

postcard will be date stamped and returned to the commenter.

### Agency Findings

The regulations adopted herein will not have substantial direct effects on the States, on the relationship between the national government and the States, or on the distribution of power and responsibilities among the various levels of government. Therefore, it is determined that this final rule will not have federalism implications under Executive Order 13132.

Further, the FAA has determined that this regulation is noncontroversial and unlikely to result in adverse or negative comments and only involves an established body of technical regulations that require frequent and routine amendments to keep them operationally current. Therefore, I certify that this regulation (1) is not a "significant regulatory action" under Executive Order 12866; (2) is not a "significant rule" under DOT Regulatory Policies and Procedures (44 FR 11034; February 26, 1979); and (3) if promulgated, will not have a significant economic impact, positive or negative, on a substantial number of small entities under the criteria of the Regulatory Flexibility Act. Since this rule involves routine matters that will only affect air traffic procedures and air navigation, it does not warrant preparation of a Regulatory Flexibility Analysis because the anticipated impact is so minimal.

### List of Subjects in 14 CFR Part 71

Airspace, Incorporation by reference, Navigation (air).

### Adoption of the Amendment

Accordingly, pursuant to the authority delegated to me, the Federal Aviation Administration amends 14 CFR part 71 as follows:

### PART 71—DESIGNATION OF CLASS A, CLASS B, CLASS C, CLASS D, AND CLASS E AIRSPACE AREAS; AIRWAYS; ROUTES; AND REPORTING POINTS

1. The authority citation for 14 CFR part 71 continues to read as follows:

**Authority:** 49 U.S.C. 106(g), 40103, 40113, 40120; E.O. 10854; 24 FR 9565, 3 CFR, 1959–1963 Comp., p. 389.

#### § 71.1 [Amended]

2. The incorporation by reference in 14 CFR 71.1 of the Federal Aviation Administration Order 7400.9G, *Airspace Designations and Reporting Points*, dated September 1, 1999, and effective September 16, 1999, is amended as follows:

*Paragraph 6005 Class E airspace areas extending upward from 700 feet or more above the surface of the earth.*

\* \* \* \* \*

#### ASW TX E5 Uvalde, TX [Revised]

Uvalde, Garner Field, TX  
(Lat. 29°12'41"N., long. 99°44'37"W.)

Uvalde NDB  
(Lat. 29°10'41"N., long. 99°43'32"W.)

That airspace extending upward from 700 feet above the surface within a 6.5-mile radius of Garner Field and within 4 miles west and 8 miles east of the 155° bearing of the Uvalde NDB extending from the airport to 10 miles southeast of the airport.

\* \* \* \* \*

Issued in Fort Worth, TX, on February 8, 2000.

## DEPARTMENT OF TRANSPORTATION

### Federal Aviation Administration

#### 14 CFR Part 71

[Airspace Docket No. 2000–ASW–03]

#### Revision of Class E Airspace; Port Lavaca, TX

**AGENCY:** Federal Aviation Administration (FAA), DOT.

**ACTION:** Direct final rule; request for comments.

**SUMMARY:** This amendment revises the Class E airspace at Port Lavaca, TX. The development of a Nondirectional Radio Beacon (NDB) Standard Instrument Approach Procedure (SIAP), at Calhoun County Airport, Port Lavaca, TX, has made this rule necessary. This action is intended to provide adequate controlled airspace extending upward from 700 feet or more above the surface for Instrument Flight Rules (IFR) operations to Calhoun County Airport, Port Lavaca, TX.

**DATES:** Effective 0901 UTC, June 15, 2000. Comments must be received on or before April 3, 2000. Comments must be received on or before April 3, 2000.

**ADDRESSES:** Send comments on the rule in triplicate to Manager, Airspace Branch, Air Traffic Division, Federal Aviation Administration, Southwest Region, Docket No. 2000–ASW–03, Fort Worth, TX 76193–0520. The official docket may be examined in the Office of the Regional Counsel, Southwest Region, Federal Aviation Administration, 2601 Meacham Boulevard, Room 663, Fort Worth, TX,

between 9:00 AM and 3:00 PM, Monday through Friday, except Federal holidays. An informal docket may also be examined during normal business hours at the Airspace Branch, Air Traffic Division, Federal Aviation Administration, Southwest Region, Room 414, Fort Worth, TX.

