

properties are thorough and independent.

(1) Each individual seeking to become an FHA approved appraiser must submit Form HUD-92563 "Roster Designation Application" and a copy of the individual's state licensing and/or state certification documentation. HUD has recently established the requirement that each applicant must also pass a HUD/FHA Appraisal Examination.

The HUD-92563 has been modified to reflect the examination requirement. The revised form also requests information on geographic areas of practice. In addition, applicants must certify that they will comply with HUD Handbook 4150.2, Valuation Analysis for Home Mortgage Insurance for Single Family One- to Four-Unit Dwellings, and other directives relating to appraisals and authorize HUD to inspect the appraiser's files. The revised form also sets forth several warnings of possible sanctions for presenting false or fraudulent statements.

(2) Each FHA approved appraiser will conduct an appraisal of FHA-insured, or prospective FHA-insured single family properties, using the Uniform Residential Appraisal Report (URAR), and HUD-92564, Valuation Condition Sheet (VC Sheet).

The appraiser will also prepare for the homebuyer HUD-92564-HS, Homebuyer Summary. This document is a summary of the appraiser's observations of the property visited, including problems rendering the property unacceptable for FHA mortgage insurance.

The lender must also ensure that the prospective homebuyer has received a HUD-92564-CN, a consumer notice explaining the importance of obtaining a home inspection. The name of the buyer has replaced that of the seller in the latest version of this form to avoid confusion.

The estimated number of respondents is approximately 15,000. The estimated number of appraisals per respondent is estimated to be 80 per year.

Agency Form Numbers, if applicable: Forms HUD-92563, HUD-92564-VC, HUD-92564-HS, and HUD-92564-CN.

Privacy Act of 1974; Notice of a Computer Matching Program

AGENCY: Office of the Chief Information Officer, HUD.

ACTION: Notice of a Computer Matching Program—HUD and the United States Department of Agriculture (USDA).

SUMMARY: In accordance with the Privacy Act of 1974 (5 U.S.C. 552a), as amended by the Computer Matching and Privacy Protection Act of 1988, as amended, (Pub. L. 100-503), and the Office of Management and Budget (OMB) Guidelines on the Conduct of Matching Programs (54 FR 25818 (June

19, 1989)), and OMB Bulletin 89-22, "Instructions on Reporting Computer Matching Programs to the Office of Management and Budget (OMB), Congress and the Public," the Department of Housing and Urban Development (HUD) is issuing a public notice of its intent to conduct a recurring computer matching program with the U.S. Department of Agriculture (USDA) to utilize a computer information system of HUD, the Credit Alert Interactive Voice Response System (CAIVRS), with USDA's debtor files. In addition to HUD's data, the CAIVRS data base includes delinquent debt information from the Departments of Education, Veterans Affairs, Justice and the Small Business Administration. This match will allow prescreening of applicants for debts owed or loans guaranteed by the Federal Government to ascertain if the applicant is delinquent in paying a debt owed to or insured by the Federal Government for HUD or USDA direct or guaranteed loans.

Before granting a loan, the lending agency and/or the authorized lending institution will be able to interrogate the CAIVRS debtor file which contains the Social Security Numbers (SSNs) of HUD's delinquent debtors and defaulters and defaulted debtor records of the USDA and verify that the loan

applicant is not in default or delinquent on direct or guaranteed loans of participating Federal programs of either agency. As a result of the information produced by this match, the authorized users may not deny, terminate, or make a final decision of any loan assistance to an applicant or take other adverse action against such applicant, until an officer or employee of such agency has independently verified such information.

DATES: *Effective Date:* Computer matching is expected to begin 40 days after publication of this notice in the **Federal Register** (November 8, 1999), unless comments are received which will result in a contrary determination, or 40 days from the date a computer matching agreement is signed, whichever is later.

Comments Due Date: October 29, 1999.

ADDRESSEES: Interested persons are invited to submit comments regarding this notice to the Rules Docket Clerk, Office of General Counsel, Room 10276, Department of Housing and Urban Development, 451 Seventh Street, SW, Washington, DC 20410.
