Background

On October 16, 1992, the Department of Commerce suspended antidumping duty investigations on imports of uranium from Kyrgyzstan, Russia, Ukraine, and Uzbekistan (57 FR 49220,

Oct. 30, 1992). On August 30, 1993, the Department of Commerce issued an antidumping duty order on imports of uranium from Ukraine (58 FR 45483). The Commission is conducting reviews to determine whether revocation of the order and termination of the suspended investigations would be likely to lead to continuation or recurrence of material injury to the domestic industry within a reasonably foreseeable time. It will assess the adequacy of interested party responses to this notice of institution to determine whether to conduct full reviews or expedited reviews. The Commission's determinations in any expedited reviews will be based on the facts available, which may include information provided in response to this notice.

In its original final determination concerning Ukraine, the Commission defined the Domestic Industry as producers of uranium, including uranium concentrate producers, natural uranium hexafluoride converters, the U.S. Enrichment Corporation, and fuel fabricators. Certain Commissioners defined the Domestic Industry differently.

(5) The *Order Dates* are the dates that the antidumping duty order under review became effective and/or the investigations were suspended. In the reviews concerning the suspended investigations, the Order Date is October 16, 1992. In the review concerning the antidumping duty order, the Order Date is August 30, 1993.
