[Docket No. FR–4644–N–13]

Federal Property Suitable as Facilities To Assist the Homeless

AGENCY: Office of the Assistant Secretary for Community Planning and Development, HUD.

ACTION: Notice.

SUMMARY: This Notice identifies unutilized, underutilized, excess, and surplus Federal property reviewed by HUD for suitability for possible use to assist the homeless,

FOR FURTHER INFORMATION CONTACT:

Clifford Taffet, room 7266, Department of Housing and Urban Development, 451 Seventh Street SW., Washington, DC 20410; telephone (202) 708–1234; TTY number for the hearing- and speech-impaired (202) 708–2565 (these telephone numbers are not toll-free), or call the toll-free Title V information line at 1–800–927–7588.

SUPPLEMENTARY INFORMATION: In accordance with 24 CFR part 581 and section 501 of the Stewart B. McKinney Homeless Assistance Act (42 U.S.C. 11411), as amended, HUD is publishing this Notice to identify Federal buildings and other real property that HUD has reviewed for suitability for use to assist the homeless. The properties were reviewed using information provided to HUD by Federal landholding agencies regarding unutilized and underutilized buildings and real property controlled by such agencies or by GSA regarding its inventory of excess or surplus Federal property. This Notice is also published in order to comply with the December 12, 1988 Court Order in *National Coalition for the Homeless v. Veterans Administration*, No. 88–2503–OG (D.D.C.).

Properties reviewed are listed in this Notice according to the following categories: Suitable/available, suitable/unavailable, suitable/to be excess, and unsuitable. The properties listed in the three suitable categories have been reviewed by the landholding agencies, and each agency has transmitted to HUD: (1) Its intention to make the property available for use to assist the homeless, (2) its intention to declare the property excess to the agency's needs, or (3) a statement of the reasons that the property cannot be declared excess or made available for use as facilities to assist the homeless.

Properties listed as suitable/available will be available exclusively for homeless use for a period of 60 days from the date of this Notice. Homeless assistance providers interested in any such property should send a written expression of interest to HHS, addressed to Brian Rooney, Division of Property Management, Program Support Center, HHS, room 5B–41, 5600 Fishers Lane, Rockville, MD 20857; (301) 443–2265. (This is not a toll-free number.) HHS will mail to the interested provider an application packet, which will include instructions for completing the application. In order to maximize the opportunity to utilize a suitable property, providers should submit their written expressions of interest as soon as possible. For complete details concerning the processing of applications, the reader is encouraged to refer to the interim rule governing this program, 24 CFR part 581.

For properties listed as suitable/to be excess, that property may, if subsequently accepted as excess by GSA, be made available for use by the homeless in accordance with applicable law, subject to screening for other Federal use. At the appropriate time, HUD will publish the property in a Notice showing it as either suitable/available or suitable/unavailable.

For properties listed as suitable/unavailable, the landholding agency has decided that the property cannot be declared excess or made available for use to assist the homeless, and the property will not be available.

Properties listed as unsuitable will not be made available for any other purpose for 20 days from the date of this Notice. Homeless assistance providers interested in a review by HUD of the determination of unsuitability should call the toll free information line at 1–800–927–7588 for detailed instructions or write a letter to Clifford Taffet at the address listed at the beginning of this Notice. Included in the request for review should be the property address (including zip code), the date of

publication in the **Federal Register**, the landholding agency, and the property number.

BILLING CODE 4210-29-M

DEPARTMENT OF THE INTERIOR

Bureau of Indian Affairs

Notice of Availability of the Draft Environmental Impact Statement for the Proposed Moapa Paiute Energy Center and Associated Facilities, Moapa River Indian Reservation and Bureau of Land Management Lands, Clark County, NV

AGENCY: Bureau of Indian Affairs, Interior.

ACTION: Notice.

SUMMARY: This notice advises the public that the Bureau of Indian Affairs (BIA) and the Bureau of Land Management (BLM) intend to file a Draft Environmental Impact Statement (DEIS) for the Proposed Moapa Paiute Energy Center and Associated Facilities with the Environmental Protection Agency. The DEIS was prepared with the

cooperation of the Moapa Band of Paiute Indians (Tribe) and Calpine Corporation (Calpine). The Tribe proposes to lease land and water on the Moapa River Indian Reservation (Reservation) to Calpine for the construction, operation, and maintenance of a nominal baseload 760-megawatt natural gas-fired combined cycle power plant. The proposed term of the lease is 25 years, with the possibility of renewal for an additional 20 years. The purposes of the proposed action are to provide much needed economic development for the Tribe and to provide an alternative power supply to meet the growing demand for power in southern Nevada and the southwestern United States. Details on the project location, proposed action, and areas of environmental concern addressed in the DEIS are provided in the **SUPPLEMENTARY INFORMATION** section. This notice also announces public meetings to solicit comments on the content of the DEIS.

