DEPARTMENT OF COMMERCE

Submission for OMB Review; Comment Request

The Department of Commerce (DOC) has submitted to the Office of Management and Budget (OMB) for clearance the following proposal for collection of information under the provisions of the Paperwork Reduction Act (44 U.S.C. Chapter 35).

Agency: Patent and Trademark Office (PTO).

Title: Admittance to Practice and Roster of Registered Patent Attorneys and Agents Admitted to Practice Before the Patent and Trademark Office.

Form Numbers: Form PTO-158/158A/275/107A.

Agency Approval Number: 0651-0012.

Type of Request: Reinstatement, with change, of an information collection.

Burden: 3,557 hours per year.

Number of Respondents: 8,100 responses per year.

Avg. Hours Per Response: The PTO estimates that it takes the public 30 minutes to gather the information, prepare the forms and additional materials (if applicable), and submit the two applications for registration to practice before the PTO. Although some applicants may be able to complete the application for registration by a foreign resident in less time, the PTO has found that it takes the majority of applicants 30 minutes to complete this application. For the undertaking and data sheet, the PTO estimates that it will take the public 20 minutes to gather the information, prepare the forms and additional materials (if applicable) and submit them to the PTO.

Needs and Uses: This collection of information is required by 35 U.S.C. §§ 31 and 37 CFR 10.5 through 10.19. The public uses the forms in this information collection to apply for the examination for registration, to ensure that all of the necessary information is provided to the PTO, and to request inclusion on the Register of Patent Attorneys and Agents. The PTO has created a separate application form for foreign applicants to use to apply for registration and to ensure that all of the necessary information is provided to the PTO. This form makes the application process easier and more efficient because the PTO does not require foreign applicants to supply the same amount of information as domestic applicants. This information collection also provides a form for former employees of the PTO who are applying for the examination for registration to use to certify in writing that they will

not aid in the prosecution or preparation of any papers or applications associated with applications reviewed while in the employ of the PTO. The PTO uses this information (through the Office of Enrollment and Discipline) to determine if the applicant for registration is of good moral character and repute; has the necessary legal, scientific, and technical qualifications; and is otherwise competent to advise and assist applicants in the presentation and prosecution of applications for patent grants.

Affected Public: Individuals or households, businesses or other for-profit, Federal government, and state, local or tribal government.

Frequency: On occasion.

Respondent's Obligation: Required to obtain or retain benefits.

OMB Desk Officer: Peter Weiss, (202) 395-3630.

Copies of the above information collection proposal can be obtained by calling or writing Linda Engelmeier, Departmental Forms Clearance Officer, (202) 482-3272, Office of the Chief Information Officer, Department of Commerce, Room 5033, 14th and Constitution Avenue, NW, Washington, DC 20230.

Written comments and recommendations for the proposed information collection should be sent within 30 days of publication to Peter Weiss, OMB Desk Officer, Room 10236, New Executive Office Building, 725 17th Street, N.W., Washington, D.C. 20503.

Dated: October 6, 1999.

Linda Engelmeier,

Departmental Forms Clearance Officer, Office of the Chief Information Officer.