#### FOR FURTHER INFORMATION CONTACT:

Donald J. Day, Airspace Branch, Air Traffic Division, Southwest Region, Federal Aviation Administration, Fort Worth, TX 76193–0520, telephone 817–222–5593.

**SUPPLEMENTARY INFORMATION:** This amendment to 14 CFR part 71 revises the Class E airspace at Port Lavaca, TX. The development of a NDB SIAP, at Calhoun County Airport, Port Lavaca, TX, has made this rule necessary. This action is intended to provide adequate controlled airspace extending upward from 700 feet or more above the surface for Instrument Flight Rules (IFR) operations to Calhoun County Airport, Port Lavaca, TX.

Class E airspace designations are published in Paragraph 6005 of FAA Order 7400.9G, dated September 1, 1999, and effective September 16, 1999, which is incorporated by reference in 14 CFR 71.1. The Class E airspace designation listed in this document will be published subsequently in the order.

#### The Direct Final Rule Procedure

The FAA anticipates that this regulation will not result in adverse or negative comment and therefore is issuing it as a direct final rule. A substantial number of previous opportunities provided to the public to comment on substantially identical actions have resulted in negligible adverse comments or objections. Unless a written adverse or negative comment, or a written notice of intent to submit an adverse or negative comment is received within the comment period, the regulation will become effective on the date specified above. After the close of the comment period, the FAA will publish a document in the **Federal Register** indicating that no adverse or negative comments were received and confirming the date on which the final rule will become effective. If the FAA does receive, within the comment period, an adverse or negative comment, or written notice of intent to submit such a comment, a document withdrawing the direct final rule will be published in the **Federal Register**, and a notice of proposed rulemaking may be published with a new comment period.

#### Comments Invited

Although this action is in the form of a final rule and was not preceded by a

notice of proposed rulemaking, comments are invited on this rule. Interested persons are invited to comment on this rule by submitting such written data, views, or arguments as they may desire. Communications should identify the Rules Docket number and be submitted in triplicate to the address specified under the caption **ADDRESSES**. All communications received on or before the closing date for comments will be considered, and this rule may be amended or withdrawn in light of the comments received. Factual information that supports the commenter's ideas and suggestions is extremely helpful in evaluating the effectiveness of this action and determining whether additional rulemaking action is needed.

Comments are specifically invited on the overall regulatory, economic, environmental, and energy aspects of the rule that might suggest a need to modify the rule. All comments submitted will be available, both before and after the closing date for comments, in the Rules Docket for examination by interested persons. A report that summarizes each FAA-public contact concerned with the substance of this action will be filed in the Rules Docket.

Commenters wishing the FAA to acknowledge receipt of their comments submitted in response to this rule must submit a self-addressed, stamped postcard on which the following statement is made: "Comments to Docket No. 2000-ASW-03." The postcard will be date stamped and returned to the commenter.

#### Agency Findings

The regulations adopted herein will not have substantial direct effects on the States, on the relationship between the national government and the States, or on the distribution of power and responsibilities among the various levels of government. Therefore, it is determined that this final rule will not have federalism implications under Executive Order 13132.

Further, the FAA has determined that this regulation is noncontroversial and unlikely to result in adverse or negative comments and only involves an established body of technical regulations that require frequent and routine amendments to keep them operationally current. Therefore, I certify that this regulation (1) is not a "significant regulatory action" under Executive Order 12866; (2) is not a "significant rule" under DOT Regulatory Policies and Procedures (44 FR 11034; February 26, 1979); and (3) if promulgated, will not have a significant economic impact, positive or negative,

on a substantial number of small entities under the criteria of the Regulatory Flexibility Act. Since this rule involves routine matters that will only affect air traffic procedures and air navigation, it does not warrant preparation of a Regulatory Flexibility Analysis because the anticipated impact is so minimal.

