Objectives and Duties

1. The Advisory Committee considers the goals of the decennial census and user needs for information provided by that census, and provides a perspective from the standpoint of the outside user community about how the conduct and implementation of the 2000 decennial census realizes those goals and satisfies those needs.

2. The Advisory Committee functions solely as an advisory body under the Federal Advisory Committee Act and reports to the Secretary of Commerce through the Under Secretary for Economic Affairs.

2. Advisory Committee member organizations are selected in accordance with applicable Department of Commerce guidelines and in compliance with Federal Advisory Committee Act regulations. 6. The Advisory Committee member organizations will be appointed by the Secretary of Commerce.

3. Advisory Committee meetings are open to the public.

Membership is selected to represent the diverse interests and needs of a variety of stakeholders in the decennial census. Nominations of organizations representing constituencies not currently represented on the Advisory Committee and/or organizations that broaden the scope of the current membership are sought. A list of current membership is included in this notice (see Appendix A).

2. Prospective organizations must reflect balanced viewpoints and perspectives, considering such factors as geography, minority representation, business, academia, and the public-at-large. The size and scope of the
