#### Federal Communications Commission

*OMB Control No.:* 3060-0855.

*Expiration Date:* 01/31/2000.

*Title:* Telecommunications Reporting Worksheet and Associated

Requirements—CC Docket No. 98-171.

*Form No.:* FCC Forms 499-A and 499-S.

*Respondents:* Business or other for-profit.

*Estimated Annual Burden:* 5500 respondents; 7.27 hours per response (avg.); 40,000 total annual burden hours for all collections.

*Estimated Annual Reporting and Recordkeeping Cost Burden:* \$9,000,000.

*Frequency of Response:* Annually; Semi-annually; On occasion; Third Party Disclosure; Recordkeeping.

*Description:* In a Report and Order issued in CC Docket No. 98-171,

released July 14, 1999, the Commission simplified and consolidated four Commission reporting requirements so that carriers need only file one worksheet to satisfy the contributor reporting requirements associated with: the universal service support mechanisms; telecommunications relay services; cost recovery mechanism for numbering administration; and cost recovery mechanism for shared costs of long-term number portability. Reporting Requirement: All contributors to the Federal telecommunications relay service, numbering administration, long-term portability, and universal service support mechanisms (except certain non-common carrier telecommunications service providers meeting the universal service de minimis exemption) must file the April version of the Telecommunications Reporting Worksheet, FCC Form 499-A on April 1 of each year. (No. of respondents: 3500; hours per response: 8 hours; total annual burden: 28,000 hours). All contributors to the universal service support mechanisms, except those that fall within the Commission's de minimis exemption, must file a streamlined version of the Telecommunications Reporting Worksheet (FCC Form 499-S) on September 1 of each year. The first filing of the FCC Form 499-S is due September 1, 1999. (No. of respondents: 2000; hours per response: 5.5 hours; total annual burden: 11,000 hours). The forms (i.e., FCC Form 499-A and 499-S) and instructions may be downloaded from the Commission's Forms Web Page ([www.fcc.gov/formpage.html](http://www.fcc.gov/formpage.html)). Copies also may be obtained by calling the fax-on-demand line at (202) 481-2830. The retrieval number for the FCC 499-A form is 004992; the retrieval number for the FCC 499-S form is 004991. Copies of the forms may also be obtained from USAC at (973) 560-4400. Recordkeeping Requirements: Small common carriers and small pay telephone providers must complete the table contained in Figure 2 of FCC Form 499 to determine whether they meet the de minimis standard and need not file the form on September 1. Small shared tenant service providers and small private carriers should complete the table in Figure 2 to determine whether they meet the de minimis standard and need not file the worksheet on either September 1 or April 1. Telecommunications providers that do not file because they are de minimis should retain figure 2 and documentation of their contribution base revenues for 3 calendar years after the date each worksheet is due. Carriers

that provide carriers' carrier services must have documented procedures to ensure that it reports as revenues from resellers only revenues from entities that reasonably would be expected to contribute to support universal service. These procedures include, but are not limited to, maintaining the following information on resellers: Legal name; address; name of a contact person; and phone number of the contact person. (No. of respondents: 2000; annual burden per respondent: .25 hours; total annual burden: 500 hours). Third Party Disclosure: If a reseller qualified for the de minimis exemption, it must notify its underlying carriers that it is not contributing directly to universal service. (Number of respondents: 2000; annual burden per respondent: .25 hours; total annual burden: 500 hours). The information will be used by the Commission and the administrators to calculate contributions to the universal service support mechanisms, the telecommunications relay services support mechanism, the cost recovery for numbering administration, and the cost recovery for the shared costs of long-term local number portability. Without this collection, the information requested in the Worksheet would not be otherwise available. The Commission could not determine contributions to the above-mentioned, Congressionally-mandated support and cost recovery mechanisms and, therefore, could not fulfill its statutory responsibilities in accordance with the Communications Act of 1934, as amended. In addition, the information collection will be used by carriers to satisfy their obligation under section 413 of the Act of file information concerning their designated agent for service of process. Obligation to comply: Mandatory.

*Form No.:* N/A.

*Respondents:* Business or other for-profit.

*Estimated Annual Burden:* 81 respondents; 15.2 hours per response (avg.); 1233 total annual burden hours for all collections.

*Estimated Annual Reporting and Recordkeeping Cost Burden:* \$0.

*Frequency of Response:* Monthly; Annually.

*Description:* The Commission will adopt a framework to be used in estimating costs and computing federal support to enable reasonable comparability of rates for non-rural