#### List of Subjects in 14 CFR Part 71

Airspace, Incorporation by reference, Navigation (air).

#### Adoption of the Amendment

Accordingly, pursuant to the authority delegated to me, the Federal Aviation Administration amends 14 CFR part 71, as follows:

#### **PART 71—DESIGNATION OF CLASS A, CLASS B, CLASS C, CLASS D, AND CLASS E AIRSPACE AREAS; AIRWAYS; ROUTES; AND REPORTING POINTS**

1. The authority citation for 14 CFR part 71 continues to read as follows:

**Authority:** 49 U.S.C. 106(g), 40103, 40113, 40120; E.O. 10854; 24 FR 9565, 3 CFR, 1959–1963 Comp., p. 389.

##### **§ 71.1 [Amended]**

2. The incorporation by reference in 14 CFR 71.1 of the Federal Aviation Administration Order 7400.9G, *Airspace Designations and Reporting Points*, dated September 1, 1999, and effective September 16, 1999, is amended as follows:

*Paragraph 6005 Class E airspace areas extending upward from 700 feet or more above the surface of the earth.*

\* \* \* \* \*

##### **ASW TX E5 Port Lavaca, TX [Revised]**

Port Lavaca, Calhoun County Airport, TX  
(Lat. 28°39'15"N., long. 96°40'53"W.)  
Port Lavaca NDB  
(Lat. 28°39'02"N., long. 96°40'53"W.)

That airspace extending upward from 700 feet above the surface within a 7.1-mile radius of Calhoun County Airport and within 2.5 miles each side of the 330° bearing of the Port Lavaca NDB extending from the 7.1-mile radius to 7.5 miles northwest of the airport.

\* \* \* \* \*

Issued in Fort Worth, TX, on February 8, 2000.

## **DEPARTMENT OF TRANSPORTATION**

### **Federal Aviation Administration**

#### **14 CFR Part 71**

[Airspace Docket No. 99-ASW-34]

#### **Revision of Class E Airspace; Bonham, TX**

**AGENCY:** Federal Aviation Administration (FAA), DOT.

**ACTION:** Direct final rule; correction.

**SUMMARY:** This action corrects an error in the legal description of a direct final rule that was published in the **Federal Register** on January 6, 2000 (65 FR 700) that revised the Class E Airspace at Bonham, TX.

**EFFECTIVE DATE:** 0901 UTC, February 17, 2000.

**FOR FURTHER INFORMATION CONTACT:** Donald J. Day, Airspace Branch, Air Traffic Division, Southwest Region, Federal Aviation Administration, Fort Worth, TX 76193-0520, telephone 817-342-5593.

#### **SUPPLEMENTARY INFORMATION:**

##### **History**

On January 6, 2000 (65 FR 700), the FAA published a direct final rule that revised the description of the Class E airspace area at Bonham, TX. However, an error was made in the legal description for the Bonham, TX Class E airspace area. The extension, based on the location of the Rayburn NDB, within "2.5 miles each side of the 347° bearing from the Rayburn NDB extending from the 6.4-mile radius to 7.5 miles northwest of the airport" was incorrectly included. That extension was already included in the legal description and was unnecessary.

##### **Correction to Final Rule**

Accordingly, pursuant to the authority delegated to me, the publication on January 6, 2000; FR DOC 00-242 and the legal description in FAA Order 7400.9G which is incorporated by reference in 14 CFR 71.1 are corrected as follows:

##### **§ 71.1 [Corrected]**

\* \* \* \* \*

On page 701, the legal description is corrected to read as follows:

##### **ASW TX E5 Bonham, TX [Revised]**

Bonham, Jones Field, TX  
(Lat. 33°36'42"N., long. 96°10'46"W.)  
Bonham VORTAC  
(Lat. 33°32'15"N., long. 96°14'03"W.)

That airspace extending upward from 700 feet above the surface within a 6.4-mile radius of Jones Field and within 4 miles east
