The proposed changes would increase annual revenues from jurisdictional sales and service by \$5,004,000 based on the twelve (12)-month period ending December 31, 2000.

PSI has indicated that the filing of new tariffs and rates has been mandated by inadequate earnings on its jurisdictional sales. The average rate of return on such sales is, in its opinion, inadequate to attract the capital required by PSI to pay for necessary expansion of its electric plant and increased operating expenses. PSI also indicated that the filing has been made to satisfy the requirements of the Federal Energy Regulatory Commission in Docket Nos. EC93-6-000, EC93-6-001 and ER94-1015-000.

Copies of the filing were served upon the Indiana Utility Regulatory Commission; the City of Logansport, Indiana; Jackson County Rural Electric Membership Corporation; the Indiana Municipal Power Agency; the Wabash Valley Power Association, Inc.; and the Indiana municipalities of Brooklyn, Coatesville, Dublin, Dunreith, Hagerstown, Knightstown, Lewisville,
