COMMISSION****[Investigation No. 731-TA-377 (Review)]****Internal Combustion Industrial Forklift
Trucks From Japan****AGENCY:** United States International Trade Commission.**ACTION:** Scheduling of a full five-year review concerning the antidumping duty order on internal combustion industrial forklift trucks from Japan.

SUMMARY: The Commission hereby gives notice of the scheduling of a full review pursuant to section 751(c)(5) of the Tariff Act of 1930 (19 U.S.C. 1675(c)(5)) (the Act) to determine whether revocation of the antidumping duty order on internal combustion industrial forklift trucks from Japan would be likely to lead to continuation or recurrence of material injury. For further information concerning the conduct of this review and rules of general application, consult the Commission's rules of practice and procedure, part 201, subparts A through E (19 CFR part 201), and part 207, subparts A, D, E, and F (19 CFR part 207). Recent amendments to the rules of practice and procedure pertinent to five-year reviews, including the text of subpart F of part 207, are published at 63 FR 30599, June 5, 1998, and may be downloaded from the Commission's World Wide Web site at <http://www.usitc.gov/rules.htm>.

EFFECTIVE DATE: August 23, 1999.

Persons with mobility impairments who will need special assistance in gaining access to the Commission should contact the Office of the Secretary at 202-205-2000. General information concerning the Commission may also be obtained by accessing its internet server (<http://www.usitc.gov>).

SUPPLEMENTARY INFORMATION:**Background**

On July 2, 1999, the Commission determined that responses to its notice of institution of the subject five-year review were such that a full review pursuant to section 751(c)(5) of the Act should proceed (64 FR 38475, July 16, 1999). A record of the Commissioners' votes, the Commission's statement on

adequacy, and any individual Commissioner's statements will be available from the Office of the Secretary and at the Commission's web site.

Participation in the Review and Public Service List

Persons, including industrial users of the subject merchandise and, if the merchandise is sold at the retail level, representative consumer organizations, wishing to participate in this review as parties must file an entry of appearance with the Secretary to the Commission, as provided in section 201.11 of the Commission's rules, by 45 days after publication of this notice. A party that filed a notice of appearance following publication of the Commission's notice of institution of the review need not file an additional notice of appearance. The Secretary will maintain a public service list containing the names and addresses of all persons, or their representatives, who are parties to the review.

**Limited Disclosure of Business
Proprietary Information (BPI) Under an
Administrative Protective Order (APO)
and BPI Service List**

Pursuant to § 207.7(a) of the Commission's rules, the Secretary will make BPI gathered in this review available to authorized applicants under the APO issued in the review, provided that the application is made by 45 days after publication of this notice. Authorized applicants must represent interested parties, as defined by 19 U.S.C. 1677(9), who are parties to the review. A party granted access to BPI following publication of the Commission's notice of institution of the review need not reapply for such access. A separate service list will be maintained by the Secretary for those parties authorized to receive BPI under the APO.

Staff Report

The prehearing staff report in the review will be placed in the nonpublic record on January 4, 2000, and a public version will be issued thereafter, pursuant to § 207.64 of the Commission's rules.

Hearing

The Commission will hold a hearing in connection with the review beginning at 9:30 a.m. on January 25, 2000, at the U.S. International Trade Commission Building. Requests to appear at the hearing should be filed in writing with the Secretary to the Commission on or before January 18, 2000. A nonparty who has testimony that may aid the Commission's deliberations may request

permission to present a short statement at the hearing. All parties and nonparties desiring to appear at the hearing and make oral presentations should attend a prehearing conference to be held at 9:30 a.m. on January 21, 2000, at the U.S. International Trade Commission Building. Oral testimony and written materials to be submitted at the public hearing are governed by §§ 201.6(b)(2), 201.13(f), 207.24, and 207.66 of the Commission's rules. Parties must submit any request to present a portion of their hearing testimony in camera no later than 7 days prior to the date of the hearing.

Written Submissions

Each party to the review may submit a prehearing brief to the Commission. Prehearing briefs must conform with the provisions of § 207.65 of the Commission's rules; the deadline for filing is January 13, 2000. Parties may also file written testimony in connection with their presentation at the hearing, as provided in § 207.24 of the Commission's rules, and posthearing briefs, which must conform with the provisions of § 207.67 of the Commission's rules. The deadline for filing posthearing briefs is February 3, 2000; witness testimony must be filed no later than three days before the hearing. In addition, any person who has not entered an appearance as a party to the review may submit a written statement of information pertinent to the subject of the review on or before February 3, 2000. On February 25, 2000, the Commission will make available to parties all information on which they have not had an opportunity to comment. Parties may submit final comments on this information on or before February 29, 2000, but such final comments must not contain new factual information and must otherwise comply with § 207.68 of the Commission's rules. All written submissions must conform with the provisions of § 201.8 of the Commission's rules; any submissions that contain BPI must also conform with the requirements of §§ 201.6, 207.3, and 207.7 of the Commission's rules. The Commission's rules do not authorize filing of submissions with the Secretary by facsimile or electronic means.

