Joint Advisory Committee on Nuclear Weapons Surety; Meeting

ACTION: Notice of advisory committee meeting.

SUMMARY: The Joint Advisory Committee on Nuclear Weapons Surety will conduct a closed session on September 24, 1999 at the Institute for Defense Analyses, Alexandria, Virginia.

The Joint Advisory Committee is charged with advising the Secretaries of Defense and Energy, and the Joint Nuclear Weapons Council on nuclear weapons systems surety matters. At this meeting the Joint Advisory Committee will receive classified briefings on nuclear weapons operations, sustainment, and Department of Defense nuclear readiness.

In accordance with the Federal Advisory Committee Act (Pub. L. 92-463, as amended Title 5, U.S.C. App. II, (1988)), this meeting concerns matters sensitive to the interests of national security, listed in 5 U.S.C. 552b(c)(1) and accordingly this meeting will be closed to the public.

Department of Defense Wages Committee; Notice of Closed Meeting

Pursuant to the provisions of section 10 of Public Law 92-463, the Federal Advisory Committee Act, notice is hereby given that the closed meetings of the Department of Defense Wage Committee will be held on October 5, 1999, October 12, 1999, October 19, 1999, and October 26, 1999, at 10 a.m. in Room A105. The Nash Building 1400 Key Boulevard, Rosslyn, Virginia.

Under the provisions of section 10(d) of Public Law 92-463, the Department of Defense has determined that the meetings meet the criteria to close meetings to the public because the matters to be considered are related to internal rules and practices of the Department of Defense and the detailed wage data to be considered were obtained from officials of private establishments with a guarantee that the data will be held in confidence.

However, members of the public who may wish to do so are invited to submit material in writing the chairman concerning matters believed to be deserving of the Committee's attention.

Additional information concerning the meetings may be obtained by writing to the Chairman, Department of Defense Wage Committee, 4000 Defense Pentagon, Washington DC 20301-4000.

Defense Security Service

Privacy Act of 1974; System of Records

AGENCY: Defense Security Service, DoD.

ACTION: Notice to alter a system of records.

SUMMARY: The Defense Security Service is proposing to consolidate two existing exempt systems of records (V8-01, Industrial Personnel Security Clearance File into V5-03, Case Control Management System (CCMS)) under one notice. This consolidation also requires that the existing exemption rule for V5-03 be altered to add a "(k)(5)" exemption for the records formerly under V8-01.

DATES: This proposed action will be effective without further notice on October 14, 1999, unless comments are received which result in a contrary determination.

ADDRESSES: Send comments to Office of the General Counsel, Defense Security Service, 1340 Braddock Place, Alexandria, VA 22314-1651.

FOR FURTHER INFORMATION CONTACT: Mr. Leslie Blake (703) 325-9450.

SUPPLEMENTARY INFORMATION: The Defense Security Service systems of records notices subject to the Privacy Act of 1974, (5 U.S.C. 552a), as amended, have been published in the **Federal Register** and are available for the address above.

The proposed system report, as required by 5 U.S.C. 552a(r) of the Privacy Act of 1974, as amended, was submitted on August 30, 1999, to the House Committee on Government Reform, the Senate Committee on Governmental Affairs, and the Office of Management and Budget (OMB) pursuant to paragraph 4c of Appendix I to OMB Circular No. A-130, "Federal Agency Responsibilities for Maintaining Records About Individuals," dated February 8, 1996 (February 20, 1996, 61 FR 6427).

Dated: September 8, 1999.

RETENTION AND DISPOSAL:

Delete entry and replace with "File data composed of the Official Reports of Investigation (ROIs) and associated material (clearance applications/forms) on closed investigations completed by DSS are transferred to the Personnel Security Investigative File Automation Subsystem (V5-01) and will be retained for a period corresponding to the retention of investigative files described in V5-01. Clearance data on contractors reflecting the existence of an open case, record of a National Agency Check (NAC) in progress/completed, record of clearance, are entered into the DCII data base and retained for a period corresponding to the retention of DCII files described V5-02. Data pertaining to favorable adjudicative actions on contractors will be retained for 2 years following the termination of employment. Unfavorable adjudicative actions (clearance denied/suspended/revoked) will be retained for 5 years following the termination of the clearance. In cases involving the death of an individual holding a clearance, the clearance data will be retained until the subject would have attained the age of 80 years. Data released in accordance with the Privacy Act or Freedom of Information Act (FOIA) will be retained for 5 years. Historical data (non-personal statistical data on numbers of cases opened/closed, number of leads, types of investigations, number of clearances granted/denied, etc.) will be retained indefinitely."

Paper records are destroyed by burning or shredding; electronic records are deleted."

EXEMPTIONS CLAIMED FOR THE SYSTEM:

Add to the entry "Investigatory material compiled solely for the purpose of determining suitability, eligibility, or qualifications for federal civilian employment, military service, federal contracts, or access to classified information may be exempt pursuant to 5 U.S.C. 552a(k)(5), but only to the extent that such material would reveal the identity of a confidential source."

