## DEPARTMENT OF COMMERCE

### Submission for OMB Review; Comment Request

DOC has submitted to the Office of Management and Budget (OMB) for clearance the following proposal for collection of information under the provisions of the Paperwork Reduction Act (44 U.S.C. chapter 35).

*Agency:* Census Bureau.

*Title:* Annual Retail Trade Report.

*Form Number(s):* SA-44, -44A, -44C, -44N, -45, -45C, -721.

*Agency Approval Number:* 0607-0013.

*Type of Request:* Revision of a currently approved collection.

*Burden:* 9,437 hours.

*Number of Respondents:* 23,337.

*Avg Hours Per Response:* 24 and one half minutes.

*Needs and Uses:* The Bureau of the Census conducts the Annual Retail Trade Survey to collect annual totals of sales, inventories, inventory valuation methods, purchases, and accounts receivable balances from a sample of retail establishments in the United States. The estimates compiled from this survey are critical to the accurate measurement of total economic activity and are used in computing such indicators of economic well-being as the Gross Domestic Product and the National Income and Product Accounts. Survey results also provide valuable information for economic policy decisions and actions by the government and are widely used by private businesses, trade organizations, professional associations, and others for market research and analysis.

In this request, we are changing report form numbers and adding new industry coverage to accommodate the changeover to NAICS based economic classifications, adding questions about on-line sales and e-commerce, and redrawing an overall smaller survey sample to reflect our discontinued

collection of sales data at the establishment level.

*Affected Public:* Businesses or other for-profit organizations.

*Frequency:* Annually.

*Respondent's Obligation:* Mandatory.

*Legal Authority:* Title 13 USC, sections 182, 224, and 225.

*OMB Desk Officer:* Susan Schechter, (202) 395-5103.

Copies of the above information collection proposal can be obtained by calling or writing Linda Engelmeier, DOC Forms Clearance Officer, (202) 482-3272, Department of Commerce, room 5027, 14th and Constitution Avenue, NW, Washington, DC 20230 (or via the Internet at LEngelme@doc.gov).

Written comments and recommendations for the proposed information collection should be sent within 30 days of publication of this notice to Susan Schechter, OMB Desk Officer, room 10201, New Executive Office Building, Washington, DC 20503.

Dated: October 8, 1999.

**Linda Engelmeier,**

*Departmental Forms Clearance Officer, Office of the Chief Information Officer.*

#### Antifriction Bearings (Other Than Tapered Roller Bearings) and Parts Thereof from Japan; Final Results of Changed-Circumstances Review

**AGENCY:** Import Administration, International Trade Administration, Department of Commerce.

**ACTION:** Notice of final results of changed-circumstances review.

**SUMMARY:** On August 10, 1999, the Department of Commerce published the notice of initiation and preliminary results of its changed-circumstances review concerning its examination of whether Tsubaki-Nakashima Co., Ltd. is the successor-in-interest to Tsubakimoto Precision Products, Co., Ltd. for purposes of determining antidumping liability. We have now completed that review and determine that Tsubaki-Nakashima Co., Ltd. is the successor-in-interest to Tsubakimoto Precision Products, Co., Ltd. for antidumping duty law purposes and, as such, receives the antidumping duty cash deposit rate previously assigned to Tsubakimoto Precision Products, Co., Ltd. of 7.77 percent ad valorem.

**EFFECTIVE DATE:** October 14, 1999.

**FOR FURTHER INFORMATION CONTACT:** J. David Dirstine or Richard Rimlinger, Office of AD/CVD Enforcement, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW, Washington, DC 20230; telephone (202) 482-4733.