In accordance with §§ 201.16(c) and 207.3 of the Commission's rules, each document filed by a party to the review must be served on all other parties to the review (as identified by either the public or BPI service list), and a certificate of service must be timely filed. The Secretary will not accept a document for filing without a certificate of service.

Authority: This review is being conducted under authority of title VII of the Tariff Act of 1930; this notice is published pursuant to § 207.62 of the Commission's rules.

Issued: August 24, 1999.

By order of the Commission.

Donna R. Koehnke,

Secretary.

INTERNATIONAL TRADE COMMISSION

[Investigations Nos. 731-TA-846 through 850 (Preliminary)]

Certain Seamless Carbon and Alloy Steel Standard, Line, and Pressure Pipe from the Czech Republic, Japan, Mexico, Romania, and South Africa

Determinations

On the basis of the record¹ developed in the subject investigations, the United States International Trade Commission determines, pursuant to section 733(a) of the Tariff Act of 1930 (19 U.S.C. 1673b(a)), that there is a reasonable indication that an industry in the United States is materially injured by reason of imports from the Czech Republic, Japan, Romania, and South Africa of small diameter (less than or equal to 4.5 inches in outside diameter) seamless carbon and alloy (other than stainless) steel standard, line, and pressure pipe (including redraw hollows), provided for in subheadings 7304.10.10, 7304.10.50, 7304.31.30, 7304.31.60, 7304.39.00, 7304.51.50, 7304.59.60, and 7304.59.80 of the Harmonized Tariff Schedule of the United States (HTS), that are alleged to be sold in the United States at less than fair value (LTFV). The Commission also determines that there is a reasonable indication that an industry in the United States is materially injured by reason of imports from Japan and Mexico of large diameter (greater than 4.5 inches up to and including 16 inches in outside diameter) seamless carbon and alloy (other than stainless) steel standard, line, and pressure pipe, provided for in subheadings 7304.10.10, 7304.10.50, 7304.39.00, and 7304.59.80 of the HTS, that are alleged to be sold in the United States at LTFV.

Commencement of Final Phase Investigations

Pursuant to § 207.18 of the Commission's rules, the Commission also gives notice of the commencement

of the final phase of its investigations. The Commission will issue a final phase notice of scheduling that will be published in the **Federal Register** as provided in § 207.21 of the Commission's rules upon notice from the Department of Commerce (Commerce) of affirmative preliminary determinations in the investigations under section 733(b) of the Act, or, if the preliminary determinations are negative, upon notice of affirmative final determinations in those investigations under section 735(a) of the Act. Parties that filed entries of appearance in the preliminary phase of these investigations need not enter a separate appearance for the final phase of the investigations. Industrial users and, if the merchandise under investigation is sold at the retail level, representative consumer organizations have the right to appear as parties in Commission antidumping and countervailing duty investigations. The Secretary will prepare a public service list containing the names and addresses of all persons, or their representatives, who are parties to the investigations.

Background

On June 30, 1999, petitions were filed with the Commission and the Department of Commerce by Koppel Steel Corp., Beaver Falls, PA; Sharon Tube Co., Sharon, PA; U.S. Steel Group, Fairfield, AL; USS/Kobe Steel Co., Lorain, OH; and Vision Metals' Gulf States Tube Div., Rosenberg, TX; alleging that an industry in the United States is materially injured or threatened with material injury by reason of LTFV imports of small diameter seamless carbon and alloy steel standard, line, and pressure pipe from the Czech Republic, Japan, Romania, and South Africa; and by reason of LTFV imports of large diameter seamless carbon and alloy steel standard, line, and pressure pipe from Japan and Mexico.² Accordingly, effective June 30, 1999, the Commission instituted antidumping investigations Nos. 731-TA-846 through 850 (Preliminary).

Notice of the institution of the Commission's investigations and of a public conference to be held in connection therewith was given by posting copies of the notice in the Office of the Secretary, U.S. International Trade Commission, Washington, DC, and by publishing the notice in the **Federal Register** of July 8, 1999 (64 FR 36920). The conference was held in

Washington, DC, on July 21, 1999, and all persons who requested the opportunity were permitted to appear in person or by counsel.

The Commission transmitted its determinations in these investigations to the Secretary of Commerce on August 23, 1999. The views of the Commission are contained in USITC Publication 3221 (August 1999), entitled Certain Seamless Carbon and Alloy Steel Standard, Line, and Pressure Pipe from the Czech Republic, Japan, Mexico, Romania, and South Africa: Investigations Nos. 731-TA-846 through 850 (Preliminary).

By order of the Commission.

Issued: August 23, 1999.
