SUPPLEMENTARY INFORMATION: Title V of Pub.L. 105-383 provides authority to the Secretary of Transportation to administratively waive the U.S.-build requirements of the Jones Act, and other statutes, for small commercial passenger vessels (less than 12 passengers). This authority has been delegated to the Maritime Administration per 49 CFR 1.66, Delegations to the Maritime Administrator, as amended. By this notice, MARAD is publishing information on a vessel for which a request for a U.S.-build waiver has been received, and for which MARAD requests comments from interested parties. Comments should refer to the docket number of this notice and the vessel name in order for MARAD to properly consider the comments. Comments should also state the commentator's interest in the waiver application, and address the waiver criteria given in § 388.4 of MARAD'S regulations at 46 CFR 388.

Vessel Proposed for Waiver of the U.S.-Build Requirement

(1) Name of vessel and owner for which waiver is requested: ULTRA GRAND SLAM, USCG Documentation No. 1066376 owner: according to the applicant "the owner of the vessel ULTRA GRAND SLAM is C & J Enterprises Co. inc. d/b/a Charter Boat Grand Slam, an entity of the United States. The corporate officer is Craig Jiovani". (2) Size, capacity and tonnage of vessel: Hull length 46'9", beam: 15'9", depth: 9'8", tonnages: Gross—49.82, Net—19.93, measured pursuant to 46 U.S.C. 14502.

(3) Intended use for vessel, including geographic region of intended operation and trade. According to the applicant: "The vessel ULTRA GRAND SLAM will be used to carry six or less passengers for hire, solely within the coastal waters

of the State of Florida, and also outside the limits of the United States."

(4) Date and place of construction and (if applicable) rebuilding. Date of construction: 1971 Place of original construction: construction was believed to have taken place in Baltimore, MD, USA. However, due to the absence of sufficient builder certification necessary to meet U.S. documentation standards to qualify for a coastwise endorsement, for the purposes of waivers permitted under Pub.L. 105-383 the vessel is considered to not have been built in the United States.

(5) A statement on the impact this waiver will have on other commercial passenger vessel operators. According to the applicant: "I, Craig Jiovani, as the President of C & J Enterprises Co. Inc. d/b/a/ Charter Boat Grand Slam, sole owner of the subject vessel, hereby attest to the fact that the much coveted Small Vessel Waiver will not unduly adversely affect either U.S. flagged vessel operators or U.S. shipbuilders."

(6) A statement on the impact this waiver will have on U.S. shipyards. In addition to the statement above, also according to the applicant: "Having been constructed entirely in Baltimore, Maryland in 1971, a Small Vessel Waiver will have no impact whatsoever on U.S. shipyards. All major components used on the vessel are U.S. Constructed."

By Order of the Maritime Administrator.

Dated: March 23, 2000.

Joel C. Richard,

Secretary, Maritime Administration.

[STB Finance Docket No. 33859]

Indiana Southwestern Railway Co.—Acquisition and Operation Exemption—Evansville Terminal Company, Inc. and AB Rail Investments, Inc.

Indiana Southwestern Railway Co. (ISW), a noncarrier, has filed a verified notice of exemption under 49 CFR 1150.31 to purchase and operate two connecting lines of railroad in Vanderburgh and Posey Counties, IN, as follows: (1) Approximately 17.2 route miles from Evansville to Poseyville, owned by the Evansville Terminal Company (ETC); and (2) approximately 4.667 route miles from Poseyville to

Cynthiana, owned by AB Rail Investments, Inc.¹

The parties reported that they intended to consummate the transaction on or about March 15, 2000. The earliest the transaction could have been consummated was March 15, 2000, the effective date of the exemption (7 days after the exemption was filed).

This transaction is related to STB Finance Docket No. 33858, *Pioneer Railcorp—Continuance in Control Exemption—Indiana Southwestern Railway Co.*, wherein Pioneer Railcorp has concurrently filed a verified notice to continue in control of ISW upon its becoming a Class III rail carrier.

If the verified notice contains false or misleading information, the exemption is void *ab initio*. Petitions to reopen the proceeding to revoke the exemption under 49 U.S.C. 10502(d) may be filed at any time. The filing of a petition to revoke will not automatically stay the transaction.

An original and 10 copies of all pleadings, referring to STB Finance Docket No. 33859, must be filed with the Surface Transportation Board, Office of the Secretary, Case Control Unit, 1925 K Street, N.W., Washington, DC 20423-0001. In addition, a copy of each pleading must be served on John D. Heffner, Esq., Rea, Cross & Auchincloss, 1707 L Street, NW., Suite 570, Washington, DC 20036.

[STB Finance Docket No. 33858]

Pioneer Railcorp—Continuance in Control Exemption—Indiana Southwestern Railway Co.

Pioneer Railcorp (Pioneer), a noncarrier holding company, has filed a notice of exemption to continue in control of Indiana Southwestern Railway Co. (ISW), upon ISW's becoming a carrier.

The transaction was scheduled to be consummated on March 15, 2000.

This transaction is related to STB Finance Docket No. 33859, *Indiana*

¹ ETC currently operates both lines of railroad.

Southwestern Railway Co.—Acquisition and Operation Exemption—Evansville Terminal Company, Inc. and AB Rail Investments, Inc., wherein ISW seeks to acquire and operate two connecting lines of railroad currently owned by Evansville Terminal Company Inc. and AB Rail Investments, Inc.

At the time it filed the notice, Pioneer owned and controlled thirteen existing Class III shortline rail carriers: West Michigan Railroad Co., operating in Michigan; Fort Smith Railroad Co., operating in Arkansas; Alabama Railroad Co., operating in Alabama; Mississippi Central Railroad Co., operating in Mississippi and Tennessee; Alabama & Florida Railway Co., Inc., operating in Alabama; Decatur Junction Railway Co., operating in Illinois; Vandalia Railroad Company, operating in Illinois; Keokuk Junction Railway Co., operating in Iowa and Illinois; Michigan Southern Railroad Company, operating in Michigan and Indiana; Shawnee Terminal Railway Company, operating in Illinois; Pioneer Industrial Railway Co., operating in Illinois; Michigan Southern Railroad Co., Inc., operating in Michigan and Indiana; and Garden City Western Railway, Inc., operating in Kansas.

Pioneer states that: (i) The railroads will not connect with each other or any railroad in their corporate family; (ii) The continuance-in-control is not part of a series of anticipated transactions that would connect the fourteen railroads with each other or any railroad in their corporate family; and (iii) The transaction does not involve a Class I carrier. Therefore, the transaction is exempt from the prior approval requirements of 49 U.S.C. 11323. *See* 49 CFR 1180.2(d)(2).

Under 49 U.S.C. 10502(g), the Board may not use its exemption authority to relieve a rail carrier of its statutory obligation to protect the interests of its employees. Section 11326(c), however, does not provide for labor protection for transactions under sections 11324 and 11325 that involve only Class III rail carriers. Because this transaction involves Class III rail carriers only, the Board, under the statute, may not impose labor protective conditions for this transaction.

If the notice contains false or misleading information, the exemption is void *ab initio*. Petitions to revoke the exemption under 49 U.S.C. 10502(d) may be filed at any time. The filing of a petition to revoke will not automatically stay the transaction.

An original and 10 copies of all pleadings, referring to STB Finance Docket No. 33858, must be filed with the Surface Transportation Board, Office

of the Secretary, Case Control Unit, 1925 K Street, NW., Washington, DC 20423–0001. In addition, a copy of each pleading must be served on John D. Heffner, Esq., Rea, Cross & Auchincloss, 1707 L Street, NW., Suite 570, Washington, DC 20036.
