, NE, Washington, DC 20426. An additional copy must be sent to Director, Division of Project Review, Federal Energy Regulatory Commission, at the above-

mentioned address. A copy of any notice of intent, competing application or motion to intervene must also be served upon each representative of the Applicant specified in the particular application.

**Agency Comments**—Federal, state, local agencies are invited to file comments on the described application. A copy of any application may be obtained by agencies directly from the Applicant. If an agency does not file comments within the time specified for filing comments, it will be presumed to have no comments. One copy of an agency's comments must also be sent to the Applicant's representatives.

## ENVIRONMENTAL PROTECTION AGENCY

[FRL-6411-5]

### Agency Information Collection Activities: Submission for OMB Review; Comment Request; Criteria for Classification of Solid Waste Disposal Facilities and Practices (RCRA 257)

**AGENCY:** Environmental Protection Agency (EPA).

**ACTION:** Notice.

**SUMMARY:** In compliance with the Paperwork Reduction Act (44 U.S.C. 3501 *et seq.*), this document announces that the following Information Collection Request (ICR) has been forwarded to the Office of Management and Budget (OMB) for review and approval; Criteria for Classification of Solid Waste Disposal Facilities and Practices (RCRA 257), OMB Control Number 2050-0154, expiration date September 30, 1999. The ICR describes the nature of the information collection and its expected cost and burden; where appropriate, it includes the actual data collection instrument.

**DATES:** Comments must be submitted on or before September 1, 1999.

**FOR FURTHER INFORMATION CONTACT:** Sandy Farmer at EPA by phone, (202) 260-2740, by email farmer.sandy@epamail.epa.gov, or download a copy of the ICR off the Internet at <http://www.epa.gov/icr> and refer to EPA ICR No. 1745.03.

#### SUPPLEMENTARY INFORMATION:

**Title:** Criteria for Classification of Solid Waste Disposal Facilities and Practices, (RCRA 257), OMB Control Number 2050-0154; EPA ICR Number 1745.02, expiring on 9/30/99. This is a request for an extension of a currently approved collection.

**Abstract:** 40 CFR part 257—subpart B, as required under the 1984 Hazardous and Solid Waste Amendments (HSWA) to RCRA, established specific Criteria

and reporting and recordkeeping provisions for owners and operators of non-municipal non-hazardous waste disposal units that receive CESQG hazardous wastes. The information collected, as a result of this rule, is used by States to regulate and ensure that non-municipal non-hazardous waste disposal units that receive CESQG hazardous wastes are complying with the final revisions contained in this rule. The information needs to be collected to ensure that States effectively implement and enforce this rule on a State level. The information to be collected is mandatory and must be submitted on an occasional basis. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number. The OMB control number for EPA's regulations are listed in 40 CFR part 9 and 48 CFR Chapter 15. The **Federal Register** Notice required under 5 CFR 1320.8(d), soliciting comments on this collection of information was published on March 15, 1999 (64 FR 12803). No comments were received.

**Burden Statement:** The annual public reporting and recordkeeping burden for this collection of information is estimated to average 67 hours per response. Burden means the total time, effort, or financial resources expended by persons to generate, maintain, retain, or disclose or provide information to or for a Federal agency. This includes the time needed to review instructions; develop, acquire, install, and utilize technology and systems for the purposes of collecting, validating, and verifying information, precessing and maintaining information, and disclosing and providing information; adjust the existing ways to comply with any previously applicable instructions and requirements; train personnel to be able to respond to a collection of information; search data sources; complete and review the collection of information; and transmit or otherwise disclose the information.

**Respondents/Affected Entities:** State, Local, or Tribal Governments, Business.  
**Estimated Number of Respondents:** 164.

**Frequency of Response:** On Occasion.  
**Estimated Total Annual Hour Burden:** 10,962 hours.

**Estimated Total Annualized Cost Burden:** \$0.

Send comments on the Agency's need for this information, the accuracy of the provided burden estimates, and any suggested methods for minimizing respondent burden, including through the use of automated collection techniques to the following address.
