Allegheny Power Service Corporation, Cleveland Electric Illuminating Company, Toledo Edison Company, Ohio Edison Company, Pennsylvania Power Company, Southern Company Services, Inc., and Virginia Electric & Power Company; Notice Canceling Technical Conference

February 3, 1999.

On December 4, 1998, the participants in the Experiment Participation Agreement of the General Agreement on Parallel Paths (GAPP Participants) filed a request that the Commission cancel a technical conference in the above-captioned proceeding.

The GAPP Experiment Participation Agreement was accepted by the Commission in an order in Docket No. ER97-697-000 dated February 17, 1997. In that order the Commission directed the GAPP Participants to host a technical conference on the experiment. By order dated December 23, 1997, the Commission deferred the technical conference until a date to be identified later. In their December 4 motion to cancel this conference, the GAPP Participants state that, after the initial term of the two-year experiment is over, the GAPP Participants will file an overview of the knowledge derived from data collected and analyzed during the course of the experiment and that based on that overview, the Commission may determine what, if any, additional procedures are appropriate in this proceeding.

Upon consideration, notice is hereby given that the technical conference in this proceeding is hereby canceled.

By direction of the Commission.
