SUPPLEMENTARY INFORMATION: Pursuant to Section 10(a)(2) of the Federal Advisory Committee Act, as amended (5 U.S.C. Appendix 2) (FACA), notice is given of two meetings of the Medical Child Support Working Group (MCSWG). The Medical Child Support Working Group was jointly established by the Secretaries of the Department of Labor (DOL) and the Department of Health and Human Services (DHHS) under section 401(a) of the Child Support Performance and Incentive Act of 1998 (P.L. 105-200).

The purpose of the MCSWG is to identify the impediments to the effective enforcement of medical support by State child support enforcement agencies, and to submit to the Secretaries of DOL and DHHS a report containing recommendations for appropriate measures to address those impediments. This report will include: (1) recommendations based on assessments of the form and content of the National Medical Support Notice, as issued under proposed regulations; (2) appropriate measures that establish the priority of withholding of child support obligations, medical support obligations, arrearages in such obligations, and in the case of a medical support obligation, the employee's portion of any health care coverage premium, by such State agencies in light of the restrictions on garnishment provided under title III of the Consumer Credit Protection Act (15 U.S.C. 1671-1677); (3) appropriate procedures for coordinating the provision, enforcement, and transition of health care coverage under the State programs for child support, Medicaid and the Child Health Insurance Program; (4) appropriate measures to improve the availability of alternate types of medical support that are aside from health care coverage offered through the noncustodial parent's health plan, and unrelated to the noncustodial parent's employer, including measures that establish a noncustodial parent's responsibility to share the cost of premiums, co-payments, deductibles, or payments for services not covered under a child's existing health coverage; (5) recommendations on whether reasonable cost should remain a consideration under section 452(f) of the Social Security Act; and (6) appropriate measures for eliminating any other impediments to the effective enforcement of medical support orders that the MCSWG deems necessary.

The membership of the MCSWG was jointly appointed by the Secretaries of DOL and DHHS, and includes representatives of: (1) DOL; (2) DHHS; (3) State Child Support Enforcement Directors; (4) State Medicaid Directors; (5) employers, including owners of small businesses and their trade and industry representatives and certified human resource and payroll professionals; (6) plan administrators and plan sponsors of group health plans (as defined in section 607(1) of the Employee Retirement Income Security Act of 1974 (29 U.S.C. 1167(1))); (7) children potentially eligible for medical support, such as child advocacy organizations; (8) State medical child support organizations; and (9) organizations representing State child support programs.

Agenda

The agenda for these meetings includes a discussion of the issues to be included in the MCSWG's report to the Secretaries containing recommendations for appropriate measures to address the impediments to the effective enforcement of medical child support as listed above. At the May, 1999, meeting the MCSWG formed four (4) subcommittees to discuss barriers, issues, options, and recommendations in the interim between full MCSWG meetings. At the next two meetings (August, 1999 and October, 1999), the subcommittees presented their draft recommendations to the full MCSWG for further discussion and consideration. At the November, 1999, meeting the four subcommittees will present additional issues and amended recommendations to the full MCSWG for discussion and consideration. At the December, 1999, meeting the MCSWG will discuss the recommendations in their report to the Secretaries.

Public Participation

Members of the public wishing to present oral statements to the MCSWG should forward their requests to Samara Weinstein, MCSWG Executive Director, as soon as possible and at least four days before the meeting. Such request should be made by telephone, fax machine, or mail, as shown above. Time permitting, the Chairs of the MCSWG will attempt to accommodate all such requests by reserving time for presentations. The order of persons making such presentations will be assigned in the order in which the requests are received. Members of the public are encouraged to limit oral statements to five minutes, but extended written statements may be submitted for the record. Members of the public also

may submit written statements for distribution to the MCSWG membership and inclusion in the public record without presenting oral statements. Such written statements should be sent to the MCSWG Executive Director, as shown above, by mail or fax at least five business days before the meeting.

Minutes of all public meetings and other documents made available to the MCSWG will be available for public inspection and copying at both the DOL and DHHS. NATIONAL ARCHIVES AND RECORDS ADMINISTRATION

Records Schedules for Electronic Copies Previously Covered by General Records Schedule 20; Availability and Request for Comments

AGENCY: National Archives and Records Administration, Office of Records Services—Washington, DC.

ACTION: Notice of availability of proposed records schedules; request for comments.

SUMMARY: The National Archives and Records Administration (NARA) publishes notice at least once monthly of certain Federal agency requests for records disposition authority (records schedules). Once approved by NARA, records schedules provide mandatory instructions on what happens to records when no longer needed for current Government business. They authorize the preservation of records of continuing value in the National Archives of the United States and the destruction, after a specified period, of records lacking administrative, legal,

research, or other value. Notice is published for records schedules in which agencies propose to destroy records not previously authorized for disposal or reduce the retention period of records already authorized for disposal.

This request for comments pertains solely to schedules for electronic copies of records created using word processing and electronic mail where the recordkeeping copies are already scheduled. (Electronic copies are records created using word processing or electronic mail software that remain in storage on the computer system after the recordkeeping copies are produced.)

These records were previously approved for disposal under General Records Schedule 20, Items 13 and 14. Pursuant to NARA Bulletin 99-04, agencies must submit schedules for the electronic copies associated with program records and administrative records not covered by the General Records Schedules. NARA invites public comments on such records schedules, as required by 44 U.S.C. 3303a(a). To facilitate review of these schedules, their availability for comment is announced in **Federal Register** notices separate from those used for other records disposition schedules.

DATES: Requests for copies must be received in writing on or before December 16, 1999. On request, NARA will send a copy of the schedule. NARA staff usually prepare appraisal memorandums concerning a proposed schedule. These, too, may be requested. Requesters will be given 30 days to submit comments.

Some schedules submitted in accordance with NARA Bulletin 99-04 group records by program, function, or organizational element. These schedules do not include descriptions at the file series level, but, instead, provide citations to previously approved schedules or agency records disposition manuals (see **SUPPLEMENTARY INFORMATION** section of this notice). To facilitate review of such disposition requests, previously approved schedules or manuals that are cited may be requested in addition to schedules for the electronic copies. NARA will provide the first 100 pages at no cost. NARA may charge \$.20 per page for additional copies. These materials also may be examined at no cost at the National Archives at College Park (8601 Adelphi Road, College Park, MD).

ADDRESSES: To request a copy of any records schedule identified in this notice, write to the Life Cycle Management Division (NWML),
