Submission For OMB Review; Comment Request

DOC has submitted to the Office of Management and Budget (OMB) for clearance the following proposal for collection of information under the provisions of the Paperwork Reduction Act (44 U.S.C. chapter 35).

Agency: U.S. Census Bureau.

Title: Quarterly Survey of the Finances of Public Employee Retirement Systems.

Form Number(s): F-10.

Agency Approval Number: 0607-0143.

Type of Request: Revision of a currently approved collection.

Burden: 408 hours.

Number of Respondents: 102.

Avg Hours Per Response: 1 hour.

Needs and Uses: This survey provides, on a quarterly basis, nationwide data on the cash and security holdings of the 102 largest public-employee retirement systems. These 102 systems control billions of asset dollars and represent 80 percent of the total assets of all public employee retirement systems. The most important

information this survey provides is the quarterly change in composition of the securities holdings of this component of the economy. The Federal Reserve Board, the Bureau of Economic Analysis, and others use these data to monitor and analyze investment trends and to formulate governmental economic policies and investment decisions.

In this request, we are revising the form to make it compatible with our annual collection of government finance data in the Annual Survey of Government Finances (OMB number 0607-0585). We will also begin asking for both book value and market value of bonds and stocks in an effort to eliminate confusion over which value to report. This is also in-line with reporting in the annual government finance collection.

Affected Public: State, Local, or Tribal Government.

Frequency: Quarterly.

Respondent's Obligation: Voluntary.

Legal Authority: Title 13 U.S.C., Section 182.

OMB Desk Officer: Susan Schechter, (202) 395-5103.

Copies of the above information collection proposal can be obtained by calling or writing Linda Engelmeier, DOC Forms Clearance Officer, (202) 482-3272, Department of Commerce, room 5027, 14th and Constitution Avenue, NW, Washington, DC 20230 (or via the Internet at LEngelme@doc.gov).

Written comments and recommendations for the proposed information collection should be sent within 30 days of publication of this notice to Susan Schechter, OMB Desk Officer, room 10201, New Executive Office Building, Washington, DC 20503.

Carbon Steel Wire Rope from Mexico: Extension of Time Limits for Preliminary Results of Antidumping Duty Administrative Review and New Shipper Review

ACTION: Notice of extension of time limits for preliminary results of

Antidumping Duty Administrative Review and New Shipper Review.

EFFECTIVE DATE: December 27, 1999.

Mark Hoadley or Maureen Flannery, AD/CVD Enforcement, Import Administration, International Trade Administration, US Department of Commerce, 14th Street and Constitution Avenue, N.W., Washington DC 20230; telephone: (202) 482-0666 or (202) 482-3020, respectively.

The Applicable Statute

Unless otherwise indicated, all citations to the statute are references to the provisions effective January 1, 1995, the effective date of the amendments made to the Tariff Act of 1930 (the Act) by the Uruguay Round Agreements Act. In addition, unless otherwise indicated, all citations to the Departments' regulations are to the current regulations, codified at 19 CFR Part 351 (1999).

Background

In accordance with 19 CFR 351.213(b)(2), Aceros Camesa, S.A. de C.V. ("Camesa"), a Mexican producer of subject merchandise, requested that we conduct an administrative review of its sales. Petitioners in the proceeding, the Committee of Domestic Steel Wire Rope and Specialty Cable Manufacturers ("the Committee"), also requested a review of Camesa's sales, in accordance with 19 CFR 351.213(b)(1). We published a notice of initiation of this antidumping administrative review on April 30, 1999 (64 FR 23269).

In accordance with 19 CFR 351.214, Cablesa, S.A. de C.V. ("Cablesa"), a Mexican producer of subject merchandise, requested that we conduct a new shipper review of its sales. We published a notice of initiation of this new shipper review on May 7, 1999 (64 FR 24573). After receiving a waiver of the normal time limits for a new shipper review from Cablesa under 19 CFR 351.214(j)(3), we decided to publish the results of this new shipper review simultaneously with the results of the administrative review. *See* 64 FR 61825 (November 15, 1999).

On November 30, 1999, in accordance with section 751(a)(3)(A), the Department issued an extension of the preliminary determination due date of both reviews by 7 days to December 8, 1999.

Extension of Time Limits for Final Results

Section 751(a)(3)(A) of the Act directs the Department to make a preliminary determination within 245 days for each

administrative review. This section provides, however, that "if it is not practicable to complete the review within the foregoing time, the administrative authority may extend that 245-day period to 365 days . . ." Because of the complexities enumerated in the *Memorandum from Joseph A. Spetrini to Robert S. LaRussa, Extension of Time Limits for the Preliminary Results of Review of Steel Wire Rope from Mexico*, dated December 7, 1999, the Department has determined that it is not practical to complete these reviews by December 8, 1999.

Therefore, in accordance with section 751(a)(3)(A) of the Act, the Department is extending the time limits for the preliminary results of the administrative review and new shipper review by 113 days to March 30, 2000.

Dated: December 8, 1999.

Joseph A. Spetrini,

Deputy Assistant Secretary for AD/CVD Enforcement III.

The Applicable Statute

Background

On August 19, 1993, the Department published in the **Federal Register** (58 FR 44162) the antidumping duty orders on certain corrosion-resistant carbon steel flat products and certain cut-to-length carbon steel plate from Canada. Based on timely requests by petitioners and respondents in both proceedings, the Department published its initiation of these antidumping duty administrative reviews covering the period of August 1, 1997 through July 31, 1998 on September 29, 1998 (63 FR 51893). On August 19, 1999, the Department published the preliminary results of review (64 FR 45228).

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

ACTION: Notice of final results of changed circumstances antidumping

duty administrative review and intent to revoke antidumping duty order, in part.

SUMMARY: On November 3, 1999, the Department of Commerce published a notice of preliminary results of changed circumstances review and intent to revoke the order, in part, of the antidumping duty order on large newspaper printing presses and components thereof, whether assembled or unassembled, from Japan. We gave interested parties an opportunity to comment on the preliminary results. No party opposed the preliminary results. We received comments only from Mitsubishi Heavy Industries, Ltd., requesting that the Department of Commerce clarify the application of the proposed certification requirements with respect to entries of the merchandise covered by the partial revocation.

We are now revoking this order, in part, based on the fact that producers accounting for substantially all production of the domestic like product, as described in our preliminary results of changed circumstances, support the request of Goss Graphic Systems, Inc., the petitioner and a U.S. producer of the subject merchandise, for revocation, in part, of the order with regard to large newspaper printing presses ("LNPP") and components thereof, whether assembled or unassembled, from Japan, as described below.

EFFECTIVE DATE: December 27, 1999.
