## INTERNATIONAL TRADE COMMISSION

[Investigations Nos. 731-TA-539-C, E, and F (Review)]

### Uranium From Russia, Ukraine, and Uzbekistan

**AGENCY:** United States International Trade Commission.

**ACTION:** Notice of Commission determinations to conduct full five-year reviews concerning the antidumping duty order and suspended investigations on uranium from Russia, Ukraine, and Uzbekistan.

**SUMMARY:** The Commission hereby gives notice that it will proceed with full reviews pursuant to section 751(c)(5) of the Tariff Act of 1930 (19 U.S.C. 1675(c)(5)) to determine whether revocation of the antidumping duty order on uranium from Ukraine and termination of the suspension agreements on uranium from Russia and Uzbekistan would be likely to lead to continuation or recurrence of material injury within a reasonably foreseeable time. The Commission has determined to exercise its authority to extend the review period by up to 90 days pursuant to 19 U.S.C. 1675(c)(5)(B); a schedule for the reviews will be established and announced at a later date.

For further information concerning the conduct of these reviews and rules of general application, consult the Commission's Rules of Practice and Procedure, part 201, subparts A through E (19 CFR part 201), and part 207, subparts A, D, E, and F (19 CFR part 207). Recent amendments to the Rules of Practice and Procedure pertinent to five-year reviews, including the text of subpart F of part 207, are published at 63 FR 30599, June 5, 1998, and may be downloaded from the Commission's World Wide Web site at <http://www.usitc.gov/rules.htm>.

**EFFECTIVE DATE:** November 4, 1999.

**FOR FURTHER INFORMATION CONTACT:** Vera Libeau (202-205-3176), Office of Investigations, U.S. International Trade Commission, 500 E Street SW, Washington, DC 20436. **SUPPLEMENTARY INFORMATION:** On November 4, 1999, the Commission determined that it should proceed to full reviews in the subject five-year reviews pursuant to section 751(c)(5) of the Act.

The Commission found that the domestic interested party group responses to its notice of institution (64 FR 41965, August 2, 1999) were adequate with respect to each review, and that the respondent interested party group responses were adequate with respect to Russia and Uzbekistan but inadequate with respect to Ukraine. The Commission also found that other circumstances warranted conducting a full review with respect to Ukraine. A record of the Commissioners' votes, the Commission's statement on adequacy, and any individual Commissioner's statements will be available from the Office of the Secretary and at the Commission's web site.

**Authority:** These reviews are being conducted under authority of title VII of the Tariff Act of 1930; this notice is published pursuant to section 207.62 of the Commission's rules.

### Privacy Act of 1974; Establishment of New Systems of Records, Revision of Existing Systems of Records

**AGENCY:** International Trade Commission.

**ACTION:** Request for comments on proposed establishment of new Privacy Act systems of records and revision of existing systems of records.

**SUMMARY:** Pursuant to 5 U.S.C. 552a(e)(4) of the Privacy Act of 1974, the U.S. International Trade Commission (Commission) proposes to (1) revise the existing system of records entitled "Office of Inspector General Investigative Files (General)" to amend retention and disposal procedures; (2) revise the existing system of records entitled "Office of Inspector General Investigative Files (Criminal)" to amend retention and disposal procedures; (3) revise the existing system of records entitled "Security Records" to clarify the purpose; (4) revise the existing system of records entitled "Parking Records" to include information about mass transit subsidy applications; and (5) establish a new system of records entitled "Computer Access Records."

**DATES:** Comments must be received no later than December 27, 1999. The proposed addition and revisions to the Commission's systems of records will become effective on that date unless otherwise published in the **Federal Register**.

**ADDRESSES:** Written comments should be directed to the Secretary, U.S. International Trade Commission, 500 E Street, SW, Washington, DC 20436.

**FOR FURTHER INFORMATION CONTACT:** Tina Potuto, Esq., Office of the General Counsel, U.S. International Trade Commission, tel. 202-205-3116. Hearing-impaired persons can obtain information on this matter by contacting the Commission's TDD terminal on 202-205-1810.

**SUPPLEMENTARY INFORMATION:** This notice proposes revision of the system

of records designated as ITC-3 (Office of Inspector General Investigative Files (General)), revision of the system of records designated as ITC-4 (Office of Inspector General Investigative Files (Criminal)), revision of the system of records designated as ITC-6 (Security Access Records), revision of the system of records designated as ITC-9 (Parking Records), and establishment of a new Privacy Act system of records designated as ITC-12 (Computer Access Records). ITC-3 and ITC-4 will be amended to reflect changes in retention and disposal authority of Inspector General records. Retention and Disposal provisions of these two systems currently reference National Archives and Records Administration's General Records Schedule 22 which has been withdrawn. The ITC-6 records will be amended to further explain the Commission's purpose for maintaining these records. The amendment includes a reference to the fact that the Commission may use the collected information to verify time and attendance records of its employees. The Commission is contemplating issuing a policy limiting the use of these records for this purpose. The ITC-9 records will be amended to include information about mass transit subsidies. These records will be used to allocate and control parking spaces and mass transit subsidies, assist in creating car and van pools, and insure that employees qualify for subsidies. The ITC-12 records, generated by the Commission's computer systems and firewall gateway server software, record computer usage such as the Internet sites viewed from each Commission computer and the Internet protocol addresses of persons who are not employed by the Commission who visit the Commission's World Wide Web sites. These records will be used to monitor compliance with applicable law, regulations, and Commission policies by employees, contractors, and others who use Commission computers. These records also will be used to trace persons responsible for any unauthorized intrusion, if any, into the Commission's computer systems. Additionally, the Commission will use the information in these records for statistical and analytical purposes.

Pursuant to the Privacy Act of 1974, these revisions and additions to the Commission's systems of records will be reported to the Office of Management and Budget, the Chair of the Committee on Government Reform of the House of Representatives, and the Chair of the Committee on Governmental Affairs of the Senate.
