In accordance with section 351.213 of the regulations, an interested party as defined by section 771(9) of the Act may request in writing that the Secretary conduct an administrative review. The Department changed its requirements for requesting reviews for countervailing duty orders. Pursuant to 771(9) of the

Act, an interested party must specify the individual producers or exporters covered by the order or suspension agreement for which they are requesting a review (Department of Commerce Regulations, 62 FR 27295, 27494 (May 19, 1997)). Therefore, for both antidumping and countervailing duty

reviews, the interested party must specify for which individual producers or exporters covered by an antidumping finding or an antidumping or countervailing duty order it is requesting a review, and the requesting party must state why it desires the Secretary to review those particular

producers or exporters. If the interested party intends for the Secretary to review sales of merchandise by an exporter (or a producer if that producer also exports merchandise from other suppliers) which were produced in more than one country of origin and each country of origin is subject to a separate order, then the interested party must state specifically, on an order-by-order basis, which exporter(s) the request is intended to cover.

Seven copies of the request should be submitted to the Assistant Secretary for Import Administration, International Trade Administration, Room 1870, U.S. Department of Commerce, 14th Street & Constitution Avenue, NW., Washington, DC 20230. The Department also asks parties to serve a copy of their requests to the Office of Antidumping/Countervailing Enforcement, Attention: Sheila Forbes, in room 3065 of the main Commerce Building. Further, in accordance with § 351.303(f)(1)(i) of the regulations, a copy of each request must be served on every party on the Department's service list.

The Department will publish in the **Federal Register** a notice of "Initiation of Administrative Review of Antidumping or Countervailing Duty Order, Finding, or Suspended Investigation" for requests received by the last day of September 1999. If the Department does not receive, by the last day of September 1999, a request for review of entries covered by an order, finding, or suspended investigation listed in this notice and for the period identified above, the Department will instruct the Customs Service to assess antidumping or countervailing duties on those entries at a rate equal to the cash deposit of (or bond for) estimated antidumping or countervailing duties required on those entries at the time of entry, or withdrawal from warehouse, for consumption and to continue to collect the cash deposit previously ordered.

This notice is not required by statute but is published as a service to the international trading community.

Dated: September 2, 1999.

Bernard T. Carreau,

Deputy Assistant Secretary for Group II, AD/CVD Enforcement.

Dynamic Random Access Memory Semiconductors of One Megabit or Above (DRAMs) From the Republic of Korea: Postponement of Final Results of Antidumping Duty Administrative Review.

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

ACTION: Extension of time limit for final results of antidumping duty administrative review.

SUMMARY: The Department of Commerce (the Department) is extending the time limit for the final results of the administrative review of the antidumping duty order on DRAMs from the Republic of Korea, covering the period May 1, 1997, through April 30, 1998, since it is not practicable to complete the review within the time limit mandated by section 751(a)(3)(A) of the Tariff Act of 1930, as amended (the Act).

EFFECTIVE DATE: September 9, 1999.

FOR FURTHER INFORMATION: John Conniff, Antidumping Duty and Countervailing Duty Enforcement, Office Four, Group II, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th and Constitution Avenue, NW, Washington DC 20230, telephone 202/482-1009.

SUPPLEMENTARY INFORMATION:

Applicable Statute

Unless otherwise indicated, all citations to the statute are references to the provisions effective January 1, 1995, the effective date of the amendments made to the Act by the Uruguay Round Agreements Act.

In addition, unless stated otherwise, all citations to the Department's regulations are to the current regulations codified at 19 CFR Part 351 (1998).

Background

On June 29, 1998 (63 FR 35188), the Department initiated an administrative review of the antidumping order on DRAMs from the Republic of Korea, covering the period May 1, 1997 through April 30, 1998. On June 8, 1999, the Department published the preliminary determination in this review (64 FR 30481).

Postponement of Final Results of Review

Section 751(a)(3)(A) of the Act requires the Department to make a final

determination within 120 days after the date on which the preliminary determination is published. However, if it is not practicable to complete the review within the time period, section 751(a)(3)(A) allows the Department to extend this time period to 180 days after the date on which the preliminary determination is published.

We determine that it is not practicable to complete the final results of this review within the original time frame because of the complexity of the legal and methodological issues involved in this review (see Memorandum from Bernard T. Carreau, Deputy Assistant Secretary to Richard Moreland, Acting Assistant Secretary, September 1, 1999). Accordingly, the deadline for issuing the final results of this review will be no later than 180 days (December 5, 1999) from the publication of the preliminary determination.

This extension is in accordance with section 751(a)(3)(A) of the Act (19 U.S.C. 1675 (a)(3)(A)).

Dated: September 1, 1999.

Holly A. Kuga,

Acting Deputy Assistant Secretary, AD/CVD Enforcement Group.
