Second, this filing puts parties on notice of the need to make further changes to Texas Gas' tariff to address the historical imbalance under-recovery that has resulted from the current imbalance tariff resolution provisions. This notice is provided in the form of a pro forma tariff sheet, Pro Forma Second Revised Sheet No. 184, outlining potential tariff changes in subsections (n) and (p) of GTC Section 17.3.

Texas Gas states that copies of the revised tariff sheets are being mailed to Texas Gas' jurisdictional customers and interested state commissions.