### SUPPLEMENTARY INFORMATION:

#### Background

In a letter dated July 16, 1999, Tsubaki-Nakashima Co., Ltd. (Tsubaki-Nakashima) advised the Department of Commerce (the Department) that, effective April 1, 1996, Tsubakimoto Precision Products, Co., Ltd. (Tsubakimoto) merged with Nakashima Manufacturing Co., Ltd. (Nakashima). According to the submission, Tsubakimoto was the surviving company and is currently operating under the name Tsubaki-Nakashima. Tsubaki-Nakashima stated that the former President of Tsubakimoto is now the President of Tsubaki-Nakashima, that the former Executive Vice President of Tsubakimoto is now one of three Executive Vice Presidents of Tsubaki-Nakashima (two additional Executive Vice Presidents were added following the merger), that the sole Managing Director of Tsubaki-Nakashima was one of two Managing Directors of Tsubakimoto, and, further, that all the current Directors of Tsubaki-Nakashima were Directors of Tsubakimoto. Tsubaki-Nakashima also stated that its production facilities are substantially similar to Tsubakimoto. Specifically, Tsubaki-Nakashima stated that three of its four production facilities were operated previously by Tsubakimoto. Finally, Tsubaki-Nakashima stated that its supplier relationships and customer base are substantially similar to those of Tsubakimoto. Tsubaki-Nakashima submitted exhibits listing the management, production facilities, major suppliers, and customers of both Tsubaki-Nakashima and Tsubakimoto.

On August 10, 1999, the Department published in the **Federal Register** (64 FR 43341) the notice of initiation and preliminary results of its antidumping duty changed circumstances review of the antidumping duty order on ball bearings and parts thereof from Japan. We now have completed this changed-circumstances review in accordance with section 751(b) of the Tariff Act, as amended (the Act).

#### Scope of the Review

The products covered by this review are ball bearings and parts thereof. These products include all ball bearings that employ balls as the rolling element. Imports of these products are classified

under the following categories: antifriction balls, ball bearings with integral shafts, ball bearings (including radial ball bearings) and parts thereof, and housed or mounted ball bearing units and parts thereof.

Imports of these products are classified under the following Harmonized Tariff Schedules (HTS) subheadings: 3926.90.45, 4016.93.00, 4016.93.10, 4016.93.50, 6909.19.5010, 8431.20.00, 8431.39.0010, 8482.10.10, 8482.10.50, 8482.80.00, 8482.91.00, 8482.99.05, 8482.99.2580, 8482.99.35, 8482.99.6595, 8483.20.40, 8483.20.80, 8483.50.8040, 8483.50.90, 8483.90.20, 8483.90.30, 8483.90.70, 8708.50.50, 8708.60.50, 8708.60.80, 8708.70.6060, 8708.70.8050, 8708.93.30, 8708.93.5000, 8708.93.6000, 8708.93.75, 8708.99.06, 8708.99.31, 8708.99.4960, 8708.99.50, 8708.99.5800, 8708.99.8080, 8803.10.00, 8803.20.00, 8803.30.00, 8803.90.30, and 8803.90.90.

The size or precision grade of a bearing does not influence whether the bearing is covered by the order. For a further discussion of the scope of the order being reviewed, including recent scope determinations, see *Antifriction Bearings (Other Than Tapered Roller Bearings) and Parts Thereof from France, Germany, Italy, Japan, Romania, Singapore, Sweden and the United Kingdom; Final Results of Antidumping Duty Administrative Reviews*, 63 FR 33320 (June 18, 1998). Although the HTS item numbers are provided for convenience and customs purposes, the written description of the scope of this proceeding remains dispositive.

#### Successorship

According to its July 16, 1999 submission, Tsubakimoto was the surviving company of its merger with Nakashima and is currently operating under the name Tsubaki-Nakashima Co. Since December 17, 1996, Tsubakimoto has been assigned a 7.77 percent antidumping duty cash deposit rate (see *Antifriction Bearings (Other Than Tapered Roller Bearings) and Parts Thereof from France, Germany, Italy, Japan, Romania, Singapore, Sweden and the United Kingdom; Final Results of Antidumping Duty Administrative Reviews*, 61 FR 66472 (December 17, 1996)). Thus Tsubaki-Nakashima requested that the Department make a determination that Tsubaki-Nakashima should receive the same antidumping duty treatment as the former Tsubakimoto with respect to ball bearings.

