ACTION: Notice.

SUMMARY: The Department of Labor, as part of its continuing effort to reduce paperwork and respondent burden, conducts a preclearance consultation program to provide the general public and Federal agencies with an opportunity to comment on proposed and/or continuing collections of information in accordance with the Paperwork Reduction Act of 1995 (PRA95) [44 U.S.C. 3506(c)(2)(A)]. This program helps to ensure that requested data can be provided in the desired format, reporting burden (time and financial resources) is minimized, collection instruments are clearly understood, and the impact of collection requirements on respondents can be properly assessed. Currently, the Employment Standards Administration is soliciting comments concerning the proposed extension collections of: (1) Notice of Final Payment or Suspension of Compensation Benefits (Longshore and Harbor Workers' Compensation Act); and (2) Work Experience and Career Exploration Programs, Regulations 29 CFR Part 570.35a (Fair Labor Standards Act). A copy of the proposed information collection requests can be obtained by contacting the office listed below in the addressee section of this notice.

DATES: Written comments must be submitted to the office listed in the

addressee section below on or before January 18, 2000.

ADDRESSEE: Ms. Patricia A. Forkel, U. S. Department of Labor, 200 Constitution Ave., N.W., Room S-3201, Washington, D.C. 20210, telephone (202) 693-0339 (this is not a toll-free number), fax (202) 693-1451.

SUPPLEMENTARY INFORMATION:

Notice of Final Payment or Suspension of Compensation Benefits

I. Background

The Office of Workers' Compensation Programs (OWCP) administers the Longshore and Harbor Workers' Compensation Act. The Act provides benefits to workers injured in maritime employment on the navigable waters of the United States or in an adjoining area customarily used by an employee in loading, unloading, repairing, or building a vessel. Under Section 14(g) of the Act, the employer or its insurance carrier must file a report of the compensation paid to a claimant at the time final payment is made. Filing of the report is mandatory and failure to do so is subject to a civil penalty. This form is used to notify OWCP that payment of compensation benefits has been stopped or suspended in a case.

II. Review Focus

The Department of Labor is particularly interested in comments which:

- * evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;

- * evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;

- * enhance the quality, utility and clarity of the information to be collected; and

- * minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submissions of responses.

III. Current Actions: The Department of Labor seeks the extension of approval to collect this information in order to carry out its responsibility to manage the case file and verify that the injured worker has received all benefits that he/she is entitled to receive under the Act.

Type of Review: Extension.