DATES: Written comments on the DEIS must arrive by May 29, 2001. The public meetings will be held on Wednesday, April 18, 2001, from 6:00 p.m. to 8:00 p.m. and on Thursday, April 19, 2001, from 6:00 p.m. to 8:00 p.m.

ADDRESSES: You may mail or hand carry written comments to Amy L. Heuslein, Regional Environmental Protection Officer, Western Regional Office, Bureau of Indian Affairs, Environmental Quality Services, P.O. Box 10, Phoenix, Arizona 85001, or to Deborah Hamlin, Realty Specialist, Southern Paiute Field Station, P.O. Box 720, St. George, Utah 84771.

The April 18, 2001, public meeting will be in the Tribal Hall, Number 1 Lincoln Street, Moapa River Indian Reservation, Moapa, Nevada. The April 19, 2001, public meeting will be in the Guy Elementary School Multi-Purpose Room, 4028 La Madre Way, North Las Vegas, Nevada.

To obtain a hard copy or CD of the DEIS, contact any one of the following: (1) Amy L. Heuslein, Regional Environmental Protection Officer, Western Regional Office, Bureau of Indian Affairs, Environmental Quality Services, P.O. Box 10, Phoenix, Arizona 85001, Telephone 602-379-6750; (2) Deborah Hamlin, Realty Specialist, Southern Paiute Field Station, P.O. Box 720, St. George, Utah 84771, Telephone 435-674-9720 or Telefax 435-674-9714; (3) BLM, Las Vegas Field Office, 4765 Vegas Drive, Las Vegas, Nevada 89108, Telephone 702-647-5000; or (4) the Moapa Band of Paiutes, Tribal Hall, Number 1 Lincoln Street, Moapa River Indian Reservation, Moapa, Nevada,

89025, Telephone 702-865-2787 extension 202.

A hard copy of the DEIS will be available for review at the Clark County Library—Urban Branch, 1401 East Flamingo Road, Las Vegas, Nevada, Telephone 702-733-7810. The DEIS will also be available electronically on the BIA Internet web site at <http://phxao.az.bia.gov/branches/environment/eis.htm>, and on the BLM website at <http://www.nv.blm.gov>.

FOR FURTHER INFORMATION CONTACT:

Amy L. Heuslein, 602-379-6750, or Deborah Hamlin, 435-674-9720.

SUPPLEMENTARY INFORMATION: The proposed project would utilize up to 300 acres of Indian and federal lands under the jurisdiction of BIA, BLM, and the Tribe. The proposed project would be located in Clark County, Nevada, approximately 45 miles northeast of the City of Las Vegas, 15 miles southwest of the City of Glendale, and approximately 3 miles northwest of the Interstate 15 and State Route 169 interchange (location of Moapa Tribal Enterprises). The facility would be located on approximately 65 acres of Reservation land within sections 14 and 15 of Township 16 South, Range 64 East (reference: Arrow Canyon Southeast U.S. Geological Survey Map 7.5-minute series). The transmission lines would be located on Indian and federal lands within sections 14, 15, 22, 27, 28, 32, and 33 of Township 16 South, Range 64 East; sections 9, 16, 17, 20, 29, 30, and 31 of Township 17 South, Range 64 East; section 6 of Township 18 South, Range 64 East; section 1 of Township 18 South, Range 63 East; and section 36 of Township 17, Range 63 East (reference: Arrow Canyon Southeast, Dry Lake, Dry Lake Northwest, and Apex U.S. Geological Survey Maps 7.5-minute series). The access road for the Well Site and plant site would be located on Indian and federal lands within sections 15, 22, 27, 28, and 33 of Township 16 South, Range 64 East; sections 10, 15, 16, 20, 21, 29, 31, and 32 of Township 17 South, Range 64 East; sections 6 and 7 of Township 18 South, Range 64 East; and sections 12 and 13 of Township 18 South, Range 63 East (reference: Arrow Canyon Southeast, Dry Lake, Dry Lake Northwest, and Apex U.S. Geological Survey Maps 7.5-minute series).

Because the BIA has trust responsibility over Indian lands, its approval of the lease between the Tribe and Calpine is a major federal action. The preparation of this DEIS under the National Environmental Policy Act (NEPA) of 1969, as amended, is therefore required in order to evaluate potential impacts and alternatives for
