

#### 4. Virginia Scrap Iron and Metal Company, Inc.

These four parties collectively have agreed to pay \$10,341.37 to the Hazardous Substances Trust Fund subject to the contingency that EPA may elect not to complete the settlement if comments received from the public during this comment period disclose facts or considerations which indicate the proposed settlement is inappropriate, improper, or inadequate. Monies collected from the *de minimis* parties will be applied towards past response costs incurred at or in connection with the Site. Out of such amount \$937.90 will be paid directly to the Department of Interior for natural resources damages. The settlement includes a premium to cover the risk of cost overruns or increased costs to address conditions at the Site previously unknown to EPA but discovered after the effective date of the Consent Order. EPA is entering into this agreement under the authority of sections 107 and 122(g) of CERCLA, 42 U.S.C. 9607 and 9622(g). Section 122(g) authorizes early settlements with *de minimis* parties to allow them to resolve their liabilities at Superfund Sites without incurring substantial transaction costs. Under this authority, EPA proposes to settle with potentially responsible parties in connection with the C&R Battery Company, Inc. Superfund Site, each of whom is responsible for less than one percent of the volume of hazardous substance disposed of at the Site. The grant of a covenant not to sue for natural resources damages by the Department of Interior to those parties paying their share of such allocated costs is subject to agreement in writing by the Department of Interior pursuant to section 122(j) of CERCLA, 42 U.S.C. 9622(j). EPA issued a draft settlement proposal to the *de minimis* parties on September 4, 1998 and invited comments and challenges to the volumetric ranking. By September 23, 1998 the *de minimis* parties submitted executed certifications to the draft settlement proposal and did not elect to comment on either the draft proposal or the volumetric ranking summary.

The Environmental Protection Agency will receive written comments relating to this Agreement for thirty (30) days from the date of publication of this Notice. A copy of the proposed Administrative Order on Consent can be obtained from the Environmental Protection Agency, Region III, Office of Regional Counsel, 1650 Arch Street, Philadelphia, Pennsylvania, 19103 by
