BILLING CODE 4163-19-P

DEPARTMENT OF HEALTH AND HUMAN SERVICES

Centers for Disease Control and Prevention

Statement of Organization, Functions, and Delegations of Authority

Part C (Centers for Disease Control and Prevention) of the Statement of Organization, Functions, and Delegations of Authority of the Department of Health and Human Services (45 FR 67772-76, dated October 14, 1980, and corrected at 45 FR 69296, October 20, 1980, as amended most recently at 65 FR 70916, dated November 28, 2000) is amended to revise the mission statement for the Management Analysis and Services

Office, Office of Program Services, to (1) reflect responsibility for coordinating CDC's special events activities and (2) realign internal subordinate functions.

Section C-B, Organization and Functions, is hereby amended as follows:

Delete the functional statement for the *Management Analysis and Services Office (CA59)*, *Office of Program Services (CA5)*, and insert the following:

(1) Plans, coordinates, and provides CDC-wide administrative, technical, management, and information services in the following areas: policy development and consultation, studies and surveys, delegations of authorities, organizations and functions, information security, Privacy Act, confidentiality management, records management, printing procurement and reproduction, classroom and meeting management, forms design and management, publications distribution, mail services, public inquiries, reports and committee management, special events coordination; (2) develops and implements policies and procedures in these areas; (3) conducts management control reviews and coordinates IG/GAO audits; (4) maintains liaison with HHS, General Services Administration, the Government Printing Office, National Archives and Records Administration, and other Government and private agencies.

Delete the functional statement for the *Committee Management and Program Panels Activity (CA592)* and insert the following:

(1) Develops and manages, in conjunction with CDC's grants management requirements, a CDC-wide special emphasis panel that is the primary review mechanism for assuring scientific and programmatic review of applications for grant support; (2) coordinates committee management activities, including Federal advisory committees, for CDC; (3) plans and coordinates CDC special events.

Delete the functional statement for the *Management Procedures Branch (CA594)* and insert the following:

(1) Manages the CDC policy issuance system to include policy development, dissemination, and advisory services; interprets HHS and other directives and assesses their impact on CDC policy, and maintains the official CDC library of administrative management policy and procedures manuals; (2) directs the agency-wide confidentiality management function to process applications for approval to collect sensitive research data in accordance with special confidentiality authorities in Sections 301(d) and 308(d) of the Public Health Service Act; (3)

coordinates IG/GAO audit activities; (4) provides consultation and assistance to CDC program officials and staff in complying with the requirements of the Privacy Act and accompanying guidelines and regulations; (5) provides forms management services, including development, coordination of clearances, and inventory management; (6) plans, develops, and implements policies and procedures in these areas, as appropriate.

Delete the functional statement for the *Management Analysis Branch (CA597)* and insert the following:

(1) Provides consultation and assistance to CDC program officials on the establishment, modification, or abolishment of organizational structures and functions; reviews and analyzes organizational changes; and develops documents for approval by appropriate CDC or HHS officials; (2) conducts management and operational studies for CDC to improve the effectiveness and efficiency of management and administrative systems techniques, policies, and organizational structures; (3) interprets, analyzes, and makes recommendations concerning delegations and redelegations of program and administrative authorities, and develops appropriate delegating documents; (4) develops and coordinates the implementation and conduct of CDC-wide information security programs; (5) conducts a CDC-wide records management program, including provision of technical assistance in the development and conduct of electronic records management activities; (6) plans, directs, and coordinates requirements of OMB Circulars A-76 and A-123 to conduct management review activities and to determine whether certain Agency functions might be more appropriately carried out through or by commercial sources; (7) plans, develops, and implements policies and procedures in these areas, as appropriate.

Delete the functional statement for the *Management Services Branch (CA598)* and insert the following:

(1) Plans and conducts a publications management program, including development, production, procurement, distribution, and storage of CDC publications; (2) plans, directs, coordinates, and implements CDC-wide information distribution services and mail and messenger services, including the establishment and maintenance of mailing lists; (3) maintains liaison with contract suppliers, HHS, the Government Printing Office, and other Government agencies on matters pertaining to printing, copy preparation,

reproduction, and procurement of printing; (4) serves as the focal point for recommending policies and establishing procedures for matters pertaining to energy conservation and recycling; (5) receives and reviews requests received from the public for information and publications, and responds to the requests or forwards to the appropriate CDC program for action; (6) manages the CDC learning environment through classroom and meeting support for CDC's Atlanta campuses; (7) plans, develops, and implements policies and procedures in these areas, as appropriate.

