UNITED STATES DEPARTMENT OF AGRICULTURE
FOOD SAFETY AND INSPECTION SERVICE
WASHINGTON, D.C.

and

THE UNIVERSITY OF PUERTO RICO
SAN JUAN, PUERTO RICO

The Food and Drug Administration (FDA), Food and Safety Inspection Service (FSIS), and the University of Puerto Rico (UPR), collectively referred to as the Parties, intend to establish cooperative training and research programs in the product areas subject to regulation by FDA and FSIS as follows:

I. PURPOSE

The purpose of this Memorandum of Understanding (MOU) is to establish a framework for the Parties to collaborate on mutually agreed upon activities in the scientific and regulatory areas as they pertain to products falling within the statutory authority of FDA and FSIS. These efforts are intended to support and encourage the further understanding of science-based regulatory systems in the countries of the Americas and may lead to further cooperation among regulatory authorities.

II. GOALS OF MOU

The Parties intend to work together toward developing:

A. Educational programs covering U.S. laws, regulations and procedures as they pertain to products falling within the statutory authority of FDA and FSIS.

B. Outreach programs designed to recruit Hispanic professionals from the United States and to enhance and sustain the qualifications of professionals in the Americas.

C. Cooperative activities among other academic institutions, authorities, and organizations (e.g., PAHO) in the Americas.

D. Cooperative partnerships in the Americas among government regulatory agencies, academic institutions, regulated industries, and consumers for dissemination and exchange of information developed at UPR through this MOU.

III. ORGANIZATION TO IMPLEMENT MOU

An organization will be formed to implement this MOU that includes representatives from FDA, FSIS, and UPR. The organization will operate according to terms agreed to by the Parties.

IV. RESOURCE OBLIGATIONS

This MOU describes in general terms the basis upon which the Parties intend to cooperate in these activities. It does not create binding, enforceable obligations against any Party.

All activities undertaken pursuant to this MOU are subject to availability of personnel, resources, and appropriated funds.

V. OTHER AGREEMENTS OR ARRANGEMENTS

This MOU does not affect or supercede any existing or future agreements or arrangements among any of the Parties and does not affect the ability of the Parties to enter into other agreements or arrangements related to the purpose of this MOU.
