

geographic competition significantly impedes the efficient processing of such cases. Accordingly, to comply with both the recent legislative directive to process rate complaints more expeditiously and the long-standing Congressional intent that market dominance be a practical determination made without delay, the Board limited the evidence that would be considered to only that required by the statute, i.e., competition "for the transportation to which a rate applies."

**SUPPLEMENTARY INFORMATION:** The OCC is proposing to extend OMB approval of the following information collection:

*Title:* Release of Non-Public Information—12 CFR 4.

*OMB Number:* 1557-0200.

*Form Number:* None.

*Abstract:* This submission covers an existing regulation and involves no change to the regulation or to the information collections embodied in the regulation. The OCC requests only that OMB renew its approval of the

information collections in the current regulation.

The information collection is required to protect non-public OCC information from unnecessary disclosure in order to ensure that national banks and the OCC engage in a candid dialogue during the bank examination process. Individuals who request non-public OCC information are required to provide the OCC with information regarding the requester's legal grounds for the request. Inappropriate release of information would inhibit open consultation between a bank and the OCC.

The information requirements in 12 CFR part 4 are located as follows:

12 CFR 4.33: Request for non-public OCC records or testimony.

12 CFR 4.35(b)(3): Third parties requesting testimony.

12 CFR 4.36(a)(2): OCC former employee notifying OCC of subpoena.

12 CFR 4.37 (a) and (b): Agreement to limit dissemination of released information.

12 CFR 4.38(d): Request for authenticated records or certificate of nonexistence of records.

The OCC uses the information to process requests for non-public OCC information and to determine if sufficient grounds exist for the OCC to release the requested information or provide testimony. This information collection makes the mechanism for processing requests more efficient and facilitates and expedites the OCC's release of non-public information and testimony to the requester.

*Type of Review:* Extension, without change, of a currently approved collection.

*Affected Public:* Businesses or other for-profit; individuals.

*Number of Respondents:* 180.

*Total Annual Responses:* 505.

*Frequency of Response:* On occasion.

*Total Annual Burden:* 894 hours.
