International Trade Administration

Extension of Time Limit for Final Results of Five-Year Reviews

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

ACTION: Notice of extension of time limit for final Results of Five-Year ("Sunset") Reviews.

SUMMARY: The Department of Commerce ("the Department") is extending the time limit for the final results of 18 expedited sunset reviews initiated on July 1, 1999 (64 FR 35588) covering various antidumping and countervailing duty orders. Based on adequate responses from domestic interested parties and inadequate responses from respondent interested parties, the Department is conducting expedited sunset reviews to determine whether revocation of the antidumping and countervailing duty orders would be likely to lead to continuation or recurrence of dumping or a countervailable subsidy. As a result of these extensions, the Department intends to issue its final results not later than January 27, 2000.

EFFECTIVE DATE: November 16, 1999.

FOR FURTHER INFORMATION CONTACT: Mark D. Young or Melissa G. Skinner, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and

Constitution Avenue, NW, Washington, D.C. 20230; telephone: (202) 482-3207, or (202) 482-1560 respectively.

Extension of Final Results

In accordance with section 751(c)(5)(C)(v) of the Tariff Act of 1930, as amended ("the Act"), the Department may treat a sunset review as extraordinarily complicated if it is a review of a transition order (i.e., an order in effect on January 1, 1995). The Department has determined that the sunset reviews of the following antidumping and countervailing duty orders are extraordinarily complicated:

- A-570-805 Sulfur Chemicals (Sodium Thiosulfate) from the People's Republic of China
- A-428-807 Sulfur Chemicals (Sodium Thiosulfate) from Germany
- A-412-805 Sulfur Chemicals (Sodium Thiosulfate) from the United Kingdom
- A-533-808 Stainless Steel Wire Rods from India
- A-351-819 Stainless Steel Wire Rods from Brazil
- A-427-811 Stainless Steel Wire Rods from France
- C-469-004 Stainless Steel Wire Rods from Spain
- A-580-810 Welded Stainless Steel Pipes from Korea
- A-583-815 Welded Stainless Steel Pipes from Taiwan
- A-403-801 Fresh & Chilled Atlantic Salmon from Norway
- C-403-802 Fresh & Chilled Atlantic Salmon from Norway
- A-580-807 Polyethylene Terephthalate Film from Korea
- A-570-804 Sparklers from the People's Republic of China
- A-588-702 Stainless Steel Butt-Weld Pipe Fittings from Japan
- A-580-813 Stainless Steel Butt-Weld Pipe Fittings from Korea
- A-583-816 Stainless Steel Butt-Weld Pipe Fittings from Taiwan
- A-570-803 Heavy Forged Hand Tools (Axes and Adzes) from the People's Republic of China
- A-570-803 Heavy Forged Hand Tools (Picks and Mattocks) from the People's Republic of China

Therefore, the Department is extending the time limit for completion

of the final results of these reviews until not later than January 27, 2000, in accordance with section 751(c)(5)(B) of the Act.

Dated: October 18, 1999.

Richard W. Moreland,

Acting Assistant Secretary for Import Administration.

In accordance with section 351.213 of the regulations, an interested party as defined by section 771(9) of the Act may request in writing that the Secretary conduct an administrative review. The Department has changed its requirements for requesting reviews for countervailing duty orders. Pursuant to 771(9) of the Act, an interested party must specify the individual producers or exporters covered by the order or suspension agreement for which they are requesting a review (Department of Commerce Regulations, 62 FR 27295, 27424 (May 19, 1997)). Therefore, for both antidumping and countervailing duty reviews, the interested party must specify for which individual producers or exporters covered by an antidumping finding or an antidumping or countervailing duty order it is requesting a review, and the requesting party must state why it desires the Secretary to review those particular producers or exporters. If the interested party intends for the Secretary to review sales of merchandise by an exporter (or a producer if that producer also exports merchandise from other suppliers) which were produced in more than one country of origin and each country of origin is subject to a separate order, then the interested party must state specifically, on an order-by-order basis, which exporter(s) the request is intended to cover.

Seven copies of the request should be submitted to the Assistant Secretary for Import Administration, International Trade Administration, Room 1870, U.S. Department of Commerce, 14th Street & Constitution Avenue, NW, Washington, DC 20230. The Department also asks parties to serve a copy of their requests to the Office of Antidumping/Countervailing Enforcement, Attention: Sheila Forbes, in room 3065 of the main Commerce Building. Further, in accordance with § 351.303(f)(1)(i) of the regulations, a copy of each request must be served on every party on the Department's service list.

The Department will publish in the **Federal Register** a notice of "Initiation

of Administrative Review of Antidumping or Countervailing Duty Order, Finding, or Suspended Investigation" for requests received by the last day of November 1999. If the Department does not receive, by the last day of November 1999, a request for review of entries covered by an order, finding, or suspended investigation listed in this notice and for the period identified above, the Department will instruct the Customs Service to assess antidumping or countervailing duties on those entries at a rate equal to the cash deposit of (or bond for) estimated antidumping or countervailing duties required on those entries at the time of entry, or withdrawal from warehouse, for consumption and to continue to collect the cash deposit previously ordered.

This notice is not required by statute but is published as a service to the international trading community.

Dated: November 9, 1999.

Holly A. Kuga,

Acting Deputy Assistant Secretary, Group II for AD/CVD Enforcement.