Dated: December 18, 2000.

Jeffrey P. Koplan,
Director.

National Institutes of Health

Submission for OMB Review; Comment Request; The National Epidemiologic Survey on Alcohol and Related Conditions

SUMMARY: Under the provisions of Section 3507(a)(1)(D) of the Paperwork Reduction Act of 1995, the National Institute on Alcohol Abuse and Alcoholism (NIAAA), the National Institutes of Health (NIH) has submitted to the Office of Management and Budget (OMB) a request for review and approval of the information collection listed below. This proposed information collection was previously published in the **Federal Register** on October 17, 2000, page 61342 and allowed 60-days for public comment. No public comments was received. The purpose of this notice is to allow an additional 30 days for public comment. The National Institutes of Health may not conduct or sponsor, and the respondent is not required to respond to, an information collection that has been extended, revised, or implemented on or after October 1, 1995, unless it displays a currently valid OMB control number.

Proposed Collection

Title: The National Epidemiologic Survey on Alcohol and Related Conditions. **Type of Information Collection Request:** NEW. **Need and Use of Information Collection:** This study will determine the incidence and prevalence of alcohol use disorders in a representative sample of the United States population with the primary purpose of estimating the extent and

distribution of alcohol consumption, alcohol use disorders and their associated psychological and medical disabilities across major sociodemographic subgroups. The primary objectives of this first wave of this longitudinal study is to understand the relationships between alcohol consumption, alcohol use disorders and their related disabilities with a view towards designing more effective treatment and intervention programs. The findings will provide valuable information concerning: (1) Trends in alcohol use disorders and their related disabilities in subgroups of the population of special concern; (2) identification of subgroups at high risk for alcohol use disorders that may be complicated by associated psychological and medical disabilities; (3) incidence of alcohol use disorders and their associated disabilities with a view toward understanding their natural history; (4) treatment utilization of alcohol use disorders in order to determine unmet treatment need and linguistic, social, economic and cultural barriers to treatment; (5) the college-aged segment of the population at high risk for binge drinking and its adverse consequences; and (6) the identification of safe and hazardous levels of drinking as they relate to the development of alcohol use disorders and their associated disabilities. **Frequency of Response:** On occasion. **Affected Public:** Individuals. **Type of Respondents:** Adults. The annual reporting burden is as follows: **Estimated Number of Respondents:** 48,000; **Estimated Number of Responses per Respondent:** 1; **Average Burden Hours Per Response:** 1.00; and **Estimated Total Annual Burden Hours Requested:** 48,000. The annualized cost to respondents is estimated at: \$576,000.00. There are no Capital Costs to report. There are no Operating or Maintenance Costs to report.

Request for Comments

Written comments and/or suggestions from the public and affected agencies are invited on one or more of the following points: (1) Whether the proposed collection of information is necessary for the proper performance of the function of the agency, including whether the information will have practical utility; (2) The accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used; (3) Ways to enhance the quality, utility, and clarity of the information to be collected; and (4) Ways to minimize the burden of the collection of information

on those who are to respond, including the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology.

Direct Comments to OMB

Written comments and/or suggestions regarding the item(s) contained in this notice, especially regarding the estimated public burden and associated response time, should be directed to the: Office of Management and Budget, Office of Regulatory Affairs, New Executive Office Building, Room 10235, Washington, DC 20503, Attention: Desk Officer for NIH. To request more information on the proposed project or to obtain a copy of the data collection plans and instruments, contact Dr. Bridget Grant, Chief, Biometry Branch, Division of Biometry and Epidemiology, NIAAA, NIH, Willco Building, Suite 514, 6000 Executive Boulevard, Bethesda, Maryland 20892-7003, or call non-toll-free number (301) 443-7370 or E-mail your request, including your address to: Bgrant@willco.niaaa.nih.gov.

Comments Due Date

Comments regarding this information collection are best assured of having their full effect if received on or before February 7, 2001.

Dated: November 22, 2000.

Stephen Long,

Executive Officer, NIAAA.
