

EFFECTIVE DATE: March 30, 2001.

FOR FURTHER INFORMATION CONTACT: Fred Fischer (202-205-3179/ffischer@usitc.gov), Office of Investigations, U.S. International Trade Commission, 500 E Street SW., Washington, DC 20436. Hearing-impaired persons can obtain information on this matter by contacting the Commission's TDD terminal on 202-205-1810. Persons with mobility impairments who will need special assistance in gaining access to the Commission should contact the Office of the Secretary at 202-205-2000. General information concerning the Commission may also be obtained by accessing its internet server <http://www.usitc.gov>. The public record for these investigations may be viewed on the Commission's electronic docket (EDIS-ON-LINE) at <http://dockets.usitc.gov/eol/public>.

SUPPLEMENTARY INFORMATION:

Background.—These investigations are being instituted in response to a petition filed on March 30, 2001, by the Desert Grape Growers League, Thermal, CA, and its producer-members.

Participation in the investigations and public service list.—Persons (other than petitioners) wishing to participate in the investigations as parties must file an entry of appearance with the Secretary to the Commission, as provided in sections 201.11 and 207.10 of the Commission's rules, not later than seven days after publication of this notice in the **Federal Register**. Industrial users and (if the merchandise under investigation is sold at the retail level) representative consumer organizations have the right to appear as parties in Commission antidumping investigations. The Secretary will prepare a public service list containing the names and addresses of all persons, or their representatives, who are parties to these investigations upon the expiration of the period for filing entries of appearance.

Limited disclosure of business proprietary information (BPI) under an administrative protective order (APO) and BPI service list.—Pursuant to section 207.7(a) of the Commission's rules, the Secretary will make BPI gathered in these investigations available to authorized applicants representing interested parties (as defined in 19 U.S.C. 1677(9)) who are parties to the investigations under the APO issued in the investigations, provided that the application is made not later than seven days after the publication of this notice in the **Federal Register**. A separate service list will be maintained by the Secretary for those

parties authorized to receive BPI under the APO.

Conference.—The Commission's Director of Operations has scheduled a conference in connection with these investigations for 9:30 a.m. on April 20, 2001, at the U.S. International Trade Commission Building, 500 E Street SW., Washington, DC. Parties wishing to participate in the conference should contact Fred Fischer (202-205-3179/ffischer@usitc.gov) not later than April 17, 2001, to arrange for their appearance. Parties in support of the imposition of antidumping duties in these investigations and parties in opposition to the imposition of such duties will each be collectively allocated one hour within which to make an oral presentation at the conference. A nonparty who has testimony that may aid the Commission's deliberations may request permission to present a short statement at the conference.

Written submissions.—As provided in sections 201.8 and 207.15 of the Commission's rules, any person may submit to the Commission on or before April 25, 2001, a written brief containing information and arguments pertinent to the subject matter of the investigations. Parties may file written testimony in connection with their presentation at the conference no later than three days before the conference. If briefs or written testimony contain BPI, they must conform with the requirements of sections 201.6, 207.3, and 207.7 of the Commission's rules. The Commission's rules do not authorize filing of submissions with the Secretary by facsimile or electronic means.

In accordance with sections 201.16(c) and 207.3 of the rules, each document filed by a party to the investigations must be served on all other parties to the investigations (as identified by either the public or BPI service list), and a certificate of service must be timely filed. The Secretary will not accept a document for filing without a certificate of service.

Authority: These investigations are being conducted under authority of title VII of the Tariff Act of 1930; this notice is published pursuant to section 207.12 of the Commission's rules.

Issued: March 30, 2001.

By order of the Commission.

Donna R. Koehnke,
Secretary.

Notice Pursuant to the National Cooperative Research and Production Act of 1993—4C Founders

The notice on behalf of 4C Founders published in the **Federal Register** on Thursday, January 11, 2001 (66 FR 2447) should be corrected to read as follows:

Notice is hereby given that, on November 2, 2000, pursuant to Section 6(a) of the National Cooperative Research and Production Act of 1993, 15 U.S.C. 4301 *et seq.* ("the Act"), 4C Founders has filed written notifications simultaneously with the Attorney General and the Federal Trade Commission disclosing (1) the identities of the parties and (2) the nature and objectives of the venture. The notifications were filed for the purpose of invoking the Act's provisions limiting the recovery of antitrust plaintiffs to actual damages under specified circumstances. Pursuant to section 6(b) of the Act, the identities of the parties are Intel Corporation, Santa Clara, CA; International Business Machines Corporation, Armonk, NY; Matsushita Electric Industrial Co., Ltd., Osaka, Japan; and Toshiba Corporation, Tokyo, Japan.

The nature and objectives of the venture are to develop interoperable specifications for the protection of copyrighted digital audio and video content from unauthorized interception and copying; and to promote adoption of the specifications by (i) licensing them on reasonable and nondiscriminatory terms; (ii) providing technical support to adopters, content providers, and others who implement the specifications; (iii) generating and supplying keys for encryption and decryption of the digital content so protected; (iv) providing a means to receive comments and feedback from parties implementing the specifications; and (v) consulting with standards bodies, and others engaged in related specifications efforts, and potential users of the specifications. The 4C Founders' specifications will include information directing specific implementations only as necessary to enable, promote, and improve protection of digital audio and video content; to preserve the security of the protection method; and to promote interoperability of products (including information technology and consumer electronic devices), media which implement the specifications, and the

means for distributing content so protected.

In furtherance of the purposes stated above, the 4C Founders may, among other things, engage in theoretical analysis; experimentation; systematic study; research; development; testing; extension of investigative findings or theories of a scientific or technical nature into practical application for experimental and demonstration purposes; collection, exchange and analysis of research or production information; enter into agreements to carry out the objectives of the Founders; establish and operate facilities for conducting such venture; conduct such venture on a protected and proprietary basis; prosecute applications for patents and grant licenses for the results of such venture; and any combination of these activities.

Membership in this group research project remains open, and 4C Founders intends to file additional written notification disclosing all changes in membership.

Constance K. Robinson,
Director of Operations, Antitrust Division.
