SUPPLEMENTARY INFORMATION:

Background

On November 4, 1999, the Commission determined that the domestic interested party group responses to its notice of institution (64 FR 41949, August 2, 1999) were adequate and the respondent interested party group responses were inadequate. The Commission did not find any other circumstances that would warrant conducting full reviews.¹ Accordingly, the Commission determined that it would conduct expedited reviews pursuant to section 751(c)(3) of the Act. A record of the Commissioners' votes, the Commission's statement on adequacy, and any individual Commissioner's statements will be available from the Office of the Secretary and at the Commission's web site.

Staff report

A staff report containing information concerning the subject matter of the reviews will be placed in the nonpublic record on February 28, 2000, and made available to persons on the Administrative Protective Order service list for these reviews. A public version will be issued thereafter, pursuant to section 207.62(d)(4) of the Commission's rules.

Written submissions

As provided in section 207.62(d) of the Commission's rules, interested parties that are parties to the reviews and that have provided individually adequate responses to the notice of institution,² and any party other than an interested party to the reviews may file written comments with the Secretary on what determinations the Commission should reach in the reviews. Comments are due on or before March 2, 2000, and may not contain new factual information. Any person that is neither a party to the five-year reviews nor an
