

The "no-action" alternative is a continuation of the present management course regarding the management of visitor use. Three action alternatives would create zones within the park to protect resources and provide opportunities for a range of visitor experiences. All three action alternatives limit park visitation in some backcountry areas, and all of the action alternatives call for making adjustments to the park boundary. The National Park Service's proposed action would emphasize proactive management to address impacts caused by increased visitor use. Under this alternative, overall park visitation would continue to increase, but it would be limited in certain areas. Some new visitor facilities would be built in frontcountry areas. Alternative A would provide greater opportunities for increased use of Zion. Trails would be upgraded, new routes designated, and additional picnic areas, interpretive facilities, and backcountry campsites would be provided. Alternative B emphasizes the additional protection of park resources while still providing opportunities for a range of visitor experiences. Under alternative B, the number and frequency of shuttles going from Zion Canyon Lodge to the Temple of Sinawava would be reduced, and the lodge would be converted to a research/environmental education center.

A wild and scenic river suitability/eligibility study is included in the DEIS/GMP for all of the drainages in the park and several drainages on adjacent lands managed by the Bureau of Land Management. The three action alternatives recommend the inclusion of five drainages and their tributaries in the national wild and scenic rivers system.

The DEIS/GMP evaluates the environmental consequences of the proposed action and the other alternatives on natural resources (e.g., the North Fork of the Virgin River floodplain, Virgin spinedace, Mexican spotted owl, desert bighorn sheep) visitor use and experiences (e.g., the range of visitor experiences, natural sounds), and the socioeconomic environment.

#### Public Hearing

**AGENCY:** Overseas Private Investment Corporation.

**ACTION:** Notice of public hearing.

**SUMMARY:** This notice sets forth the schedule and requirements for participation in an annual public hearing to be conducted by the Overseas Private Investment Corporation (OPIC) on December 21, 1999. This hearing is

required by the OPIC Amendments Act of 1985, and this notice is being published to facilitate public participation. The notice also describes OPIC and the subject matter of the hearing.

**DATES:** The hearing will be held on December 21, 1999, and will begin promptly at 2 p.m. Prospective participants must submit to OPIC before close of business December 14, 1999, notice of their intent to participate.

**ADDRESSES:** The location of the hearing will be: Overseas Private Investment Corporation, 1100 New York Avenue, NW, 12th Floor, Washington, DC. Notices and prepared statements should be sent to Harvey Himberg, Financial Management and Statutory Review Department, Overseas Private Investment Corporation, 1100 New York Avenue, NW, Washington, DC 20527 (e-mail at [hhimb@opic.gov](mailto:hhimb@opic.gov) or facsimile at (202) 218-0177).

#### *Procedure*

(a) *Attendance; Participation.* The hearing will be open to the public. However, a person wishing to present views at the hearing must provide OPIC with advance notice on or before December 14, 1999. The notice must include the name, address and telephone number of the person who will make the presentation, the name and address of the organization which the person represents (if any) and a concise summary of the subject matter of the presentation.

(b) *Prepared Statements.* Any participant wishing to submit a prepared statement for the record must submit it to OPIC with the notice or, in any event, not later than 5 p.m. on December 17, 1999. Prepared statements must be typewritten, double spaced and may not exceed twenty-five (25) pages.

(c) *Duration of Presentations.* Oral presentations will in no event exceed ten (10) minutes, and the time for individual presentations may be reduced proportionately, if necessary, to afford all prospective participants on a particular subject an opportunity to be heard or to permit all subjects to be covered.

(d) *Agenda.* Upon receipt of the required notices, OPIC will prepare an agenda for the hearing setting forth the subject or subjects on which each participant will speak and the time allotted for each presentation. OPIC will provide each prospective participant with a copy of the agenda.

(e) *Publication of Proceedings.* A verbatim transcript of the hearing will be compiled. The transcript will be available to members of the public at the cost of reproduction.

**SUPPLEMENTARY INFORMATION:** OPIC is a U.S. Government agency which provides, on a commercial basis, political risk insurance and financing in friendly developing countries and emerging democracies for environmentally sound projects which confer positive developmental benefits upon the project country while creating employment in the U.S. OPIC is required by section 231A(b) of the Foreign Assistance Act of 1961, as amended ("the Act") to hold at least one public hearing each year.

Among other issues, OPIC's annual public hearing has, in previous years, provided a forum for testimony concerning section 231A(a) of the Act. This section provides that OPIC may operate its programs only in those countries that are determined to be "taking steps to adopt and implement laws that extend internationally recognized worker rights to workers in that country (including any designated zone in that country)."

Based on consultations with Congress, OPIC complies with annual determinations made by the Executive Branch with respect to worker rights for countries that are eligible for the Generalized System of Preferences (GSP). Any country for which GSP eligibility is revoked on account of its failure to take steps to adopt and implement internationally recognized worker rights is subject concurrently to the suspension of OPIC programs until such time as a favorable worker rights determination can be made.

For non-GSP countries in which OPIC operates its programs, OPIC reviews any country which is the subject of a formal challenge at its annual public hearing. To qualify as a formal challenge, testimony must pertain directly to the worker rights requirements of the law as defined in OPIC's 1985 reauthorizing legislation (Pub. L. 99-204) with reference to the Trade Act of 1974, as amended, and be supported by factual information.
