Submission for OMB Review; Comment Request

DOC has submitted to the Office of Management and Budget (OMB) for clearance the following proposal for collection of information under the provisions of the Paperwork Reduction Act (44 U.S.C. chapter 35).

Agency: U.S. Census Bureau.

Title: Annual Capital Expenditures Survey.

Form Number(s): ACE-1, ACE-1(L), ACE-2, ACE-2(L).

Agency Approval Number: 0607-0782.

Type of Request: Revision of a currently approved collection.

Burden: 139,000 hours.

Number of Respondents: 59,000.

Avg. Hours Per Response: 2 hours and 22 minutes.

Needs and Uses: The Census Bureau plans the continuing information collection for the Annual Capital Expenditures Survey (ACES). The annual survey collects data on fixed assets and depreciation, sales and receipts, and capital expenditures for new and used structures and equipment. The ACES is the sole source of detailed comprehensive statistics on actual business spending by domestic, private, nonfarm businesses operating in the United States. Business spending data are used to evaluate the quality of estimates of gross domestic product, develop monetary policy, analyze business asset depreciation, and improve estimates of capital stock for productivity analysis. Industry analysts use these data for market analysis, economic forecasting, identifying business opportunities, product development, and business planning.

The major changes to the ACES are the elimination of our request for detailed types structures and types of equipment data from employer businesses, the elimination of research on new (birth) establishments, and the incorporation of the North American Industry Classification System (NAICS) into the survey.

Affected Public: Businesses or other for-profit organizations, Not-for-profit institutions.

Frequency: Annually.

Respondent's Obligation: Mandatory.

Legal Authority: Title 13 U.S.C., Sections 182, 224, and 225.

OMB Desk Officer: Susan Schechter, (202) 395-5103.

Copies of the above information collection proposal can be obtained by calling or writing Linda Engelmeier, DOC Forms Clearance Officer, (202) 482-3272, Department of Commerce, room 5027, 14th and Constitution Avenue, NW, Washington, DC 20230 (or via the Internet at LEngelme@doc.gov).

Written comments and recommendations for the proposed information collection should be sent within 30 days of publication of this notice to Susan Schechter, OMB Desk Officer, room 10201, New Executive Office Building, Washington, DC 20503.

Dated: December 21, 1999.

Madeleine Clayton,

Management Analyst, Office of the Chief Information Officer.

Submission for OMB Review; Comment Request

DOC has submitted to the Office of Management and Budget (OMB) for clearance the following proposal for collection of information under the provisions of the Paperwork Reduction Act (44 U.S.C. chapter 35).

Agency: U.S. Census Bureau.

Title: 2000 Survey of Program Dynamics.

Form Number(s): CAI Automated Instrument.

Agency Approval Number: 0607-0838.

Type of Request: Revision of a currently approved collection.

Burden: 25,150 hours.

Number of Respondents: 42,000.

Avg. Hours Per Response: 36 minutes per respondent, 10 minutes per reinterview.

Needs and Uses: The Census Bureau seeks OMB approval to conduct the 2000 Survey of Program Dynamics (SPD). The SPD provides the basis for an overall evaluation of how well welfare reforms are achieving the aims of the Administration and the Congress and meeting the needs of the American people. This survey simultaneously measures the important features of the full range of welfare programs, including programs that are being reformed and those that are unchanged, and the full range of other important social, economic, demographic, and family changes that will facilitate or limit the effectiveness of the reforms.

The SPD is a longitudinal study that follows a subset of the respondents from the 1992 and 1993 panels of the Survey of Income and Program Participation (SIPP). The SPD was first implemented in the spring of 1997 with a bridge survey that provided a link to baseline data for the period prior to the implementation of welfare reforms. The first full-scale SPD was conducted in 1998. Annual surveys will be conducted through 2002. The data gathered for the 10-year period (1992-2002) will aid in assessing short-to medium-term consequences of outcomes of the welfare legislation.

The majority of questions used in the 2000 SPD will remain the same as those from the 1999 SPD. However, some new questions for 2000 have been requested by policymakers. These include questions on children's residential history and changes to questions about public assistance and work training. Like the 1997 SPD Bridge survey, the 1998 SPD, and the 1999 SPD, the 2000 SPD uses a computer-assisted

interviewing instrument on laptops for personal visits and telephone interviews.

Affected Public: Individuals or households.

Frequency: Annually.

Respondent's Obligation: Voluntary.

Legal Authority: Title 13, United States Code, Section 182, and Public Law 104-193, Section 414 (signed 8/22/96), Title 42, United States Code, Section 614.

OMB Desk Officer: Susan Schechter, (202) 395-5103.

Copies of the above information collection proposal can be obtained by calling or writing Linda Engelmeier, DOC Forms Clearance Officer, (202) 482-3272, Department of Commerce, room 5027, 14th and Constitution Avenue, NW, Washington, DC 20230 (or via the Internet at LEngelme@doc.gov).

Submission For OMB Review; Comment Request

DOC has submitted to the Office of Management and Budget (OMB) for clearance the following proposal for collection of information under the provisions of the Paperwork Reduction Act (44 U.S.C. chapter 35).

Agency: U.S. Census Bureau.

Title: Quarterly Survey of the Finances of Public Employee Retirement Systems.

Form Number(s): F-10.

Agency Approval Number: 0607-0143.

Type of Request: Revision of a currently approved collection.

Burden: 408 hours.

Number of Respondents: 102.

Avg Hours Per Response: 1 hour.

Needs and Uses: This survey provides, on a quarterly basis, nationwide data on the cash and security holdings of the 102 largest public-employee retirement systems. These 102 systems control billions of asset dollars and represent 80 percent of the total assets of all public employee retirement systems. The most important

information this survey provides is the quarterly change in composition of the securities holdings of this component of the economy. The Federal Reserve Board, the Bureau of Economic Analysis, and others use these data to monitor and analyze investment trends and to formulate governmental economic policies and investment decisions.

In this request, we are revising the form to make it compatible with our annual collection of government finance data in the Annual Survey of Government Finances (OMB number 0607-0585). We will also begin asking for both book value and market value of bonds and stocks in an effort to eliminate confusion over which value to report. This is also in-line with reporting in the annual government finance collection.

Affected Public: State, Local, or Tribal Government.

Frequency: Quarterly.

Respondent's Obligation: Voluntary.

Legal Authority: Title 13 U.S.C., Section 182.

OMB Desk Officer: Susan Schechter, (202) 395-5103.

Background

In accordance with 19 CFR 351.213(b)(2), Aceros Camesa, S.A. de C.V. ("Camesa"), a Mexican producer of subject merchandise, requested that we conduct an administrative review of its sales. Petitioners in the proceeding, the Committee of Domestic Steel Wire Rope and Specialty Cable Manufacturers ("the Committee"), also requested a review of Camesa's sales, in accordance with 19 CFR 351.213(b)(1). We published a notice of initiation of this antidumping administrative review on April 30, 1999 (64 FR 23269).

In accordance with 19 CFR 351.214, Cablesa, S.A. de C.V. ("Cablesa"), a Mexican producer of subject merchandise, requested that we conduct a new shipper review of its sales. We published a notice of initiation of this new shipper review on May 7, 1999 (64 FR 24573). After receiving a waiver of the normal time limits for a new shipper review from Cablesa under 19 CFR 351.214(j)(3), we decided to publish the results of this new shipper review simultaneously with the results of the administrative review. *See* 64 FR 61825 (November 15, 1999).
