

authority to implement other innovative number conservation methods.

The Public Service Commission of Wisconsin ("PSCW") has filed a request for additional delegation of authority to implement number conservation methods in their state. See Common Carrier Bureau Seeks Comment on the Public Service Commission of Wisconsin's Petition for Delegation of Additional Authority to Implement Number Conservation Measures, *Public Notice*, NSD File No. L-99-64, DA 99-1555 (rel. August 12, 1999).

The additional authority measures sought by the PSCW relate to issues under consideration in the *Numbering Resource Optimization Notice*. Numbering Resource Optimization, *Notice of Proposed Rulemaking*, CC Docket No. 99-200, FCC 99-122 (rel. June 2, 1999), 64 FR 32471. Because the PSCW faces immediate concerns regarding the administration of number resources in Wisconsin, we find it to be in the public interest to address this petition as expeditiously as possible, prior to completing the rulemaking proceeding.

We hereby seek comment on the issues raised in the PSCW's petition for delegated authority to implement various area code conservation measures. A copy of this petition will be available during regular business hours at the FCC Reference Center, Portals II, 445 12th Street, SW, Suite CY-A257, Washington, DC 20554, (202) 418-0267.

Interested parties may file comments concerning these matters on or before September 13, 1999. All filings must reference NSD File Number L-99-64 and CC Docket 96-98. Send an original and four copies to the Commission Secretary, Magalie Roman Salas, Portals II, 445 12th Street, SW, Suite TW-A325, Washington, DC 20554 and two copies to Al McCloud, Network Services Division, Portals II, 445 12th Street, SW, Suite 6A-320, Washington, DC 20554.

Comments may be filed using the Commission's Electronic Comment Filing System (ECFS) or by filing paper copies. Comments filed through the ECFS can be sent as an electronic file via the Internet to <<http://www.fcc.gov/e-file/ecfs.html>>. Generally, only one copy of an electronic submission must be filed. If multiple docket or rulemaking numbers appear in the caption of this proceeding, however, commenters must transmit one electronic copy of the comments to each docket or rulemaking number referenced in the caption. In completing the transmittal screen, commenters should include their full name, Postal Service mailing address, and the applicable docket or rulemaking

number. Parties may also submit an electronic comment by Internet e-mail. To get filing instructions for e-mail comments, commenters should send an e-mail to ecfs@fcc.gov, including "get form <your e-mail address>" in the body of the message. A sample form and directions will be sent in reply. Comments may be filed using the Commission's Electronic Comment Filing System (ECFS) or by filing paper copies.

This is a "permit but disclose" proceeding for purposes of the Commission's *ex parte* rules. See generally 47 CFR 1.1200-1.1216. As a "permit but disclose" proceeding, *ex parte* presentations will be governed by the procedures set forth in 1.1206 of the Commission's rules applicable to non-restricted proceedings. 47 CFR 1.1206.

Parties making oral *ex parte* presentations are reminded that memoranda summarizing the presentation must contain a summary of the substance of the presentation and not merely a listing of the subjects discussed. Other rules pertaining to oral and written presentations are set forth in 1.1206(b) as well.