Upon examining the factors of: (1) Management; (2) production facilities; (3) supplier relationships; and (4)

customer base, the Department has determined that the resulting operation of Tsubaki-Nakashima is the same as that of its predecessor, Tsubakimoto, and thus the Department has determined that Tsubaki-Nakashima is the successor-in-interest to Tsubakimoto for purposes of determining antidumping duty liability. For a complete discussion of the basis for this decision, see *Antifriction Bearings (Other Than Tapered Roller Bearings) and Parts Thereof From Japan; Initiation and Preliminary Results of Changed-Circumstances Antidumping Duty Administrative Review*, 64 FR 43341 (August 10, 1999).

#### Comments

Although we gave interested parties an opportunity to comment on the preliminary results, none were submitted.

#### Final Results of Review

We determine that Tsubaki-Nakashima is successor-in-interest to Tsubakimoto and, accordingly, Tsubaki-Nakashima will receive the same antidumping duty treatment as the former Tsubakimoto, *i.e.*, 7.77 percent antidumping duty cash deposit rate. We will instruct the U.S. Customs Service accordingly.

We are issuing and publishing this determination and notice in accordance with sections 751(b)(1) and 777(i)(1) of the Act and section 351.216 of the Department's regulations.

Dated: September 29, 1999.

**Robert S. LaRussa,**

*Assistant Secretary For Import Administration.*

#### 1997/1998 Antidumping Duty Administrative Review of Canned Pineapple Fruit From Thailand

**AGENCY:** Import Administration, International Trade Administration, Department of Commerce.

**ACTION:** Notice of extension of time limit.

**SUMMARY:** The Department of Commerce is extending the time limit of the final results of the 1997/1998 antidumping duty administrative review of canned pineapple fruit from Thailand. This review covers the period July 1, 1997, through June 30, 1998.

**EFFECTIVE DATE:** October 14, 1999.

**FOR FURTHER INFORMATION CONTACT:** Cynthia Thirumalai or Gregory Campbell, AD/CVD Enforcement, Group I, Office 1, Import Administration, International Trade Administration, US Department of Commerce, 14th Street and Constitution Avenue, NW., Washington, DC 20230; telephone (202) 482-4087 or 482-2239, respectively.

**SUPPLEMENTARY INFORMATION:** The Department of Commerce is extending the time limit for completion of this administrative review until October 29, 1999, because it is not practicable to complete it within the original time limit, in accordance with section 751(a)(3)(A) of the Trade and Tariff Act of 1930, as amended by the Uruguay Round Agreements Act of 1994.

This extension is in accordance with section 751(a)(3)(A) of the Tariff Act of 1930, as amended (19 U.S.C. 1675(a)(3)(A)).

Dated: October 4, 1999.

**Richard W. Moreland,**

#### Certain Compact Ductile Iron Waterworks Fittings and Glands From the People's Republic of China: Preliminary Results of Antidumping Duty Administrative Review

**AGENCY:** Import Administration, International Trade Administration, Department of Commerce.

**SUMMARY:** The Department of Commerce ("the Department") is conducting an administrative review of the antidumping duty order on Certain Compact Ductile Iron Waterworks Fittings and Glands ("CDIW") from the People's Republic of China in response to requests by the respondent, Beijing Metals and Minerals Import and Export Corporation, and its Cheng Hong Foundry (collectively known as "BMMIEC"). The period of review is September 1, 1997, through August 31, 1998.

We have preliminarily determined that U.S. sales of subject merchandise by BMMIEC have not been made below normal value. Since BMMIEC submitted full responses to the antidumping questionnaire and it has been established that it is sufficiently
