Foreign-Trade Zones Board

[Order Nos. 1134, 1136 and 1137]

Notice of Correction

On December 28, 2000 and January 22, 2001, the Foreign-Trade Zones Board published in the **Federal Register** Board Orders 1134, 1136 and 1137 approving subzone status for Phillips Petroleum Company in Borger, Texas; Sunoco, Inc. in Toledo, Ohio; and Conoco, Inc. in Ponca City, Oklahoma, subject to restrictions. Subsequent to the publication of these notices, we identified an inadvertent error in Restriction #2 of each order as published. Restriction #2 of Board Orders 1134, 1136, and 1137 should read as follows:

2. Privileged foreign status (19 CFR 146.41) shall be elected on all foreign merchandise admitted to the subzone, except that non-

privileged foreign (NPF) status (19 CFR 146.42) may be elected on refinery inputs covered under HTSUS Subheadings #2709.00.1000–#2710.00.1050, #2710.00.2500 and #2710.00.4510 which are used in the production of:

—Petrochemical feedstocks (examiner's report, Appendix "C");
—Products for export; and,
—Products eligible for entry under HTSUS #9808.00.30 and #9808.00.40 (U.S. Government purchases).

This language reflects the text of Board Orders 1134, 1136 and 1137 as approved by the Foreign-Trade Zones Board. This correction is made pursuant to 15 C.F.R. 400.12(c).

Dated: March 26, 2001.

Dennis Puccinelli,

ACTION: Notice of opportunity to request administrative review of antidumping or countervailing duty order, finding, or suspended investigation.

Each year during the anniversary month of the publication of an antidumping or countervailing duty order, finding, or suspension of investigation, an interested party, as defined in section 771(9) of the Tariff Act of 1930, as amended (the Act), may request, in accordance with section 351.213 (2000) of the Department of Commerce (the Department) Regulations, that the Department conduct an administrative review of that antidumping or countervailing duty order, finding, or suspended investigation.

In accordance with section 351.213(b) of the regulations, an interested party as defined by section 771(9) of the Act may request in writing that the Secretary conduct an administrative review. For both antidumping and countervailing duty reviews, the interested party must specify the individual producers or exporters covered by an antidumping finding or an antidumping or countervailing duty order or suspension agreement for which it is requesting a

review, and the requesting party must state why it desires the Secretary to review those particular producers or exporters. If the interested party intends for the Secretary to review sales of merchandise by an exporter (or a producer if that producer also exports merchandise from other suppliers) which were produced in more than one country of origin and each country of origin is subject to a separate order, then the interested party must state

specifically, on an order-by-order basis, which exporter(s) the request is intended to cover.

Six copies of the request should be submitted to the Assistant Secretary for Import Administration, International Trade Administration, Room 1870, U.S. Department of Commerce, 14th Street & Constitution Avenue, NW., Washington, DC 20230. The Department will publish in the **Federal Register** a notice of "Initiation of Administrative Review of Antidumping or Countervailing Duty Order, Finding, or Suspended Investigation" for requests received by the last day of April 2001. If the Department does not receive, by the last day of April 2001, a request for review of entries covered by an order, finding, or suspended investigation listed in this notice and for the period identified above, the Department will instruct the Customs Service to assess antidumping or countervailing duties on those entries at a rate equal to the cash deposit of (or bond for) estimated antidumping or countervailing duties required on those entries at the time of entry, or withdrawal from warehouse, for consumption and to continue to collect the cash deposit previously ordered.

This notice is not required by statute but is published as a service to the international trading community.

Dated: March 23, 2001.

Holly A. Kuga,

Acting Deputy Assistant Secretary for Import Administration, Group II.

January 2001 Sunset Reviews: Final Result and Revocation

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

ACTION: Notice of final results of sunset reviews and revocation of antidumping duty order on manganese metal from the People's Republic of China.

SUMMARY: On January 2, 2001, the Department of Commerce ("the Department") initiated a sunset review of the antidumping duty order on manganese metal from the People's Republic of China ("PRC") (66 FR 94). Because the domestic interested parties have withdrawn, in full, their participation in the ongoing sunset reviews, the Department is revoking this antidumping duty order.

EFFECTIVE DATE: February 6, 2001.

FOR FURTHER INFORMATION CONTACT: Martha V. Douthit or James P. Maeder, Office of Policy, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington, DC 20230; telephone: (202) 482-5050 or (202) 482-3330, respectively.

SUPPLEMENTARY INFORMATION:

The Applicable Statute

Unless otherwise indicated, all citations to the Tariff Act of 1930, as amended (the "Act"), are references to the provisions effective January 1, 1995, the effective date of the amendments made to the Act by the Uruguay Round Agreements Act ("URAA"). In addition, unless otherwise indicated, all citations to the Department of Commerce's ("Department") regulations are to 19 CFR part 351 (2000).

Background

On February 6, 1996, the Department issued an antidumping duty order on manganese metal from the PRC, as amended (61 FR 4415). Pursuant to section 751(c) and 19 CFR part 351 in general, the Department initiated a sunset review of this order by publishing notice of the initiation in the **Federal Register** 66 FR 94 (January 2, 2001). In addition, as a courtesy to interested parties, the Department sent letters, via certified and registered mail, to each party listed on the Department's most current service list for this proceeding to inform them of the automatic initiation of a sunset review of this order.

We received a notice of intent to participate and a complete substantive response from Kerr-McGee Chemical LLC ("KMC") by the deadline dates (*see* 19 CFR 351.218(d)(1)(i)). On March 1, 2001, we received a notice from KMC withdrawing its notice of intent to participate. As a result, the Department determined that no domestic party intends to participate in the sunset review and, on March 7, 2001, we notified the International Trade Commission that we intended to issue a final determination revoking this antidumping duty order.

Determination To Revoke

Pursuant to section 751(c)(3)(A) of the Act and section 19 CFR 351.218(d)(1)(iii)(B)(3), if no domestic interested party responds to the notice of initiation, the Department shall issue a final determination, within 90 days after the initiation of the review, revoking the finding or order or terminating the suspended investigation. Because KMC withdrew

its notice of intent to participate and no other domestic interested party filed a substantive response, the Department finds that no domestic interested party is participating in this review and we are revoking this antidumping duty order.

Effective Date of Revocation

Pursuant to sections 751(c)(3)(A) and 751(d)(2) of the Act, and 19 CFR 351.222(i)(2)(i), the Department will instruct the Customs Service to terminate the suspension of liquidation of the merchandise subject to this order entered, or withdrawn from warehouse, on or after February 6, 2001. Entries of subject merchandise prior to the effective date of revocation will continue to be subject to suspension of liquidation and countervailing duty deposit requirements. The Department will complete any pending administrative reviews of this order and will conduct administrative reviews of subject merchandise entered prior to the effective date of revocation in response to appropriately filed requests for review.

Effective January 20, 2001, Bernard T. Carreau is fulfilling the duties of the Assistant Secretary for Import Administration.

Dated: March 26, 2001.

Bernard T. Carreau,

Deputy Assistant Secretary, Import Administration.
