## FEDERAL MARITIME COMMISSION

### Fact Finding Investigation No. 23—Ocean Common Carrier Practices in the Transpacific Trades; Order Discontinuing Proceeding

On September 21, 1998, pursuant to the Shipping Act of 1984, 46 U.S.C. app. 1701 *et seq.* ("Act"), the Federal Maritime Commission ("Commission") commenced this nonadjudicatory fact finding proceeding to investigate allegations that ocean common carriers in the eastbound Transpacific trades were engaging in activities that may be in violation of certain provisions of the Act. Commissioner Delmond J.H. Won was appointed as Investigative Officer and was authorized to hold hearings and to utilize compulsory processes, including subpoenas, to obtain relevant testimony and documents. Commissioner Won conducted an expedited investigation and submitted a confidential Report and Recommendations ("Report") to the Commission on January 5, 1999.

A summary of Commissioner Won's Report was released to the public on March 12, 1999. Generally, as indicated by the summary, the Investigative Officer concluded that evidence cited in the Report corroborates allegations that carriers in the eastbound Transpacific trades, faced with shortages of space during the peak 1998 holiday shipping season, refused to carry low rated cargo at applicable contract rates, targeted the cargo of non-vessel-operating common carriers ("NVOCCs") for rate and space discrimination, and imposed significant and sudden increases in rates and charges. Among other things, the Report concludes that space was allocated in many instances on the basis of profit to the carrier without regard to existing service contracts; and that bookings were often rejected unless the shipper agreed to significantly increased rates or charges. Large, reliable contract shippers were said generally to have received preferential space allocations.

By order dated April 14, 1999, the Commission determined to pursue certain of the Report's findings through further investigation and enforcement action under sections 8, 10 and 11 of the Act, as appropriate. Accordingly, the Commission instituted a show cause proceeding in Docket No. 99-05, ANERA and Its Members, Opting Out of
