FEDERAL HOUSING FINANCE BOARD

[99-N-16]

Pilot Mortgage Program Proposed by the Federal Home Loan Banks of Cincinnati, Indianapolis and Seattle

AGENCY: Federal Housing Finance
Board.

ACTION: Notice.

SUMMARY: On October 4, 1999, the Federal Housing Finance Board (Finance Board) adopted Finance Board Resolution No. 99-50 (Res. 99-50) authorizing Federal Home Loan Banks

(FHLBanks) to offer single-family Member Mortgage Asset (MMA) programs within certain defined parameters, terms and conditions, including the Mortgage Purchase Program (MPP) proposal that was jointly submitted to the Finance Board by the FHLBanks of Cincinnati, Indianapolis and Seattle. Notice of the proposed MPP program was published in the **Federal Register** on August 12, 1999, 64 FR 44016, and the application was subsequently made available to the public through the Finance Board's website, 64 FR 49187 (September 10, 1999). While it is not obligated to provide further notice of the MPP program before it is implemented, the Finance Board hereby provides notice that the MPP program will not be implemented by the FHLBanks of Cincinnati, Indianapolis or Seattle until the staff of the Office of Supervision has conducted a pre-implementation examination of each FHLBank and has confirmed that appropriate program policies, procedures and controls have been established at each FHLBank. In no case shall implementation occur prior to 30-days from the date of this notice.

DATES: Comments must be received in writing on or before December 6, 1999.

ADDRESSES: Individuals wishing to submit comments should provide written comments by mail to: Elaine L. Baker, Secretary to the Board, Federal Housing Finance Board, 1777 F Street, NW, Washington, DC 20006. Comments will be available for public inspection at this address.

BACKGROUND: The FHLBanks of Cincinnati, Indianapolis and Seattle jointly submitted to the Finance Board a proposal to initiate a pilot program to purchase fixed-rate, single-family mortgages from member financial institutions subject to the establishment of a first loss account through which the member financial institution bears responsibility for losses up to the amount of expected losses on the mortgages or mortgage pools. The member would provide additional loss coverage through supplemental loan-level mortgage insurance from a mortgage insurer rated not lower than double-A.

Res. 99-50 authorized the FHLBanks to establish and operate MMA programs, a generic designation for programs that efficiently allocate mortgage risks so as to best use the core competencies of the entities involved, provide appropriate capital treatment to the participating financial institution members, and provide capital market funding and risk management alternatives, all for the ultimate benefit of consumers. MPP, as

proposed, conforms to the provisions of Res. 99-50 and the FHLBanks of Cincinnati, Indianapolis and Seattle were thereby authorized to establish and operate MPP as a program, pursuant to the provisions, terms and conditions of Res. 99-50.

The terms and conditions of Res. 99-50 require, among other things, that Finance Board staff determinations regarding a FHLBank's request to operate a single-family MMA program shall be subject to a pre-implementation safety and soundness examination. Therefore, the MPP program will not be implemented by the FHLBanks of Cincinnati, Indianapolis or Seattle until the completion of a pre-implementation examination, and in no case shall implementation occur prior to the end of the 30-day notice period provided hereby. This notice applies only to MPP and not to previously authorized and currently operating MMA programs that have already undergone pre-implementation and other safety and soundness examinations. Comments on the concept of MMA may be submitted to the Finance Board on or before December 27, 1999 in the context of the Finance Board's ongoing Financial Management and Mission Achievement rulemaking proposal, 64 FR 52163 (September 27, 1999). In this regard, the Finance Board is making Res. 99-50 available through its website (<http://www.fhfb.gov>) in the "What's New" section