V5-03

SYSTEM NAME:

Case Control Management System (CCMS).

SYSTEM LOCATION:

Primary location: Defense Security Service, Operation Center-Baltimore, 881 Elkridge Landing Road, Linthicum, MD 21090-2902.

Decentralized locations: Remote terminals processing CCMS data are located at DSS's twelve Operating Locations (OL) and Operation Center-Columbus. Operating Locations addresses can be obtained from the Primary location.

CATEGORIES OF INDIVIDUALS COVERED BY THE SYSTEM:

Any person who is the subject or co-subject of an ongoing or completed Defense Security Service (DSS) investigation to include employees and major stockholders of DoD affiliated government contractors who have been issued, now possess, are, or have been in process for personnel security clearance eligibility determinations.

CATEGORIES OF RECORDS IN THE SYSTEM:

CCMS is composed of investigations conducted by DSS and clearance actions taken for contractors. Information may include investigative assignment records, which may serve as the basis for the investigation, or which serve to guide and facilitate investigative activity; information used to open and conduct the investigation; records on the type of investigation, on the type and number of leads assigned to DSS field elements and leads sent to National Agencies for investigations in progress and the results of those leads received from the National Agencies. The system also identifies the current status of an investigative request (open/closed) and the status of individual leads being conducted, to include

additions to, deletion of or amendment to those leads. The system also consists of records pertaining to clearance information on contractors, which may include name, Social Security Number, case number, date and level of security clearance granted, results of interim or final eligibility determinations, clearance applications, record of clearance, foreign clearance and travel information, clearance processing information, adverse information and other internal and external correspondence and administrative memoranda relative to the clearance.

AUTHORITY FOR MAINTENANCE OF THE SYSTEM:

5 U.S.C. 301, Departmental Regulations; DoD Directive 5105.42, Defense Security Service (32 CFR part 361); DoD Regulation 5200.2, Personnel Security Program (32 CFR part 156); and E.O. 9397 (SSN).

PURPOSE(S):

To determine the existence, location, and status of subject cases; to control workload and prepare statistical reports; to inform federal agencies or requester of the status of on-going investigative or personnel security action request and to manage the granting of interim and final clearances for contractor personnel.

ROUTINE USES OF RECORDS MAINTAINED IN THE SYSTEM, INCLUDING CATEGORIES OF USERS AND THE PURPOSES OF SUCH USES:

In addition to those disclosures generally permitted under 5 U.S.C. 552a(b) of the Privacy Act, these records or information contained therein may specifically be disclosed outside the DoD as a routine use pursuant to 5 U.S.C. 552a(b)(3) as follows:

The 'Blanket Routine Uses' published at the beginning of DSS' compilation of systems of records, notices apply to this system.

POLICIES AND PRACTICES FOR STORING, RETRIEVING, ACCESSING, RETAINING, AND DISPOSING OF RECORDS IN THE SYSTEM:

STORAGE:

CCMS is stored on disk as part of a central database that has a mirrored structure (duplicate file) to provide immediate recovery in case of disk failure. It is regularly backed up onto magnetic tape for storage as a contingency in case of system or disk failure.

RETRIEVABILITY:

CCMS records are retrieved by name or Social Security Number. History file records may also contain a case control number (CCN), which can be used to retrieve records.

SAFEGUARDS:

Generalized validation is provided through online and batch edit criteria that must be honored before an information request or update will occur. Remote terminals must pass through the DSS Firewall or equivalent access controls, both of which have encryption that exceeds the DES standard. All data transfers and information retrievals that use remote communication facilities are encrypted to at least the DES standard. The DSS computer facility housing the CCMS is protected by security guards at all times and access to the computer room is controlled by a combination lock to prevent unauthorized access. Organizations that receive our information and provide responses are responsible for ensuring that only individual's in their organizations who have appropriate authority and need-to-know gain access to CCMS data.

RETENTION AND DISPOSAL:

File data composed of the Official Reports of Investigation (ROIs) and associated material (clearance applications/forms) on closed investigations completed by DSS are transferred to the Personnel Security Investigative File Automation Subsystem (V5-01) and will be retained for a period corresponding to the retention of investigative files described in V5-01. Clearance data on contractors reflecting the existence of an open case, record of a National Agency Check (NAC) in progress/completed, record of clearance, are entered into the DCII data base and retained for a period corresponding to the retention of DCII files described V5-02. Data pertaining to favorable adjudicative actions on contractors will be retained for 2 years following the termination of employment. Unfavorable adjudicative actions (clearance denied/suspended/revoked) will be retained for 5 years following the termination of the clearance. In cases involving the death of an individual holding a clearance, the clearance data will be retained until the subject would have attained the age of 80 years. Data released in accordance with the Privacy Act or Freedom of Information Act (FOIA) will be retained for 5 years. Historical data (non-personal statistical data on numbers of cases opened/closed, number of leads, types of investigations, number of clearances granted/denied, etc.) will be retained indefinitely.

Paper records are destroyed by burning or shredding; electronic records are deleted.

SYSTEM MANAGER(S) AND ADDRESS:
